IN SENATE

January 4, 2018

- Introduced by Sen. PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Mental Health and Developmental Disabilities
- AN ACT to amend the mental hygiene law and chapter 568 of the laws of 2005, amending the mental hygiene law relating to enacting the geriatric mental health act, in relation to mental health care, chemical dependence and compulsive gambling services for the elderly under the geriatric service demonstration program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 7.41 of the mental hygiene law, as added by chapter 568 of the laws of 2005, is amended to read as follows:

3 § 7.41 Geriatric service demonstration program.

4 (a) The office shall establish a geriatric service demonstration program to provide grants, within appropriations therefor, to providers 5 б of mental health care, chemical dependence services, compulsive gambling 7 services, or any combination thereof, to the elderly, including organ-8 izations that provide health and aging services as well as mental 9 health, chemical dependence, and compulsive gambling organizations. Such 10 program shall be administered by the office in cooperation with the 11 office of alcoholism and substance abuse services, the state office for 12 the aging and such other state agencies as the commissioner shall deter-13 mine are necessary for the operation of the program.

(b) Grants may be awarded by the office to providers of care to older adults with mental disabilities, <u>chemical dependence</u>, <u>compulsive gambl-</u> <u>ing</u>, <u>or any combination thereof</u>, for the purposes which may include one or more of the following:

(1) Community integration. Programs which enable older adults with mental disabilities <u>or older adults suffering from chemical dependence</u> <u>or compulsive gambling</u> to age <u>safely</u> in the community and prevent the unnecessary use of institutional care;

(2) Improved quality of treatment. Programs for older adults which
improve the quality of mental health care, chemical dependence or

compulsive gambling services in the community or in residential facili-1 2 ties; 3 (3) Integration of services. Programs which integrate mental health 4 and aging services with alcohol, drug, health and other support 5 services; б (4) Workforce. Programs which make more efficient use of mental health 7 [and], chemical dependence, compulsive gambling, health and aging 8 services professionals by developing alternative service roles for para-9 professionals and volunteers, including peers, and programs more effec-10 tive in recruitment and retention of bi-lingual, bi-cultural 11 culturally competent staff; (5) Family support. Programs which provide support for family caregiv-12 13 ers, to include the provision of care to older adults by younger family 14 members and by older adults to younger family members; 15 (6) Finance. Programs which have developed and implemented innovative 16 financing methodologies to support the delivery of best practices; (7) Specialized populations. Programs which concentrate on outreach 17 to, engagement of and effective treatment of cultural minorities or 18 veterans as defined in section eighty-five of the civil service law; 19 20 (8) Information clearinghouse. Programs which compile, distribute and 21 make available information on clinical developments, program innovations and policy developments which improve the care to older adults with 22 mental disabilities or suffering from chemical dependence or compulsive 23 24 gambling; and 25 (9) Staff training. Programs which offer on-going training initiatives 26 including improved clinical and cultural skills, evidence based geria-27 tric mental health, chemical dependence and compulsive gambling treatment skills, and the identification and management of mental, behavioral 28 29 and substance abuse disorders among older adults. 30 The commissioner may adopt rules and regulations necessary to (C) 31 implement the provisions of this section. 32 § 2. Section 3 of chapter 568 of the laws of 2005, amending the mental hygiene law relating to enacting the geriatric mental health act, as 33 amended by chapter 203 of the laws of 2008, is amended to read as 34 35 follows: 36 § 3. Interagency geriatric mental health and chemical dependence plan-37 ning council. (a) There shall be established an interagency geriatric 38 mental health and chemical dependence planning council. Such council 39 shall consist of nineteen members, as follows: (1) the commissioner of mental health, the commissioner of alcoholism 40 and substance abuse services, the director of the division of veterans' 41 42 affairs and the director of the state office for the aging, who shall serve as the co-chairs of the council. The adjutant general shall serve 43 as an ex-officio member of the council; 44 45 (2) one member appointed by the commissioner of [mental retardation 46 and] the office for people with developmental disabilities to represent 47 the office [of mental retardation and] for people with developmental 48 disabilities; 49 (3) one member appointed by the chairman of the state commission on 50 quality of care and advocacy for persons with disabilities to represent 51 such commission; 52 (4) one member appointed by the commissioner of health to represent the department of health; 53 54 (5) one member appointed by the commissioner of education to represent 55 the education department and the board of regents;

2

(6) one member appointed by the commissioner of children and family 1 2 services to represent the office of children and family services on issues relating to adult protective services; 3 (7) one member appointed by the commissioner of temporary and disabil-4 5 ity assistance to represent the office of temporary and disability assistance; б 7 (8) four members appointed by the governor; and 8 (9) two members appointed by the temporary president of the senate and 9 two members appointed by the speaker of the assembly to represent any 10 other organizations which serve or advocate on behalf of elderly 11 persons. (b) The members of the council shall serve at the pleasure of their 12 13 appointing authority. 14 (c) The council shall meet as often as necessary, but not less than 15 four times per calendar year, to develop annual recommendations, to be 16 submitted to the commissioner of mental health, the commissioner of alcoholism and substance abuse services, the director of the division of 17 18 veterans' affairs, the adjutant general and the director of the state 19 office for the aging, regarding geriatric mental health and chemical 20 dependence needs. Such recommendations may address issues which include: 21 community integration, quality improvement, integration of mental 22 health, chemical dependence, compulsive gambling, health, aging and such relevant services [with services to address alcoholism, drug abuse, and 23 24 health care needs,] as appropriate; and workforce development, family 25 support and finance.

26 § 3. This act shall take effect immediately.
