## IN SENATE

January 4, 2017

Introduced by Sen. BOYLE -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT to validate certain acts of the Islip Union Free school district with regard to certain capital improvement projects

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Legislative intent. The legislature hereby finds that the Islip Union Free school district approved eight capital improvement projects which are designated as project numbers 0003-12, 0011-007, 0011-008, 0003-013, 0007-009, 0007-010, 0007-012, and 0011-009. In addition, the projects were eligible for certain state aid. The legislature further finds that due to ministerial error, the required filing of the final cost reports for such projects were not made by such district in a timely manner making the district ineligible for certain aid. The legislature further finds that without such aid, the capital improvement projects will impose an additional, unanticipated hardship on district taxpayers.

12 § 2. All the acts done and proceedings heretofore had and taken or 13 caused to be had or taken by the Islip Union Free school district and by all its officers or agents relating to or in connection with a certain 15 final cost report to be filed with the state education department for 16 project numbers 0003-12, 0011-007, 0011-008, 0003-013, 0007-010, 0007-012, and 0011-009, and all acts incidental thereto are 17 hereby legalized, validated, ratified and confirmed, notwithstanding any 18 failure to comply with the approval and filing provisions of the educa-19 20 tion law or any other law or any other statutory authority, rule or 21 regulation, in relation to any omissions, error, defect, irregularity or 22 illegality in such proceedings had and taken, and provided further that 23 any amount due and payable to the Islip Union Free school district for 24 school years prior to the 2015-2016 school year as a result of this act

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
