10 § 2. Subdivision 13 of section 631 of the executive law, as amended by
11 chapter 39 of the laws of 2012, is amended to read as follows:

12 13. Notwithstanding any other provision of law, rule, or regulation to
13 the contrary, when any New York state accredited hospital, accredited
14 sexual assault examiner program, or licensed health care provider
15 furnishes services to any sexual assault survivor, including but not

17 offense evidence collection protocol and standards established by the
18 department of health, such hospital, sexual assault examiner program, or
19 licensed healthcare provider shall provide such services to the person
20 without charge and shall bill the office directly. The office, in
21 consultation with the department of health, shall define the specific
22 services to be covered by the sexual assault forensic exam reimbursement
23 fee, which must include at a minimum forensic examiner services, hospi-
24 tal or healthcare facility services related to the exam, and related
25 laboratory tests and necessary pharmaceuticals; including but not limit-
26 ed to HIV post-exposure prophylaxis provided by a hospital emergency

45 rance or balance billing by the hospital, sexual assault examiner
46 program or licensed health care provider. A hospital, sexual assault
47 examiner program or licensed health care provider shall, at the time of
48 the initial visit, request assignment of any private health insurance
49 benefits to which the sexual assault survivor is entitled on a form
50 prescribed by the office; provided, however, such sexual assault survi-
51 vor shall be advised orally and in writing that he or she may decline to

55 event, the sexual assault forensic exam fee shall be paid by the office.
56 Such sexual assault survivor shall also be advised that providing such

1 information may provide additional resources to pay for services to
2 other sexual assault victims. If he or she declines to provide such
3 health insurance information, he or she shall indicate such decision on
4 the form provided by the hospital, sexual assault examiner program or
5 licensed health care provider, which form shall be prescribed by the
6 office.

7 § 3. Subsection (i) of section 3216 of the insurance law is amended by
8 adding a new paragraph 34 to read as follows:

18 subsection (rr) to read as follows:

19 (rr) Health care forensic examinations performed pursuant to section
20 twenty-eight hundred five-i of the public health law covered under the

23 policies and contracts issued, renewed, modified, altered or amended on
24 or after the first of January next succeeding such effective date.
