IN SENATE

(Prefiled)

January 3, 2018

Introduced by Sen. KAVANAGH -- read twice and ordered printed, and when printed to be committed to the Committee on Housing, Construction and Community Development

AN ACT to amend the administrative code of the city of New York, the emergency tenant protection act of nineteen seventy-four and the emergency housing rent control law, in relation to the termination of rent inclusion of electricity for housing accommodations

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. Subdivision c of section 26-511 of the administrative code
2	of the city of New York is amended by adding a new paragraph 15 to read
3	as follows:
4	(15) provides that owners of buildings which are master metered for
5	electricity and have rent inclusion of electricity may file applications
б	to terminate the rent inclusion of electricity for the accommodations
7	subject to this section.
8	(a) The division of housing and community renewal shall formulate and
9	publish a schedule of rent adjustments or update the schedule of adjust-
10	ments within six months of the publication of a new housing and vacancy
11	survey by the United States Census Bureau. The schedule or updated sche-
12	dule of rent adjustments shall be based on the new survey data as tabu-
13	lated by the New York city rent guidelines board, governing the rate by
14	which the rent of regulated housing accommodations shall be adjusted
15	upon and after conversion to individual metering at the building by
16	means of either direct metering or submetering. The division of housing
17	and community renewal shall promulgate an operational bulletin and/or
18	modify or amend its regulations as may be necessary to give effect to
19	the provisions of this paragraph.
20	(b) The New York city rent guidelines board shall provide staff and
21	assistance to the division of housing and community renewal, by tabulat-
22	ing the data of the triennial New York city housing and vacancy survey
23	produced by the United States Census Bureau within ninety days of publi-

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

S. 7150

1	cation and providing the division of housing and community renewal the
2	data necessary to promulgate a schedule of rent adjustments.
3	(c) The schedule of rent reductions shall apply to all rent stabilized
4	accommodation units in a building that converts from master utility
5	metering to individual utility metering by means of either direct meter-
6	ing or submetering, and shall take effect during the year in which the
7	metering in the building is converted and continue each year thereafter.
8	(d) After the conversion, all tenants shall be responsible for their
9	own electric consumption except those who, on the date of conversion,
10	are receiving a senior citizen rent increase exemption or a disability
11	rent increase exemption pursuant to section 26-509 of this chapter. For
12	such tenants the rent shall not be reduced and the cost of electricity
13	shall remain included in the rent; however, the owner may install any
14	equipment in such tenant's housing accommodation as is required for
15	effectuation of the electrical conversion. If such tenant no longer
16	receives such benefit or vacates the housing accommodation, the owner
17	shall reduce the legal regulated rent for the housing accommodation in
18	accordance with the then-current schedule of rent reductions as promul-
19	gated by the division of housing and community renewal.
20	(e) Nothing in this paragraph shall be construed to permit shared
21	metering.
22	§ 2. Section 26-405 of the administrative code of the city of New York
23	is amended by adding a new subdivision n to read as follows:
24	n. Schedule of rent reductions; individual electric metering. Owners
25	of buildings which are master metered for electricity and have rent
26	inclusion of electricity may file applications to terminate the rent
27	inclusion of electricity for the accommodations subject to this section.
28	(1) The city rent agency shall formulate and publish a schedule of
29	rent adjustments or update the schedule of adjustments within six months
30	of the publication of a new housing and vacancy survey by the United
31	States Census Bureau. The schedule or updated schedule of rent adjust-
32	ments shall be based on the new survey data as tabulated by the New York
33	city rent guidelines board, governing the rate by which the rent of
34	regulated housing accommodations shall be adjusted upon and after
35	conversion to individual metering at the building by means of either
36	direct metering or submetering. The city rent agency shall promulgate an
37	operational bulletin and/or modify or amend its regulations as may be
38	necessary to give effect to the provisions of this subdivision.
39	(2) The New York city rent guidelines board shall provide staff and
40	assistance to the city rent agency, by tabulating the data of the trien-
41	nial New York city housing and vacancy survey produced by the United
42	States Census Bureau within ninety days of publication and providing the
43	city rent agency the data necessary to promulgate a schedule of rent
44	adjustments.
45	(3) The schedule of rent reductions shall apply to all rent controlled
45 46	accommodation units in a building that converts from master utility
	metering to individual utility metering by means of either direct meter-
47 10	ing or submetering, and shall take effect during the year in which the
48	
49	metering in the building is converted and continue each year thereafter.
50	(4) After the conversion, all tenants shall be responsible for their
51	own electric consumption except those who, on the date of conversion,
52	are receiving a senior citizen rent increase exemption or a disability
53	rent increase exemption pursuant to section 26-406 of this chapter. For
54	such tenants the rent shall not be reduced and the cost of electricity
55	shall remain included in the rent; however, the owner may install any
56	equipment in such tenant's housing accommodation as is required for

S. 7150

1	effectuation of the electrical conversion. If such tenant no longer
2	receives such benefit or vacates the housing accommodation, the owner
3	shall reduce the maximum rent for the housing accommodation in accord-
4	ance with the then-current schedule of rent reductions as promulgated by
5	the city rent agency.
б	(5) Nothing in this subdivision shall be construed to permit shared
7	metering.
8	§ 3. Subdivision d of section 6 of section 4 of chapter 576 of the
9	laws of 1974, constituting the emergency tenant protection act of nine-
10	teen seventy-four, is amended by adding a new paragraph 6 to read as
11	follows:
12	(6) owners of buildings which are master metered for electricity and
13	have rent inclusion of electricity may file applications to terminate
14^{13}	the rent inclusion of electricity for the accommodations subject to this
15^{11}	section.
	(i) The division of housing and community renewal shall formulate and
16	
17	publish a schedule of rent adjustments or update the schedule of adjust-
18	ments within six months of the publication of a new housing and vacancy
19	survey by the United States Census Bureau. The schedule or updated sche-
20	dule of rent adjustments shall be based on the new survey data as tabu-
21	lated by the New York city rent guidelines board, governing the rate by
22	which the rent of regulated housing accommodations shall be adjusted
23	upon and after conversion to individual metering at the building by
24	means of either direct metering or submetering. The division of housing
25	and community renewal shall promulgate an operational bulletin and/or
26	modify or amend its regulations as may be necessary to give effect to
27	the provisions of this paragraph.
28	(ii) The New York city rent guidelines board shall provide staff and
29	assistance to the division of housing and community renewal, by tabulat-
30	ing the data of the triennial New York city housing and vacancy survey
31	produced by the United States Census Bureau within ninety days of publi-
32	cation and providing the division of housing and community renewal the
33	data necessary to promulgate a schedule of rent adjustments.
34	(iii) The schedule of rent reductions shall apply to all rent stabi-
35	lized accommodation units in a building that converts from master utili-
36	ty metering to individual utility metering by means of either direct
37	metering or submetering, and shall take effect during the year in which
38	the metering in the building is converted and continue each year there-
39	after.
40	(iv) After the conversion, all tenants shall be responsible for their
41	own electric consumption except those who, on the date of conversion,
42	are receiving a senior citizen rent increase exemption or a disability
43	rent increase exemption pursuant to a local law, ordinance or resolution
44	as authorized by section 467-b of the real property tax law. For such
45	tenants the rent shall not be reduced and the cost of electricity shall
46	remain included in the rent; however, the owner may install any equip-
40 47	ment in such tenant's housing accommodation as is required for effectua-
48	tion of the electrical conversion. If such tenant no longer receives
	such benefit or vacates the housing accommodation, the owner shall
49 50	reduce the legal regulated rent for the housing accommodation, the owner shall
50 51	
51	ance with the then-current schedule of rent reductions as promulgated by
52	the division of housing and community renewal.
53	(v) Nothing in this paragraph shall be construed to permit shared
54	metering.

1	§ 4. Section 4 of chapter 274 of the laws of 1946, constituting the
2	emergency housing rent control law, is amended by adding a new subdivi-
3	sion 9 to read as follows:
4	9. Owners of buildings which are master metered for electricity and
5	have rent inclusion of electricity may file applications to terminate
б	the rent inclusion of electricity for the accommodations subject to this
7	section.
8	(1) The division of housing and community renewal shall formulate and
9	publish a schedule of rent adjustments or update the schedule of adjust-
10	ments within six months of the publication of a new housing and vacancy
11	survey by the United States Census Bureau. The schedule or updated sche-
12	dule of rent adjustments shall be based on the new survey data as tabu-
13	lated by the New York city rent guidelines board, governing the rate by
14	which the rent of regulated housing accommodations shall be adjusted
15	upon and after conversion to individual metering at the building by
16	means of either direct metering or submetering. The division of housing
17	and community renewal shall promulgate an operational bulletin and/or
18	modify or amend its regulations as may be necessary to give effect to
19	the provisions of this subdivision.
20	(2) The New York city rent guidelines board shall provide staff and
21	assistance to the division of housing and community renewal, by tabulat-
22	ing the data of the triennial New York city housing and vacancy survey
23	produced by the United States Census Bureau within ninety days of publi-
24	cation and providing the division of housing and community renewal the
25	<u>data necessary to promulgate a schedule of rent adjustments.</u>
26	(3) The schedule of rent reductions shall apply to all rent controlled
27	accommodation units in a building that converts from master utility
28	metering to individual utility metering by means of either direct meter-
29	ing or submetering, and shall take effect during the year in which the
29 30	ing or submetering, and shall take effect during the year in which the metering in the building is converted and continue each year thereafter.
29 30 31	ing or submetering, and shall take effect during the year in which the metering in the building is converted and continue each year thereafter. (4) After the conversion, all tenants shall be responsible for their
29 30 31 32	ing or submetering, and shall take effect during the year in which the metering in the building is converted and continue each year thereafter. (4) After the conversion, all tenants shall be responsible for their own electric consumption except those who, on the date of conversion,
29 30 31 32 33	ing or submetering, and shall take effect during the year in which the metering in the building is converted and continue each year thereafter. (4) After the conversion, all tenants shall be responsible for their own electric consumption except those who, on the date of conversion, are receiving a senior citizen rent increase exemption or a disability
29 30 31 32 33 34	ing or submetering, and shall take effect during the year in which the metering in the building is converted and continue each year thereafter. (4) After the conversion, all tenants shall be responsible for their own electric consumption except those who, on the date of conversion, are receiving a senior citizen rent increase exemption or a disability rent increase exemption pursuant to a local law, ordinance or resolution
29 30 31 32 33 34 35	ing or submetering, and shall take effect during the year in which the metering in the building is converted and continue each year thereafter. (4) After the conversion, all tenants shall be responsible for their own electric consumption except those who, on the date of conversion, are receiving a senior citizen rent increase exemption or a disability rent increase exemption pursuant to a local law, ordinance or resolution as authorized by section 467-b of the real property tax law. For such
29 30 31 32 33 34 35 36	ing or submetering, and shall take effect during the year in which the metering in the building is converted and continue each year thereafter. (4) After the conversion, all tenants shall be responsible for their own electric consumption except those who, on the date of conversion, are receiving a senior citizen rent increase exemption or a disability rent increase exemption pursuant to a local law, ordinance or resolution as authorized by section 467-b of the real property tax law. For such tenants the rent shall not be reduced and the cost of electricity shall
29 30 31 32 33 34 35 36 37	ing or submetering, and shall take effect during the year in which the metering in the building is converted and continue each year thereafter. (4) After the conversion, all tenants shall be responsible for their own electric consumption except those who, on the date of conversion, are receiving a senior citizen rent increase exemption or a disability rent increase exemption pursuant to a local law, ordinance or resolution as authorized by section 467-b of the real property tax law. For such tenants the rent shall not be reduced and the cost of electricity shall remain included in the rent; however, the owner may install any equip-
29 30 31 32 33 34 35 36 37 38	ing or submetering, and shall take effect during the year in which the metering in the building is converted and continue each year thereafter. (4) After the conversion, all tenants shall be responsible for their own electric consumption except those who, on the date of conversion, are receiving a senior citizen rent increase exemption or a disability rent increase exemption pursuant to a local law, ordinance or resolution as authorized by section 467-b of the real property tax law. For such tenants the rent shall not be reduced and the cost of electricity shall remain included in the rent; however, the owner may install any equipment in such tenant's housing accommodation as is required for effectua-
29 30 31 32 33 34 35 36 37 38 39	ing or submetering, and shall take effect during the year in which the metering in the building is converted and continue each year thereafter. (4) After the conversion, all tenants shall be responsible for their own electric consumption except those who, on the date of conversion, are receiving a senior citizen rent increase exemption or a disability rent increase exemption pursuant to a local law, ordinance or resolution as authorized by section 467-b of the real property tax law. For such tenants the rent shall not be reduced and the cost of electricity shall remain included in the rent; however, the owner may install any equipment in such tenant's housing accommodation as is required for effectuation of the electrical conversion. If such tenant no longer receives
29 30 31 32 33 34 35 36 37 38 39 40	ing or submetering, and shall take effect during the year in which the metering in the building is converted and continue each year thereafter. (4) After the conversion, all tenants shall be responsible for their own electric consumption except those who, on the date of conversion, are receiving a senior citizen rent increase exemption or a disability rent increase exemption pursuant to a local law, ordinance or resolution as authorized by section 467-b of the real property tax law. For such tenants the rent shall not be reduced and the cost of electricity shall remain included in the rent; however, the owner may install any equipment in such tenant's housing accommodation as is required for effectuation of the electrical conversion. If such tenant no longer receives such benefit or vacates the housing accommodation, the owner shall
29 30 31 32 33 34 35 36 37 38 39 40 41	ing or submetering, and shall take effect during the year in which the metering in the building is converted and continue each year thereafter. (4) After the conversion, all tenants shall be responsible for their own electric consumption except those who, on the date of conversion, are receiving a senior citizen rent increase exemption or a disability rent increase exemption pursuant to a local law, ordinance or resolution as authorized by section 467-b of the real property tax law. For such tenants the rent shall not be reduced and the cost of electricity shall remain included in the rent; however, the owner may install any equipment in such tenant's housing accommodation as is required for effectuation of the electrical conversion. If such tenant no longer receives such benefit or vacates the housing accommodation in accordance with
29 30 31 32 33 34 35 36 37 38 39 40 41 42	ing or submetering, and shall take effect during the year in which the metering in the building is converted and continue each year thereafter. (4) After the conversion, all tenants shall be responsible for their own electric consumption except those who, on the date of conversion, are receiving a senior citizen rent increase exemption or a disability rent increase exemption pursuant to a local law, ordinance or resolution as authorized by section 467-b of the real property tax law. For such tenants the rent shall not be reduced and the cost of electricity shall remain included in the rent; however, the owner may install any equipment in such tenant's housing accommodation as is required for effectuation of the electrical conversion. If such tenant no longer receives such benefit or vacates the housing accommodation in accordance with the then-current schedule of rent reductions as promulgated by the divi-
29 30 31 32 33 34 35 36 37 38 39 40 41 42 43	ing or submetering, and shall take effect during the year in which the metering in the building is converted and continue each year thereafter. (4) After the conversion, all tenants shall be responsible for their own electric consumption except those who, on the date of conversion, are receiving a senior citizen rent increase exemption or a disability rent increase exemption pursuant to a local law, ordinance or resolution as authorized by section 467-b of the real property tax law. For such tenants the rent shall not be reduced and the cost of electricity shall remain included in the rent; however, the owner may install any equipment in such tenant's housing accommodation as is required for effectuation of the electrical conversion. If such tenant no longer receives such benefit or vacates the housing accommodation, the owner shall reduce the maximum rent for the housing accommodation in accordance with the then-current schedule of rent reductions as promulgated by the division of housing and community renewal.
29 30 31 32 33 34 35 36 37 38 39 40 41 42 43 44	ing or submetering, and shall take effect during the year in which the metering in the building is converted and continue each year thereafter. (4) After the conversion, all tenants shall be responsible for their own electric consumption except those who, on the date of conversion, are receiving a senior citizen rent increase exemption or a disability rent increase exemption pursuant to a local law, ordinance or resolution as authorized by section 467-b of the real property tax law. For such tenants the rent shall not be reduced and the cost of electricity shall remain included in the rent; however, the owner may install any equipment in such tenant's housing accommodation as is required for effectuation of the electrical conversion. If such tenant no longer receives such benefit or vacates the housing accommodation in accordance with the then-current schedule of rent reductions as promulgated by the division of housing and community renewal.
