the New York State and Local Police and Fire Retirement System (PFRS), for the period of November 12, 2002 through July of 2006 during which he was employed as a deputy sheriff in Erie County. Currently, deputy sheriff service is not creditable in a PFRS twenty year police retirement plan.

If this bill is enacted during the 2018 legislative session, there will be an immediate past service cost of approximately \$305,000 which will be borne by the city of Buffalo as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2019.
