machinery including road construction and maintenance machinery to which it is mounted is designed by its manufacturer to operate.

- (b) (i) Farm machinery and implements of husbandry and other machinery including road construction and maintenance machinery designed to operate at twenty-five miles per hour or less, traveling on a public highway during day or night, whether self-propelled or used in combination, shall each separately display a slow-moving vehicle emblem as specified in paragraph (a) of this subdivision.
- (ii) (A) Farm machinery and implements of husbandry and other machinery including road construction and maintenance machinery designed to operate at a speed greater than twenty-five miles per hour but less than forty miles per hour, traveling on a public highway during day or night, whether self-propelled or used in combination, shall each separately display a slow-moving vehicle emblem and a speed identification symbol as specified in paragraph (a) of this subdivision.
- (B) If an agricultural tractor that is designed by its manufacturer to operate at a speed greater than twenty-five miles per hour but not greater than forty miles per hour is being operated on a street or highway at a speed greater than twenty-five miles per hour but less than forty miles per hour and is towing, pulling, or otherwise drawing a unit of farm machinery, the unit of farm machinery shall display a slow-moving vehicle emblem and a speed identification symbol that is the same as the speed identification symbol that is displayed on the agricultural tractor.
- (C) When an agricultural tractor is designed by its manufacturer to operate at a speed greater than twenty-five miles per hour but less than forty miles per hour is being operated on a street or highway at a speed greater than twenty-five miles per hour, the operator shall possess some documentation published or provided by the manufacturer indicating the maximum speed in miles per hour at which the manufacturer designed the agricultural tractor to operate.
- (c) The use of such emblem <u>and symbol</u> shall be in addition to any lighting devices, flags or other equipment required by law. Such emblem <u>and symbol</u> shall be used only on farm machinery and implements of husbandry on road construction and maintenance machinery, and on such other vehicles, machinery and equipment as may be specified in regulations issued by the commissioner. All use shall be in accordance with such regulations. Use of such emblem as a clearance marker or on stationary objects on the highways is prohibited.
- § 2. This act shall take effect on the one hundred eightieth day after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
