Introduced by Sen. FUNKE -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the state technology law, in relation to the state information technology innovation center

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivisions 2 and 4 of section 103-a of the state technol-
2 ogy law, as added by a chapter of the laws of 2017, amending the state
3 technology law relating to the creation of a state information technolo-
4 gy innovation center, as proposed in legislative bills numbers S. 1121-A
5 and A. 1713-A, are amended to read as follows:

6 2. The director shall implement~~[, by regulation, procedures]~~ guide-
7 lines to carry out the provisions of this section which shall not
8 contravene any provision of the state finance law. Such procedures shall
9 include, but not be limited to:

10 (a) establishing the process for selecting vendors for participation
11 in the iCenter, which shall be a public process;

12 (b) establishing a process to determine which technology needs or
13 requirements shall be iCenter initiatives; and

14 (c) establishing safeguards to ensure the iCenter does not function in
15 a manner that results in the circumvention of competitive bidding,
16 including but not limited to through single and sole source exemptions.

17 4. Every ~~October~~ January first, beginning in two thousand ~~[eighteen]~~
18 nineteen, the director shall submit a report to the speaker of the
19 assembly, the temporary president of the senate, and the governor
20 detailing iCenter initiatives undertaken in the prior year. Such report
21 shall include but not be limited to: an identification of any state
22 resources used to support the iCenter in the prior year; the number and
23 nature of iCenter initiatives undertaken in the prior year; the identity
24 of vendors that participated in the iCenter in the prior year, any iCen-
25 ter initiatives piloted in the prior year that were subsequently awarded
26 a procurement contract with any state agency~~[, any future initiatives~~
27 ~~being considered for inclusion in the iCenter]~~ to the extent the office
28 of information technology services may be aware of such contracts; and
