3. Subdivision 1 of section 408-a of the education law, as amended by chapter 420 of the laws of 1968, is amended to read as follows:

1. The commissioner $[\frac{\text{of general services}}{\text{of services}}]$, after consultation with the [commissioner of education] New York state energy research and development authority and subject to the approval of the director of the budget, shall promptly prepare or acquire as many master sets of complete plans and specifications for the construction of new school buildings and appurtenant facilities as shall be sufficient to provide at least 9 six different master sets each for elementary, junior high and high schools, based on the number of pupils to be accommodated therein. Such 10 11 plans and specifications shall be prepared so as to provide adequate classrooms and other necessary space and facilities at the lowest cost 12 13 consistent with sound construction principles and practices, and the 14 attainment of educational objectives, and shall provide for heating, 15 ventilation, lighting, sanitation and health, fire and 16 protection adequate to maintain healthful, safe, and comfortable condi-17 tions therein. Such plans and specifications shall be so prepared that any possible future addition to any such school building may be econom-18 ically effectuated. Such plans shall comply with the criteria estab-19 20 lished in the department's manual of planning standards - appendix: NY -21 CHPS High Performance Schools Guidelines. In addition, the commissioner [of general services] shall, as often as he or she deems advisable but 22 23 at least annually, review such master sets and, after consultation with the [commissioner of education] New York state energy research and 24 25 development authority, and subject to approval of the director of the 26 budget, may revise or cancel any of such sets or prepare new sets.

§ 4. This act shall take effect on the three hundred sixty-fifth day after it shall have become a law; provided however that effective immediately, the department of education is authorized to promulgate, amend 30 or repeal any rule or regulation which it deems necessary or appropriate 31 to implement this act.
