5 employed on June 28, 2007 by the village of Green Island as a recre-
6 ational assistant, and who filed membership applications in such system
7 on June 28, 2007 which should have given her Tier IV status but for

York State and Local Employees' Retirement System, thereby making her a Tier 4 member.

If this bill is enacted, we anticipate that there will be an increase of approximately \$2,900 in annual contributions of the State of New York for the fiscal year ending March 31, 2018. In future years, this cost will vary as her billing rate and salary change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$5,390 which would be borne by the Village of Green Island as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2018.
