1 f. "Homeless" means a person who is undomiciled or unsheltered, and is
2 unable to secure permanent or stable housing without special assistance,
3 as determined by the division.

4 g. "Housing first principles" means the approach articulated by the
5 United States department of housing and urban development that prior-
6 itizes placement of homeless individuals in housing without precondi-
7 tions and barriers to entry, such as sobriety, treatment or service

9 2. In consultation with the division of housing and community renewal,
10 the office for temporary disability assistance, the office of mental
11 health, and the office for alcoholism and substance abuse, the division
12 shall ensure that homeless veterans are housed according to federal
13 housing first principles.

14 3. The division shall provide immediate housing to every homeless
15 veteran who requests to be housed. Such housing may be transitional
16 housing or permanent housing and shall not be contingent on sobriety,
17 minimum income requirements, absence of a criminal record, or any other
18 conditions deemed unnecessary by the state director. Long-term service-
19 intensive housing shall only be provided in limited instances and only
20 when the veteran specifically chooses to remain in service-intensive
21 housing despite the availability of permanent housing. Any veteran who
22 chooses long-term service-intensive housing shall be provided a monthly
23 review of all available services and housing options. Absent a veteran's

26 using federal housing first principles.

28 website detailing the resources, plans, partnerships, and system capaci-
