9 2-c. Absent extraordinary circumstances, no more than two waivers may  
10 be executed pursuant to this section for a single case. If the court  
11 finds extraordinary circumstances warranting more than two waivers  
12 pursuant to this section, the court must state upon the record the  
13 extraordinary circumstances before granting additional waivers pursuant  
14 to this section.

15 2-d. A waiver executed pursuant to this section shall not preclude the  
16 court from excluding the periods described in subdivision four of this

18 for trial.

19 3. Whenever pursuant to this section a prosecutor states or otherwise  
20 provides notice that the people are ready for trial, the court may make  
21 inquiry on the record as to their actual readiness. If, after conducting

31 where the people are not ready for trial if the people were ready for  
32 trial prior to the expiration of the specified period and their present  
33 unreadiness is due to some exceptional fact or circumstance, including,  
34 but not limited to, the sudden unavailability of evidence material to  
35 the people's case, when the district attorney has exercised due dili-  
36 gence to obtain such evidence and there are reasonable grounds to  
37 believe that such evidence will become available in a reasonable period.

38 [~~(c) A motion made pursuant to subdivision two shall not:~~  
39 ~~(i) apply to any defendant who is serving a term of imprisonment for~~  
40 ~~another offense;~~

53 against the people and the legal basis to charge those time periods to  
54 the people. The court may summarily deny the motion if the motion papers  
55 do not contain sworn allegations of fact or the legal basis to charge

19 consented to a continuance unless he or she has been advised by the

27 due diligence. A defendant must be considered unavailable whenever his  
28 or her location is known but his or her presence for trial cannot be  
29 obtained by due diligence; or

30 (ii) where the defendant has either escaped from custody or has failed  
31 to appear when required after having previously been released on bail or

46 (f) the period during which the defendant is without counsel through  
47 no fault of the court; except when the defendant is proceeding as his or  
48 her own attorney with the permission of the court; or

49 (g) other periods of delay occasioned by exceptional circumstances,  
50 including but not limited to, the period of delay resulting from a  
51 continuance granted at the request of a district attorney if: (i) the  
52 continuance is granted because of the unavailability of evidence materi-  
53 al to the people's case, when the district attorney has exercised due  
54 diligence to obtain such evidence and there are reasonable grounds to  
55 believe that such evidence will become available in a reasonable period;  
56 or (ii) the continuance is granted to allow the district attorney addi-

1 tional time to prepare the people's case and additional time is justi-

5 by the court. The court shall inquire on the record as to the reasons  
6 for the people's unreadiness; or

36 until entry of an order disposing of such motion shall not, by reason of  
37 such motion, be considered a period of delay for purposes of subdivision  
38 ~~[four]~~ five of section 30.30 of this chapter, nor shall such period, by  
39 reason of such motion, be excluded in computing the time within which  
40 the people must be ready for trial pursuant to such section 30.30.

41 § 3. This act shall take effect on the one hundred eightieth day after  
42 it shall have become a law.

43 PART B

44 Section 1. Subdivision 2 of section 212 of the judiciary law is  
45 amended by adding a new paragraph (w) to read as follows:

46 (w) (i) Ensure that each state-paid judge or justice assigned to a  
47 trial court of the unified court system shall certify monthly, in a  
48 statement attesting to the truth of the facts therein, that on each  
49 workday of the preceding month, he or she performed judicial duties at  
50 an assigned court location for the full daily period of at least eight  
51 hours established by the chief administrator for the disposition of  
52 court business, or performed authorized duties in an authorized court-  
53 related activity at an assigned location, or was on authorized leave.

(ii) The comptroller shall conduct a periodic review and audit of submitted judicial certifications in order to ensure that the state is responsibly authorizing state dollars for judicial salaries and the operation of state trial courts. The comptroller's review and audit shall evaluate the accuracy of the judicial certifications and the effectiveness of the certification system as a whole.

§ 2. This act shall take effect immediately.

## PART C

Section 1. Legislative findings. The legislature finds and declares that there is a present need to revise New York's procedures regulating release of persons charged with criminal offenses pending trial, set forth in title P of the criminal procedure law, so that fewer presumed-innocent people are held behind bars pretrial. The bill breaks the link between paying money and earning freedom in cases involving misdemeanors and non-violent felonies, so that defendants are either released on their own recognizance or, failing that, released under non-monetary conditions. The bill also revises the existing process of remanding individuals in jail before trial, so that pretrial detention is used in limited cases involving high risk of flight or a current risk to the physical safety of a reasonably identifiable person or persons, and comports with Supreme Court jurisprudence regarding required substantive and procedural due process before detention.

§ 2. Subdivisions 1, 2, 4, 5, 6, 7, 8 and 9 of section 500.10 of the criminal procedure law are amended and a new subdivision 3-a is added to read as follows:

1. "Principal" means a defendant in a criminal action or proceeding, or a person adjudged a material witness therein, or any other person so involved therein that ~~he~~ the principal may by law be compelled to appear before a court for the purpose of having such court exercise control over ~~his~~ the principal's person to secure ~~his~~ the principal's future attendance at the action or proceeding when required, and who in fact either is before the court for such purpose or has been before it and been subjected to such control.

2. "Release on own recognizance." A court releases a principal on ~~his~~ the principal's own recognizance when, having acquired control over ~~his~~ the principal's person, it permits ~~him~~ the principal to be at liberty during the pendency of the criminal action or proceeding involved upon condition that ~~he~~ the principal will appear thereat whenever ~~his~~ the principal's attendance may be required and will at all times render ~~himself~~ the principal amenable to the orders and processes of the court.

3-a. "Release under non-monetary conditions". A court releases a principal under non-monetary conditions when, having acquired control over a person, it permits the person to be at liberty during the pendency of the criminal action under conditions set by the court, which shall be the least restrictive that will reasonably assure the principal's appearance in court. Such conditions may include, among others, that the principal shall be in contact with a pretrial services agency serving principals in that county; that the principal shall abide by specified restrictions on association or travel; that the principal shall refrain from possessing a firearm, destructive device or other dangerous weapon; that the person be placed in pretrial supervision with a pretrial services agency serving principals in that county; that the person be monitored with an approved electronic monitoring device.

4. "Commit to the custody of the sheriff." A court commits a principal to the custody of the sheriff when, having acquired control over his person, it orders that he be confined in the custody of the sheriff ~~[during the pendency of the criminal action or proceeding involved]~~ pending payment of bail that is fixed, or pending the outcome of a hearing as to whether the individual shall be ordered into pretrial detention.

5. "Securing order" means an order of a court ~~[committing a principal to the custody of the sheriff, or fixing bail, or releasing him on his own recognizance]~~ that either releases a principal under personal recognizance, releases the principal under non-monetary conditions, or fixes bail, all with the direction that the principal return to court for future court appearances and to be at all times amendable to the orders and processes of the court.

6. ~~["Order of recognizance or bail" means a securing order releasing a principal on his own recognizance or fixing bail]~~ "Pretrial detention". A court may commit a principal to pretrial detention if, after a hearing and making such findings as specified in article five hundred forty-five of this title, a judge so orders detention.

7. ~~["Application for recognizance or bail" means an application by a principal that the court, instead of committing him to or retaining him in the custody of the sheriff, either release him on his own recognizance or fix bail.~~

~~8.]~~ "Post bail" means to deposit bail in the amount and form fixed by the court, with the court or with some other authorized public servant or agency.

~~[9.]~~ 8. "Bail" means cash bail [or], a bail bond or money paid with a credit card.

§ 3. Section 510.10 of the criminal procedure law, as amended by chapter 459 of the laws of 1984, is amended to read as follows:

§ 510.10 Securing order; when required; alternatives available; standard to be applied.

When a principal, whose future court attendance at a criminal action or proceeding is or may be required, initially comes under the control of a court, such court ~~[must]~~ shall, by a securing order~~[, either release him on his own recognizance, fix bail or commit him to the custody of the sheriff.];~~

1. In cases where the most serious charge facing the defendant in the case before the court or a pending case is a misdemeanor or a felony other than that enumerated in section 70.02 of the penal law or a class A felony offense defined in the penal law, release the principal pending trial on the principal's personal recognizance, unless the court finds on the record that release on recognizance will not reasonably assure the individual's court attendance. In such instances, the court will release the individual under non-monetary conditions, selecting the least restrictive alternative that will reasonably assure the principal's court attendance. The court will support its choice of alternative on the record. A principal shall not be required to pay for any part of the cost of release under non-monetary conditions, except that a principal may be required to pay for all or a portion of the cost of electronic monitoring unless the principal is indigent and cannot pay all or a portion of the cost of such monitoring;

2. In cases where the most serious charge facing the defendant in the case before the court or a pending case is a felony enumerated in section 70.02 of the penal law or a class A felony offense defined in the penal law, release the principal pending trial on the principal's

1 personal recognizance, or release the principal under non-monetary  
2 conditions, or fix bail, selecting the least restrictive alternative  
3 that will reasonably assure the principal's court appearance when  
4 required. The court will support its choice of alternative on the  
5 record.

6 3. Notwithstanding the above, in cases where the prosecutor indicates  
7 that it intends to move for pretrial detention as set out in article  
8 five hundred forty-five of this title, the court shall commit the  
9 defendant to the custody of the sheriff.

10 4. When a securing order is revoked or otherwise terminated in the  
11 course of an uncompleted action or proceeding but the principal's future  
12 court attendance still is or may be required and [he] the principal is  
13 still under the control of a court, a new securing order must be issued.  
14 When the court revokes or otherwise terminates a securing order which  
15 committed the principal to the custody of the sheriff, the court shall  
16 give written notification to the sheriff of such revocation or termi-  
17 nation of the securing order.

18 § 4. Section 510.20 of the criminal procedure law is amended to read  
19 as follows:

20 § 510.20 [~~Application for recognizance or bail, making and determination~~  
21 ~~thereof in general~~] Application for a change in securing  
22 order based on a material change of circumstances.

23 1. Upon any occasion when a court [~~is required to issue~~] has issued a  
24 securing order with respect to a principal, [~~or at any time when a prin-~~  
25 ~~cipal is confined in the custody of the sheriff as a result of a previ-~~  
26 ~~ously issued securing order, he~~] the defendant or the people may make an  
27 application for [~~recognizance or bail~~] a different securing order due to  
28 a material change of circumstances:

29 (a) in cases for which the most serious charge before the court or in  
30 a pending case is a misdemeanor or felony other than that enumerated in  
31 section 70.02 of the penal law or a class A felony offense defined in  
32 the penal law for a different non-monetary securing order; or

33 (b) in cases for which the most serious charge is a felony enumerated  
34 in section 70.02 of the penal law or a class A felony offense defined in  
35 the penal law for a different securing order.

36 2. Upon such application, the principal or the people must be  
37 accorded an opportunity to be heard and to contend that [~~an order of~~  
38 ~~recognizance or bail~~] a different securing order must or should issue[~~,r~~  
39 ~~that the court should release him on his own recognizance rather than~~  
40 ~~fix bail, and that if bail is fixed it should be in a suggested amount~~  
41 ~~and form~~] because, due to a material change in circumstances, the  
42 current order is either too restrictive or not restrictive enough to  
43 reasonably ensure a defendant's appearance in court.

44 § 5. The criminal procedure law is amended by adding a new section  
45 510.25 to read as follows:

46 § 510.25 Rehearing on bail after five days in custody after bail is  
47 fixed.

48 In addition to any other available motion or procedure available under  
49 this part, a principal for whom bail was fixed and who is still in  
50 custody five days after bail was fixed shall be brought before the court  
51 the next business day for a rehearing on the securing order. The court  
52 shall examine the principal's financial circumstances and order a new  
53 securing order. If the court chooses to fix bail, it shall do so at an  
54 amount that will both reasonably assure the defendant's appearance in  
55 court and that the defendant is reasonably able to pay.

§ 6. Section 510.30 of the criminal procedure law, subparagraph (v) of paragraph (a) of subdivision 2 as amended by chapter 920 of the laws of 1982, subparagraph (vi) of paragraph (a) of subdivision 2 as renumbered by chapter 447 of the laws of 1977, subparagraph (vii) of paragraph (a) of subdivision 2 as added and subparagraphs (viii) and (ix) of paragraph (a) of subdivision 2 as renumbered by section 1 of part D of chapter 491 of the laws of 2012, and subdivision 3 as added by chapter 788 of the laws of 1981, is amended to read as follows:

§ 510.30 Application for [~~recognizance or bail~~] securing order; rules of law and criteria controlling determination.

~~1. Determinations of applications for recognizance or bail are not in all cases discretionary but are subject to rules, prescribed in article five hundred thirty and other provisions of law relating to specific kinds of criminal actions and proceedings, providing (a) that in some circumstances such an application must as a matter of law be granted, (b) that in others it must as a matter of law be denied and the principal committed to or retained in the custody of the sheriff, and (c) that in others the granting or denial thereof is a matter of judicial discretion.~~

~~2. To the extent that the issuance of an order of recognizance or bail and the terms thereof are matters of discretion rather than of law, an application is determined on the basis of the following factors and criteria:~~

~~(a)~~ With respect to any principal, the court must [~~consider the~~] impose the least restrictive kind and degree of control or restriction that is necessary to secure [~~his~~] the principal's court attendance when required. In determining that matter, the court must, on the basis of available information, consider and take into account:

~~(i) The principal's character, reputation, habits and mental condition;~~

~~(ii) His employment and financial resources; and~~

~~(iii) His family ties and the length of his residence if any in the community; and~~

~~(iv) His~~ 1. information about the principal that is relevant to court appearance, including, but not limited to, the principal's activities, history and community ties;

2. if the principal is a defendant, the charges facing the principal;

3. the principal's criminal record if any; [and

~~(v)]~~ 4. His record of previous adjudication as a juvenile delinquent, as retained pursuant to section 354.2 of the family court act, or, of pending cases where fingerprints are retained pursuant to section 306.1 of such act, or a youthful offender, if any; [and

~~(vi) His~~ 5. the principal's previous record if any in responding to court appearances when required or with respect to flight to avoid criminal prosecution; [and

~~(vii)]~~ 6. if monetary bail is permitted, according to the restrictions set forth in section 510.10 of this title, the principal's financial circumstances;

7. Where the principal is charged with a crime or crimes against a member or members of the same family or household as that term is defined in subdivision one of section 530.11 of this title, the following factors:

~~(A)]~~ (i) any violation by the principal of an order of protection issued by any court for the protection of a member or members of the same family or household as that term is defined in subdivision one of

section 530.11 of this title, whether or not such order of protection is currently in effect; and

~~[(B)]~~ (ii) the principal's history of use or possession of a firearm; ~~[and~~

~~(viii)]~~ 8. If ~~[he]~~ the principal is a defendant, the weight of the evidence against ~~[him]~~ the principal in the pending criminal action and any other factor indicating probability or improbability of conviction; or, in the case of an application for ~~[bail or recognizance]~~ securing order pending appeal, the merit or lack of merit of the appeal; and

~~[(ix)]~~ 9. If ~~[he]~~ the principal is a defendant, the sentence which may be or has been imposed upon conviction[~~,-~~

~~(b) Where the principal is a defendant-appellant in a pending appeal from a judgment of conviction, the court must also consider the likelihood of ultimate reversal of the judgment. A determination that the appeal is palpably without merit alone justifies, but does not require, a denial of the application, regardless of any determination made with respect to the factors specified in paragraph (a).~~

~~3. When bail or recognizance is ordered, the court shall inform the principal, if he is a defendant charged with the commission of a felony, that the release is conditional and that the court may revoke the order of release and commit the principal to the custody of the sheriff in accordance with the provisions of subdivision two of section 530.60 of this chapter if he commits a subsequent felony while at liberty upon such order.]; and~~

10. if the principal is a defendant-appellant in a pending appeal from a judgment of conviction, the court must also consider the likelihood of ultimate reversal of the judgment. A determination that the appeal is palpably without merit alone justifies, but does not require, a denial of the application, regardless of any determination made with respect to the factors specified in this paragraph.

§ 7. Section 510.40 of the criminal procedure law is amended to read as follows:

§ 510.40 ~~[Application for recognizance or bail, determination thereof, form of securing order and execution thereof]~~ Notification to principal by court of conditions of release and penalties for violations of release.

~~1. [An application for recognizance or bail must be determined by a securing order which either:~~

~~(a) Grants the application and releases the principal on his own recognizance; or~~

~~(b) Grants the application and fixes bail; or~~

~~(c) Denies the application and commits the principal to, or retains him in, the custody of the sheriff.~~

2.] Upon ordering that a principal be released on [his] the principal's own recognizance, or released under non-monetary conditions, or, if bail has been fixed, upon the posting of bail and successful examination that the bail complies with the order the court must direct [him] the principal to appear in the criminal action or proceeding involved whenever [his] the principal's attendance may be required and to [render himself] be at all times amenable to the orders and processes of the court. If the principal is a defendant, the court shall also direct the defendant not to commit a crime while at liberty upon the court's securing order. If such principal is in the custody of the sheriff or at liberty upon bail at the time of the order, the court must direct that ~~[he]~~ the principal be discharged from such custody ~~[or, as the case may be, that his bail be exonerated].~~

~~[3. Upon the issuance of an order fixing bail, and upon the posting thereof, the court must examine the bail to determine whether it complies with the order. If it does, the court must, in the absence of some factor or circumstance which in law requires or authorizes disapproval thereof, approve the bail and must issue a certificate of release, authorizing the principal to be at liberty, and, if he is in the custody of the sheriff at the time, directing the sheriff to discharge him therefrom. If the bail fixed is not posted, or is not approved after being posted, the court must order that the principal be committed to the custody of the sheriff.]~~

2. If the principal is released under non-monetary conditions, the court shall, in the document authorizing the principal's release, notify the principal of:

(a) any of the conditions under which the principal is subject, in addition to the directions in subdivision one of this section, in a manner sufficiently clear and specific to serve as a guide for the principal's conduct; and

(b) the consequences for violation of those conditions, which could include revoking of the securing order, setting of a more restrictive securing order, or, after the hearing prescribed in article five hundred forty-five of this title, pretrial detention.

§ 8. The criminal procedure law is amended by adding a new section 510.45 to read as follows:

§ 510.45 Pretrial service agencies.

The office of court administration shall certify a pretrial services agency or agencies in each county to monitor principals released under conditions of non-monetary release.

§ 9. Section 510.50 of the criminal procedure law is amended to read as follows:

§ 510.50 Enforcement of securing order.

When the attendance of a principal confined in the custody of the sheriff is required at the criminal action or proceeding at a particular time and place, the court may compel such attendance by directing the sheriff to produce him or her at such time and place. If the principal is at liberty on [~~his~~] the principal's own recognizance or non-monetary conditions or on bail, [~~his~~] the principal's attendance may be achieved or compelled by various methods, including notification and the issuance of a bench warrant, prescribed by law in provisions governing such matters with respect to the particular kind of action or proceeding involved.

§ 10. Paragraph (b) of subdivision 2 of section 520.10 of the criminal procedure law, as amended by chapter 784 of the laws of 1972, is amended to read as follows:

(b) The court [~~may~~] shall direct that the bail be posted in any one of [~~two~~] three or more of the forms specified in subdivision one, designated in the alternative, and may designate different amounts varying with the forms[~~+~~], except that one of the forms shall be either an unsecured or partially secured surety bond, as selected by the court.

§ 11. The article heading of article 530 of the criminal procedure law is amended to read as follows:

~~[ORDERS OF RECOGNIZANCE OR BAIL WITH  
RESPECT TO DEFENDANTS IN CRIMINAL ACTIONS  
AND PROCEEDINGS--WHEN AND BY WHAT  
COURTS AUTHORIZED]~~ SECURING ORDERS WITH  
RESPECT TO DEFENDANTS IN CRIMINAL ACTIONS AND  
PROCEEDINGS - WHEN AND BY WHAT COURTS AUTHORIZED

§ 12. Section 530.10 of the criminal procedure law is amended to read as follows:

§ 530.10 Order of recognizance or bail; in general.

Under circumstances prescribed in this article, a court, upon application of a defendant charged with or convicted of an offense, is ~~[required or authorized to order bail or recognizance]~~ to issue a securing order for the release or prospective release of such defendant during the pendency of either:

1. A criminal action based upon such charge; or

2. An appeal taken by the defendant from a judgment of conviction or a sentence or from an order of an intermediate appellate court affirming or modifying a judgment of conviction or a sentence.

§ 13. Subdivision 4 of section 530.11 of the criminal procedure law, as added by chapter 186 of the laws of 1997, is amended to read as follows:

4. When a person is arrested for an alleged family offense or an alleged violation of an order of protection or temporary order of protection or arrested pursuant to a warrant issued by the supreme or family court, and the supreme or family court, as applicable, is not in session, such person shall be brought before a local criminal court in the county of arrest or in the county in which such warrant is returnable pursuant to article one hundred twenty of this chapter. Such local criminal court may issue any order authorized under subdivision eleven of section 530.12 of this article, section one hundred fifty-four-d or one hundred fifty-five of the family court act or subdivision three-b of section two hundred forty or subdivision two-a of section two hundred fifty-two of the domestic relations law, in addition to discharging other arraignment responsibilities as set forth in this chapter. In making such order, the local criminal court shall consider the ~~[bail recommendation]~~ securing order, if any, made by the supreme or family court as indicated on the warrant or certificate of warrant. Unless the petitioner or complainant requests otherwise, the court, in addition to scheduling further criminal proceedings, if any, regarding such alleged family offense or violation allegation, shall make such matter returnable in the supreme or family court, as applicable, on the next day such court is in session.

§ 14. Paragraph (a) of subdivision 8 of section 530.13 of the criminal procedure law, as added by chapter 388 of the laws of 1984, is amended to read as follows:

(a) revoke ~~[an order of recognizance or bail]~~ a securing order and commit the defendant to custody; or

§ 15. The opening paragraph of subdivision 1 of section 530.13 of the criminal procedure law, as amended by chapter 137 of the laws of 2007, is amended to read as follows:

When any criminal action is pending, and the court has not issued a temporary order of protection pursuant to section 530.12 of this article, the court, in addition to the other powers conferred upon it by this chapter, may for good cause shown issue a temporary order of protection in conjunction with any securing order ~~[committing the defendant to the custody of the sheriff or as a condition of a pre-trial release, or as a condition of release on bail or an adjournment in contemplation of dismissal]~~. In addition to any other conditions, such an order may require that the defendant:

§ 16. Subdivisions 9 and 11 of section 530.12 of the criminal procedure law, subdivision 9 as amended by section 81 of subpart B of part C of chapter 62 of the laws of 2011, subdivision 11 as amended by chapter

498 of the laws of 1993, the opening paragraph of subdivision 11 as amended by chapter 597 of the laws of 1998, paragraph (a) of subdivision 11 as amended by chapter 222 of the laws of 1994, paragraph (d) of subdivision 11 as amended by chapter 644 of the laws of 1996, are amended to read as follows:

9. If no warrant, order or temporary order of protection has been issued by the court, and an act alleged to be a family offense as defined in section 530.11 of this ~~[chapter]~~ article is the basis of the arrest, the magistrate shall permit the complainant to file a petition, information or accusatory instrument and for reasonable cause shown, shall thereupon hold such respondent or defendant, ~~[admit to, fix or accept bail,]~~ establish a securing order or parole him or her for hearing before the family court or appropriate criminal court as the complainant shall choose in accordance with the provisions of section 530.11 of this ~~[chapter]~~ article.

11. If a defendant is brought before the court for failure to obey any lawful order issued under this section, or an order of protection issued by a court of competent jurisdiction in another state, territorial or tribal jurisdiction, and if, after hearing, the court is satisfied by competent proof that the defendant has willfully failed to obey any such order, the court may:

(a) revoke ~~[an order of recognizance or revoke an order of bail or order forfeiture of such bail]~~ a securing order and commit the defendant to custody; or

(b) restore the case to the calendar when there has been an adjournment in contemplation of dismissal and commit the defendant to custody; or

(c) revoke a conditional discharge in accordance with section 410.70 of this chapter and impose probation supervision or impose a sentence of imprisonment in accordance with the penal law based on the original conviction; or

(d) revoke probation in accordance with section 410.70 of this chapter and impose a sentence of imprisonment in accordance with the penal law based on the original conviction. In addition, if the act which constitutes the violation of the order of protection or temporary order of protection is a crime or a violation the defendant may be charged with and tried for that crime or violation.

§ 17. Section 530.20 of the criminal procedure law, as amended by chapter 531 of the laws of 1975, subparagraph (ii) of paragraph (b) of subdivision 2 as amended by chapter 218 of the laws of 1979, is amended to read as follows:

§ 530.20 ~~[Order of recognizance or bail,]~~ Securing order by local criminal court when action is pending therein.

When a criminal action is pending in a local criminal court, such court, upon application of a defendant, must ~~[or may order recognizance or bail]~~ issue a securing order as follows:

1. ~~[When the defendant is charged, by information, simplified information, prosecutor's information or misdemeanor complaint, with an offense or offenses of less than felony grade only, the court must order recognizance or bail.]~~ In cases where the most serious charge facing the defendant in the case before the court or a pending case is a misdemeanor or a felony other than that enumerated in section 70.02 of the penal law or a class A felony offense defined in the penal law, release the principal pending trial on the principal's personal recognizance, unless the court finds on the record that release on recognizance will not reasonably assure the individual's court attendance. In such instances,

1 the court will release the individual under non-monetary conditions,  
2 selecting the least restrictive alternative that will reasonably assure  
3 the principal's court attendance. The court will support its choice of  
4 alternative on the record. The principal shall not be required to pay  
5 for any part of the cost of release under non-monetary conditions,  
6 except that a principal may be required to pay for all or a portion of  
7 the cost of electronic monitoring unless the principal is indigent and  
8 cannot pay all or a portion of the cost of such monitoring.

9 ~~2. [When the defendant is charged, by felony complaint, with a felony,~~  
10 ~~the court may, in its discretion, order recognizance or bail except as~~  
11 ~~otherwise provided in this subdivision.†~~

12 ~~(a) A city court, a town court or a village court may not order~~  
13 ~~recognizance or bail when (i) the defendant is charged with a class A~~  
14 ~~felony, or (ii) it appears that the defendant has two previous felony~~  
15 ~~convictions.†~~

16 ~~(b)]~~ In cases where the most serious charge facing the defendant in  
17 the case before the court or a pending case is a felony enumerated in  
18 section 70.02 of the penal law or a class A felony offense defined in  
19 the penal law, release the principal pending trial on the principal's  
20 personal recognizance, or release the principal under non-monetary  
21 conditions, or fix bail, selecting the least restrictive alternative  
22 that will reasonably assure the principal's court appearance when  
23 required. The court will support its choice of alternative on the  
24 record.

25 3. Notwithstanding the above, in cases where the people indicate that  
26 they intend to move for pretrial detention as set forth in article five  
27 hundred forty-five of this title, the court shall commit the defendant  
28 to the custody of the sheriff.

29 4. Notwithstanding the above, in cases where the defendant is facing a  
30 charge of a class A felony, or it appears that the defendant has two  
31 previous felony convictions within the meaning of subdivision one of  
32 section 70.08 or 70.10 of the penal law; the court shall commit the  
33 defendant to the custody of the sheriff for the county or superior court  
34 to make a determination about a securing order within three days.

35 5. No local criminal court may order [recognizance or bail] a securing  
36 order with respect to a defendant charged with a felony unless and  
37 until[+

38 ~~(i) The district attorney has been heard in the matter or, after~~  
39 ~~knowledge or notice of the application and reasonable opportunity to be~~  
40 ~~heard, has failed to appear at the proceeding or has otherwise waived~~  
41 ~~his right to do so; and~~

42 ~~(ii) The]~~ the court [has], and counsel for the defense, have been  
43 furnished with a report of the division of criminal justice services  
44 concerning the defendant's criminal record, if any, or with a police  
45 department report with respect to the defendant's prior arrest and  
46 conviction record, if any. If neither report is available, the court,  
47 with the consent of the district attorney, may dispense with this  
48 requirement; provided, however, that in an emergency, including but not  
49 limited to a substantial impairment in the ability of such division or  
50 police department to timely furnish such report, such consent shall not  
51 be required if, for reasons stated on the record, the court deems it  
52 unnecessary. [When the court has been furnished with any such report or  
53 record, it shall furnish a copy thereof to counsel for the defendant or,  
54 if the defendant is not represented by counsel, to the defendant.]

§ 18. The section heading, subdivision 1 and subdivision 2 of section 530.30 of the criminal procedure law, subdivision 2 as amended by chapter 762 of the laws of 1971, are amended to read as follows:

~~[Order of recognizance or bail, by superior court judge when action is pending in local criminal court]~~ Securing order by superior court judge when action is pending in local criminal court.

1. When a criminal action is pending in a local criminal court, other than one consisting of a superior court judge sitting as such, a judge of a superior court holding a term thereof in the county, upon application of a defendant, may order ~~[recognizance or bail]~~ a securing order when such local criminal court:

(a) Lacks authority to issue such an order, pursuant to ~~[paragraph (a) of]~~ subdivision ~~[two]~~ four of section 530.20; or

(b) Has denied an application for recognizance or bail; or

(c) Has fixed bail which is excessive; or

(d) Has set a securing order of release under non-monetary conditions which are more restrictive than necessary to reasonably ensure court attendance.

In such case, such superior court judge may vacate the order of such local criminal court and release the defendant on ~~[his own]~~ recognizance or under release with conditions, or fix bail in a lesser amount or in a less burdensome form, whichever is the least restrictive alternative that will reasonably assure defendant's appearance in court. The court will support its choice of alternative on the record.

2. Notwithstanding the provisions of subdivision one, when the defendant is charged with a felony in a local criminal court, a superior court judge may not order recognizance or bail unless and until the district attorney has had an opportunity to be heard in the matter and such judge has been furnished with a report as described in ~~[subparagraph (ii) of paragraph (b) of]~~ subdivision ~~[two]~~ five of section 530.20.

§ 19. Section 530.40 of the criminal procedure law, subdivision 3 as amended by chapter 264 of the laws of 2003, and subdivision 4 as amended by chapter 762 of the laws of 1971, is amended to read as follows:

§ 530.40 ~~[Order of recognizance or bail,]~~ Securing order by superior court when action is pending therein.

When a criminal action is pending in a superior court, such court, upon application of a defendant, must or may order recognizance or bail as follows:

1. ~~[When the defendant is charged with an offense or offenses of less than felony grade only, the court must order recognizance or bail.]~~

~~2. When the defendant is charged with a felony, the court may, in its discretion, order recognizance or bail. In any such case in which an indictment (a) has resulted from an order of a local criminal court holding the defendant for the action of the grand jury, or (b) was filed at a time when a felony complaint charging the same conduct was pending in a local criminal court, and in which such local criminal court or a superior court judge has issued an order of recognizance or bail which is still effective, the superior court's order may be in the form of a direction continuing the effectiveness of the previous order.]~~ In cases where the most serious charge facing the defendant in the case before the court or a pending case is a misdemeanor or a felony other than that enumerated in section 70.02 of the penal law or a class A felony offense defined in the penal law, release the principal pending trial on the principal's personal recognizance, unless the court finds on the record that release on recognizance will not reasonably assure the individual's

1 court attendance. In such instances, the court will release the individ-  
2 ual under non-monetary conditions, selecting the least restrictive  
3 alternative that will reasonably assure the principal's court attend-  
4 ance. The court will support its choice of alternative on the record.  
5 The principal shall not be required to pay for any part of the cost of  
6 release under non-monetary conditions, except that a principal may be  
7 required to pay for all or a portion of the cost of electronic monitor-  
8 ing unless the principal is indigent and cannot pay all or a portion of  
9 the cost of such monitoring.

10 2. In cases where the most serious charge facing the defendant in the  
11 case before the court or a pending case is a felony enumerated in  
12 section 70.02 of the penal law or a class A felony offense defined in  
13 the penal law, release the principal pending trial on the principal's  
14 personal recognizance, or release the principal under non-monetary  
15 conditions, or fix bail, selecting the least restrictive alternative  
16 that will reasonably assure the principal's court appearance when  
17 required. The court will support its choice of alternative on the  
18 record.

19 3. Notwithstanding the above, in cases where the people indicate that  
20 they intend to move for pretrial detention as set out in article five  
21 hundred forty-five of this title, the court shall commit the defendant  
22 to the custody of the sheriff.

23 4. Notwithstanding the provisions of [subdivision] subdivisions one  
24 and two, a superior court may not [order recognizance or bail] issue a  
25 securing order, or permit a defendant to remain at liberty pursuant to  
26 an existing order, after [he] the defendant has been convicted of  
27 either: (a) a class A felony or (b) any class B or class C felony  
28 defined in article one hundred thirty of the penal law committed or  
29 attempted to be committed by a person eighteen years of age or older  
30 against a person less than eighteen years of age. In either case the  
31 court must commit or remand the defendant to the custody of the sheriff.

32 [4.] 5. Notwithstanding the provisions of [subdivision] subdivisions  
33 one and two, a superior court may not [order recognizance or bail] issue  
34 a securing order when the defendant is charged with a felony unless and  
35 until the district attorney has had an opportunity to be heard in the  
36 matter and such court [has] and counsel for the defense have been  
37 furnished with a report as described in subparagraph (ii) of paragraph  
38 (b) of subdivision two of section 530.20 of this article.

39 § 20. Subdivision 1 of section 530.45 of the criminal procedure law,  
40 as amended by chapter 264 of the laws of 2003, is amended to read as  
41 follows:

42 1. When the defendant is at liberty in the course of a criminal action  
43 as a result of a prior [~~order of recognizance or bail~~] securing order  
44 and the court revokes such order and then [~~either fixes no bail or fixes~~  
45 ~~bail in a greater amount or in a more burdensome form than was previous-~~  
46 ~~ly fixed and remands or commits defendant to the custody of the sheriff,~~  
47 ~~a judge designated in subdivision two, upon application of the defendant~~  
48 ~~following conviction of an offense other than a class A felony or a~~  
49 ~~class B or class C felony offense defined in article one hundred thirty~~  
50 ~~of the penal law committed or attempted to be committed by a person~~  
51 ~~eighteen years of age or older against a person less than eighteen years~~  
52 ~~of age, and before sentencing, may issue a securing order and either~~  
53 ~~release defendant on his own recognizance, or fix bail, or fix bail in a~~  
54 ~~lesser amount or] issues a more restrictive securing order in a less~~  
55 [~~burdensome~~] restrictive form than fixed by the court in which the  
56 conviction was entered.

§ 21. Section 530.60 of the criminal procedure law, subdivision 1 as amended by chapter 565 of the laws of 2011, subdivision 2 as added by chapter 788 of the laws of 1981 and paragraph (a) of subdivision 2 as amended by chapter 794 of the laws of 1986, is amended to read as follows:

§ 530.60 [~~Order of recognizance or bail, revocation thereof~~] Securing order; modification thereof upon court's own action.

[~~1.~~] Whenever in the course of a criminal action or proceeding a defendant is at liberty as a result of [~~an order of recognizance or bail~~] a securing order issued pursuant to this chapter, and the court considers it necessary to review such order, it may, and by a bench warrant if necessary, require the defendant to appear before the court. Upon such appearance, the court, for good cause shown, may revoke [~~the order of recognizance or bail. If the defendant is entitled to recognizance or bail as a matter of right, the court must issue another such order. If he or she is not, the court may either issue such an order or commit the defendant to the custody of the sheriff. Where the defendant is committed to the custody of the sheriff and is held on a felony complaint, a new period as provided in section 180.80 of this chapter shall commence to run from the time of the defendant's commitment under this subdivision~~] and modify the securing order, selecting the least restrictive alternative that will reasonably assure court appearance. If the most serious charge facing the defendant in the case before the court or a pending case is a misdemeanor or felony other than that enumerated in section 70.02 of the penal law or a class A felony defined in the penal law, the court must release the defendant on personal recognizance or set release with non-monetary conditions. Notwithstanding the foregoing, the people may move at any time for consideration of pretrial detention under article five hundred forty-five of this title if the defendant's alleged actions render the defendant eligible under for a hearing under that section.

[~~2. (a) Whenever in the course of a criminal action or proceeding a defendant charged with the commission of a felony is at liberty as a result of an order of recognizance or bail issued pursuant to this article it shall be grounds for revoking such order that the court finds reasonable cause to believe the defendant committed one or more specified class A or violent felony offenses or intimidated a victim or witness in violation of sections 215.15, 215.16 or 215.17 of the penal law while at liberty. Before revoking an order of recognizance or bail pursuant to this subdivision, the court must hold a hearing and shall receive any relevant, admissible evidence not legally privileged. The defendant may cross-examine witnesses and may present relevant, admissible evidence on his own behalf. Such hearing may be consolidated with, and conducted at the same time as, a felony hearing conducted pursuant to article one hundred eighty of this chapter. A transcript of testimony taken before the grand jury upon presentation of the subsequent offense shall be admissible as evidence during the hearing. The district attorney may move to introduce grand jury testimony of a witness in lieu of that witness' appearance at the hearing.~~

[~~(b) Revocation of an order of recognizance or bail and commitment pursuant to this subdivision shall be for the following periods, either:~~

[~~(i) For a period not to exceed ninety days exclusive of any periods of adjournment requested by the defendant; or~~

[~~(ii) Until the charges contained within the accusatory instrument have been reduced or dismissed such that no count remains which charges the defendant with commission of a felony; or~~

~~(iii) Until reduction or dismissal of the charges contained within the accusatory instrument charging the subsequent offense such that no count remains which charges the defendant with commission of a class A or violent felony offense.~~

~~Upon expiration of any of the three periods specified within this paragraph, whichever is shortest, the court may grant or deny release upon an order of bail or recognizance in accordance with the provisions of this article. Upon conviction to an offense the provisions of article five hundred thirty of this chapter shall apply.~~

~~(c) Notwithstanding the provisions of paragraph (a) of this subdivision a defendant, against whom a felony complaint has been filed which charges the defendant with commission of a class A or violent felony offense committed while he was at liberty as specified therein, may be committed to the custody of the sheriff pending a revocation hearing for a period not to exceed seventy two hours. An additional period not to exceed seventy two hours may be granted by the court upon application of the district attorney upon a showing of good cause or where the failure to commence the hearing was due to the defendant's request or occurred with his consent. Such good cause must consist of some compelling fact or circumstance which precluded conducting the hearing within the initial prescribed period.]~~

§ 22. The criminal procedure law is amended by adding a new section 530.65 to read as follows:

§ 530.65 Violation of a condition of release, remedies available.

When a principal is released under non-monetary conditions, the court, upon motion by the people, may revoke and modify the securing order due to violations of those release conditions. In determining whether to revoke and modify the securing order, the court must consider the nature, the willfulness, and the seriousness of the violation and may only set a more restrictive condition or conditions or release if it finds that such conditions are necessary to reasonably assure the defendant's appearance in court. Notwithstanding the foregoing, the people may move at any time for consideration of pretrial detention under article five hundred forty-five of this title if the defendant's alleged actions render the defendant eligible under for a hearing under that section.

§ 23. Title P of part 3 of the criminal procedure law is amended by adding a new article 545 to read as follows:

ARTICLE 545--PRETRIAL DETENTION

Section 545.10 Pretrial detention; when ordered.

545.20 Eligibility for a pretrial detention hearing.

545.30 Pretrial detention hearing.

545.40 Order for pretrial detention.

545.50 Reopening of pretrial hearing.

545.60 Length of detention for defendant held under a pretrial detention order.

§ 545.10 Pretrial detention; when ordered.

A county or superior court may order, before trial, the detention of a defendant if the people seek detention of the defendant under section 545.20 of this article, and, after a hearing pursuant to section 545.30 of this article, the court finds clear and convincing evidence that the defendant poses a high risk of flight before trial, or that defendant poses a current threat to the physical safety of a reasonably identifiable person or persons, and that no conditions or combination of conditions in the community will suffice to contain the aforesaid risk or threat.

1 § 545.20 Eligibility for a pretrial detention hearing.

2 1. The people may make a motion with the court at any time seeking the  
3 pretrial detention of a defendant:

4 (a) charged with offenses involving domestic violence, or crimes  
5 involving serious violence or a class A felony defined in the penal law;

6 (b) charged with offenses involving witness intimidation under section  
7 215.15, 215.16 or 215.17 of the penal law;

8 (c) charged with committing a new crime while in the community on  
9 recognizance, or non-monetary-conditions, or bail; or

10 (d) who willfully failed to appear in court.

11 2. Upon such motion by the people, the defendant shall be committed to  
12 the custody of the sheriff. If the person is at liberty, a warrant shall  
13 issue and the defendant brought into custody of the sheriff.

14 § 545.30 Pretrial detention hearing.

15 1. A hearing shall be held within five working days from the people's  
16 motion. At the hearing, the defendant shall have the right to be  
17 represented by counsel, and, if financially unable to obtain counsel, to  
18 have counsel assigned. The defendant shall be afforded an opportunity to  
19 testify, to present witnesses, to cross-examine witnesses who appear at  
20 the hearing, and to present information by proffer or otherwise. The  
21 rules concerning the admissibility of evidence in criminal trials do not  
22 apply to the presentation and consideration of information during the  
23 hearing.

24 2. Discovery shall be afforded in accordance with pretrial hearings,  
25 as set out in criminal procedure law section 240.44.

26 3. In hearings in cases for which there is no indictment, the people  
27 shall establish probable cause that the eligible defendant committed the  
28 charged offense. The people must establish by clear and convincing  
29 evidence that defendant poses a high risk of flight or a current threat  
30 of physical danger to a reasonably identifiable person or persons and  
31 that no conditions or combination of conditions in the community will  
32 suffice to contain the aforesaid risk or threat. There shall be a  
33 rebuttable presumption, which the defendant may overcome by a preponder-  
34 ance of the evidence, that no conditions or combination of conditions in  
35 the community will suffice to contain a current threat to the physical  
36 safety of a reasonably identifiable person or persons if the court finds  
37 probable cause that the defendant:

38 (a) committed a crime for which the defendant would be subject to a  
39 term of life imprisonment;

40 (b) committed a crime involving domestic violence or a crime involving  
41 serious violence or a class A felony offense defined in the penal law  
42 while the defendant was in the community on recognizance, or non-mone-  
43 tary conditions, or bail while charged with a crime enumerated in  
44 section 70.02 of the penal law or a class A felony offense;

45 (c) threatened, injured, intimidated, or attempted to threaten, injure  
46 or intimidate a prospective witness or juror in an criminal investi-  
47 gation or judicial proceeding; or

48 (d) committed a crime involving domestic violence or a crime involving  
49 serious violence or a class A felony offense defined in the penal law  
50 while armed with a firearm.

51 4. In determining whether the defendant presents a high risk of flight  
52 or a current threat of physical danger to a reasonably identifiable  
53 person or persons and whether no conditions or combinations of condi-  
54 tions in the community will suffice to contain such risk or threat, the  
55 court may take into account the following information:

56 (a) the nature and circumstances of the charged offense;

1 (b) the weight of the evidence against the defendant, except that the  
2 court may consider the admissibility of any evidence sought to be  
3 excluded;

4 (c) the defendant's current and prior history of failure to appear in  
5 court whether such failures to appear were willful;

6 (d) the nature and the credibility of the threat to the physical  
7 danger of a reasonably identifiable person or persons, if applicable;  
8 and

9 (e) whether, at the time of the current offense or arrest, the defend-  
10 ant was on probation, parole, or on release pending trial, sentencing or  
11 completion of a sentence in this state or other jurisdictions.

12 § 545.40 Order for pretrial detention.

13 In a pretrial detention order issued pursuant to section 545.10 of  
14 this article, the court shall:

15 1. include written findings of fact and a written statement of the  
16 reasons for the detention; and

17 2. direct that the eligible defendant be afforded reasonable opportu-  
18 nity for private consultation with counsel.

19 § 545.50 Reopening of pretrial hearing.

20 A pretrial detention hearing may be opened, before or after issuance  
21 of a pretrial detention order by the court, by motion of the people or  
22 the defendant, at any time before trial, if the court finds either a  
23 change of circumstances or that information exists that was not known to  
24 the people or to the defendant at the time of the hearing, that has a  
25 material bearing on the issue of whether defendant presents a high risk  
26 of failure to appear or a current threat to the physical safety of a  
27 reasonably identifiable person or persons and whether no conditions or  
28 combination of conditions will suffice to contain such risk or threat.

29 § 545.60 Length of detention for defendant held under a pretrial  
30 detention order.

31 1. If a pretrial detention order is issued, a defendant shall not  
32 remain detained in jail for more than one hundred eighty days after the  
33 return of the indictment, if applicable, until the start of trial. In  
34 cases where no indictment is required, the one hundred eighty days shall  
35 run from the pretrial detention order.

36 2. (a) The time within which the trial of the case commences may be  
37 extended for one or more additional periods not to exceed twenty days  
38 each on the basis of a motion submitted by the people and approved by  
39 the court. The additional period or periods of detention may be granted  
40 only on the basis of good cause shown, and shall be granted only for the  
41 additional time required to prepare for the trial of the person. Good  
42 cause may include, but not be limited to, the unavailability of an  
43 essential witness, the necessity for forensic analysis of evidence, the  
44 ability to conduct a joint trial with a co-defendant or co-defendants,  
45 severance of co-defendants which permits only one trial to commence  
46 within the time period, complex or major investigations, scheduling  
47 conflicts which arise shortly before the trial date, the inability to  
48 proceed to trial because of action taken by or at the behest of the  
49 defendant, the breakdown of a plea agreement on or immediately before  
50 the trial date, and allowing reasonable time to prepare for a trial  
51 after the circumstances giving rise to a tolling or extension of the one  
52 hundred eighty day period no longer exists.

53 (b) In computing the one hundred eighty days from indictment, if  
54 applicable, or the date of pretrial order, to commencement of trial, the  
55 following periods shall be excluded:

1 (i) any period from the filing of the notice of appeal to the issuance  
2 of the mandate in an interlocutory appeal;

3 (ii) any period attributable to any examination to determine the  
4 defendant's sanity or lack thereof or his or her mental or physical  
5 competency to stand trial;

6 (iii) any period attributable to the inability of the defendant to  
7 participate in the defendant's defense because of mental incompetency or  
8 physical incapacity; and

9 (iv) any period in which the defendant is otherwise unavailable for  
10 trial.

11 3. If a trial has not commenced within one hundred eighty days from  
12 indictment, if applicable, or pretrial detention order, as calculated  
13 above, and the defendant remains in custody, the defendant shall be  
14 released on recognizance or under non-monetary conditions of release  
15 pending trial on the underlying charge, unless:

16 (a) the trial is in progress,

17 (b) the trial has been delayed by the timely filing of motions,  
18 excluding motions for continuances;

19 (c) the trial has been delayed at the request of the defendant; or

20 (d) upon motion of the people, the court finds that a substantial and  
21 unjustifiable risk to the physical safety of a reasonably identifiable  
22 person would result from the defendant's release from custody, and that  
23 no appropriate conditions for the defendant's release would reasonably  
24 address that risk, and also finds that the failure to commence trial in  
25 accordance with the time requirements set forth in this section was not  
26 due to unreasonable delay by the people. If the court makes such a find-  
27 ing, the court may set an additional period of time in which the defend-  
28 ant's trial must commence.

29 § 24. Subsection (b) of section 6805 of the insurance law, as added by  
30 chapter 181 of the laws of 2012, is amended to read as follows:

31 (b) A charitable bail organization shall:

32 (1) only deposit money as bail in the amount of [~~two~~] five thousand  
33 dollars or less for a defendant charged with one or more [~~misdemeanors~~]  
34 offenses as defined in subdivision one of section 10.00 of the penal  
35 law, provided, however, that such organization shall not execute as  
36 surety any bond for any defendant;

37 (2) only deposit money as bail on behalf of a person who is financial-  
38 ly unable to post bail, which may constitute a portion or the whole  
39 amount of such bail; and

40 [~~only deposit money as bail in one county in this state. Provided,~~  
41 ~~however, that a charitable bail organization whose principal place of~~  
42 ~~business is located within a city of a million or more may deposit money~~  
43 ~~as bail in the five counties comprising such city; and~~

44 ~~(4)]~~ not charge a premium or receive compensation for acting as a  
45 charitable bail organization.

46 § 25. Paragraph (a) of subdivision 9 of section 216.05 of the criminal  
47 procedure law, as amended by chapter 258 of the laws of 2015, is amended  
48 to read as follows:

49 (a) If at any time during the defendant's participation in the judi-  
50 cial diversion program, the court has reasonable grounds to believe that  
51 the defendant has violated a release condition or has failed to appear  
52 before the court as requested, the court shall direct the defendant to  
53 appear or issue a bench warrant to a police officer or an appropriate  
54 peace officer directing him or her to take the defendant into custody  
55 and bring the defendant before the court without unnecessary delay;  
56 provided, however, that under no circumstances shall a defendant who

1 requires treatment for opioid abuse or dependence be deemed to have  
2 violated a release condition on the basis of his or her participation in  
3 medically prescribed drug treatments under the care of a health care  
4 professional licensed or certified under title eight of the education  
5 law, acting within his or her lawful scope of practice. The provisions  
6 of [~~subdivision one of~~] section 530.60 of this chapter relating to  
7 [~~revocation of recognizance or bail~~] issuance of securing orders shall  
8 apply to such proceedings under this subdivision.

9 § 26. Subdivision 3 of section 620.50 of the criminal procedure law is  
10 amended to read as follows:

11 3. A material witness order must be executed as follows:

12 (a) If the bail is posted and approved by the court, the witness  
13 must[, ~~as provided in subdivision three of section 510.40,~~] be released  
14 and be permitted to remain at liberty; provided that, where the bail is  
15 posted by a person other than the witness himself, he may not be so  
16 released except upon his signed written consent thereto;

17 (b) If the bail is not posted, or if though posted it is not approved  
18 by the court, the witness must[, ~~as provided in subdivision three of~~  
19 ~~section 510.40,~~] be committed to the custody of the sheriff.

20 § 27. This act shall take effect November 1, 2019.

21 PART D

23 chapter 412 of the laws of 1979, is amended to read as follows:

§ 240.30 Discovery; ~~upon demand of~~ automatic disclosure to the prosecutor.

1. 6 (c) All statements, written or recorded or summarized in any writing  
7 or recording, made by all persons other than the defendant whom the  
8 defendant intends to call as witnesses at trial or a pre-trial hearing;  
9 except that disclosure of such statements made by a person whom the  
10 defendant intends to call as a witness for the sole purpose of impeach-  
11 ing a prosecution witness is not required until after the prosecution  
12 witness has testified;

13 (d) A summary of all promises, rewards and inducements made to persons  
14 whom the defendant intends to call as witnesses at trial or a pre-trial  
15 hearing, as well as requests for consideration by such persons, and  
16 copies of all documents relevant to a promise, reward or inducement;

17 (e) All tangible property, including but not limited to tapes or other  
18 electronic recordings and photographs and drawings, that the defendant  
19 intends to introduce in the defendant's case-in-chief at trial or a  
20 pre-trial hearing. If in the exercise of reasonable diligence counsel  
21 for the defendant has not formed an intention within the time period  
22 specified in this section that an item under this subdivision will be  
23 introduced at trial or a pre-trial hearing, that period shall be stayed  
24 without need for a motion; but the disclosure shall be made as soon as  
25 practicable and subject to the continuing duty to disclose;

27 tions, or scientific tests or experiments or comparisons, which the

35 prepared, a written statement of the facts and opinions to which the  
36 expert is expected to testify and a summary of the grounds for each  
37 opinion. This paragraph does not alter or in any way affect the proce-  
38 dures, obligations or rights set forth in section 250.10 of this title.  
39 If in the exercise of reasonable diligence this information is unavail-  
40 able for disclosure within the time period specified in this subdivi-  
41 sion, that period shall be stayed without need for a motion; except that  
42 the disclosure shall be made as soon as practicable and not later than  
43 thirty calendar days before a scheduled trial date, unless an order is  
44 obtained.

45 2. The defense shall make a diligent good faith effort to make such  
46 property available for discovery where it exists but the property is not  
47 within its possession, custody or control, provided, that the defendant  
48 shall not be required to obtain by subpoena duces tecum demanded materi-  
49 al that the prosecutor may thereby obtain.

50 § 5. Section 240.35 of the criminal procedure law, as added by chapter  
51 412 of the laws of 1979, is amended to read as follows:

52 § 240.35 Discovery; refusal ~~[of demand]~~ to disclose.

53 Notwithstanding the provisions of sections 240.20, 240.21, and 240.30  
54 of this article, the prosecutor or the defendant, as the case may be,  
55 may refuse to disclose any information which ~~[he]~~ that party reasonably  
56 believes is not discoverable ~~[by a demand to produce]~~, pursuant to

1 ~~[section 240.20 or section 240.30 as the case may be,]~~ this article or  
2 for which ~~[he]~~ the party reasonably believes a protective order or a  
3 right to redaction would be warranted. Such refusal shall be made in a  
4 writing, which shall set forth the grounds of such belief as fully as  
5 possible, consistent with the objective of the refusal. The writing  
6 shall be served upon the ~~[demanding]~~ other party and a copy shall be  
7 filed with the court. Such refusal shall be made within the time by  
8 which disclosure is required, but may be made after that time, as the  
9 court may determine is required in the interest of justice.

10 § 6. Section 240.40 of the criminal procedure law, as added by chapter  
11 412 of the laws of 1979, subdivision 1 as amended by chapter 19 of the  
12 laws of 2012, the opening paragraph of subdivision 2 as amended by chap-  
13 ter 317 of the laws of 1983, and the closing paragraph of subdivision 2  
14 as amended by chapter 481 of the laws of 1983, is amended to read as  
15 follows:

16 § 240.40 Discovery; upon court order.

17 1. Upon ~~[motion]~~ application of a defendant against whom an indict-  
18 ment, superior court information, prosecutor's information, information,  
19 or simplified information charging a misdemeanor is pending, the court  
20 in which such accusatory instrument is pending:

21 (a) must order discovery as to any material not disclosed ~~[upon a~~  
22 ~~demand]~~ pursuant to section 240.20, if it finds that the prosecutor's  
23 refusal to disclose such material is not justified; (b) must, unless it  
24 is satisfied that the ~~[people have]~~ prosecutor has shown good cause why  
25 such an order should not be issued, order discovery or issue any other  
26 order authorized by subdivision one of section 240.70 as to any material  
27 not disclosed ~~[upon demand]~~ pursuant to section 240.20 where the prose-  
28 cutor has failed to serve a timely written refusal pursuant to section  
29 240.35; (c) may order discovery with respect to any other property,  
30 which the people intend to introduce at the trial, upon a showing by the  
31 defendant that discovery with respect to such property is material to  
32 the preparation of his or her defense, and that the request is reason-  
33 able; and (d) where property in the people's possession, custody, or  
34 control that consists of a deoxyribonucleic acid ("DNA") profile  
35 obtained from probative biological material gathered in connection with  
36 the investigation or prosecution of the defendant and the defendant  
37 establishes that such profile complies with federal bureau of investi-  
38 gation or state requirements, whichever are applicable and as such  
39 requirements are applied to law enforcement agencies seeking a keyboard  
40 search or similar comparison, and that the data meets state DNA index  
41 system or national DNA index system criteria as such criteria are  
42 applied to law enforcement agencies seeking such a keyboard search or  
43 similar comparison, the court may order an entity that has access to the  
44 combined DNA index system or its successor system to compare such DNA  
45 profile against DNA databanks by keyboard searches, or a similar method  
46 that does not involve uploading, upon notice to both parties and the  
47 entity required to perform the search, upon a showing by the defendant  
48 that such a comparison is material to the presentation of his or her  
49 defense and that the request is reasonable. For purposes of this para-  
50 graph, a "keyboard search" shall mean a search of a DNA profile against  
51 the databank in which the profile that is searched is not uploaded to or  
52 maintained in the databank. Upon granting the motion pursuant to para-  
53 graph (c) of this subdivision, the court shall, upon motion of the  
54 people showing such to be material to the preparation of their case and  
55 that the request is reasonable, condition its order of discovery by  
56 further directing discovery by the people of property, of the same kind

1 or character as that authorized to be inspected by the defendant, which  
2 he or she intends to introduce at the trial. The prosecutor may redact  
3 any such property and the court may review that redaction, as set forth  
4 in this article.

5 2. Upon motion of the prosecutor, and subject to constitutional limi-  
6 tation, the court in which an indictment, superior court information,  
7 prosecutor's information, information, or simplified information charg-  
8 ing a misdemeanor is pending: (a) must order discovery as to any proper-  
9 ty not disclosed [~~upon a demand~~] pursuant to section 240.30, if it finds  
10 that the defendant's refusal to disclose such material is not justified;  
11 and (b) may order the defendant to provide non-testimonial evidence.  
12 Such order may, among other things, require the defendant to:

- 13 (i) Appear in a line-up;
- 14 (ii) Speak for identification by a witness or a potential witness;
- 15 (iii) Be fingerprinted;
- 16 (iv) Pose for photographs not involving reenactment of an event;
- 17 (v) Permit the taking of samples of blood, hair or other materials  
18 from his or her body in a manner not involving an unreasonable intrusion  
19 thereof or a risk of serious physical injury thereto;
- 20 (vi) Provide specimens of his or her handwriting;
- 21 (vii) Submit to a reasonable physical or medical inspection of his or  
22 her body.

23 This subdivision shall not be construed to limit, expand, or otherwise  
24 affect the issuance of a similar court order, as may be authorized by  
25 law, before the filing of an accusatory instrument consistent with such  
26 rights as the defendant may derive from the constitution of this state  
27 or of the United States. This section shall not be construed to limit or  
28 otherwise affect the [~~adminstration~~] administration of a chemical test  
29 where otherwise authorized pursuant to section one thousand one hundred  
30 ninety-four-a of the vehicle and traffic law.

31 3. An order pursuant to this section may be denied, limited or condi-  
32 tioned as provided in section 240.50 of this article.

33 § 7. Section 240.43 of the criminal procedure law, as added by chapter  
34 222 of the laws of 1987, is amended to read as follows:

35 § 240.43 Discovery; disclosure of prior uncharged criminal, vicious or  
36 immoral acts.

37 Upon a request by a defendant, the prosecutor shall notify the defend-  
38 ant of all specific instances of a defendant's prior uncharged criminal,  
39 vicious or immoral conduct of which the prosecutor has knowledge and  
40 which the prosecutor intends to use at trial for purposes of impeaching  
41 the credibility of the defendant. Such notification by the prosecutor  
42 shall be made [~~immediately prior to the commencement of jury selection,~~  
43 ~~except that the court may, in its discretion, order such notification~~  
44 ~~and make its determination as to the admissibility for impeachment~~  
45 ~~purposes of such conduct within a period of three days, excluding Satur-~~  
46 ~~days, Sundays and holidays,~~] fifteen days prior to the commencement of  
47 jury selection.

48 § 8. The opening paragraph of section 240.44 of the criminal procedure  
49 law, as added by chapter 558 of the laws of 1982, is amended to read as  
50 follows:

51 Subject to a protective order or the right to redaction, at a pre-  
52 trial hearing held in a criminal court at which a witness is called to  
53 testify, each party, at the conclusion of the direct examination of each  
54 of its witnesses, shall, upon request of the other party, make available  
55 to that party to the extent not previously disclosed:

§ 9. Section 240.45 of the criminal procedure law, as amended by chapter 558 of the laws 1982, paragraph (a) of subdivision 1 as amended by chapter 804 of the laws 1984, is amended to read as follows:

§ 240.45 Discovery; upon trial, of prior statements and criminal history of witnesses.

1. ~~[After the jury has been sworn and before the prosecutor's opening address, or in the case of a single judge trial after commencement and before submission of evidence, the]~~ The prosecutor shall, subject to a protective order or right to redaction, make available to the defendant fifteen days prior to the commencement of jury selection:

(a) Any written or recorded statement, including any testimony before a grand jury and an examination videotaped pursuant to section 190.32 of this chapter, made by a person whom the prosecutor intends to call as a witness at trial, and which relates to the subject matter of the witness's testimony;

(b) A record of judgment of conviction of a witness the people intend to call at trial if the record of conviction is known by the prosecutor to exist;

(c) The existence of any pending criminal action against a witness the people intend to call at trial, if the pending criminal action is known by the prosecutor to exist.

The provisions of paragraphs (b) and (c) of this subdivision shall not be construed to require the prosecutor to fingerprint a witness or otherwise cause the division of criminal justice services or other law enforcement agency or court to issue a report concerning a witness.

2. ~~[After presentation of the people's direct case and before the presentation of the defendant's direct case, the]~~ The defendant shall, subject to a protective order or right to redaction, make available to the prosecutor within fifteen days prior to the commencement of jury selection:

(a) any written or recorded statement made by a person other than the defendant whom the defendant intends to call as a witness at the trial, and which relates to the subject matter of the witness's testimony;

(b) a record of judgment of conviction of a witness, other than the defendant, the defendant intends to call at trial if the record of conviction is known by the defendant to exist;

(c) the existence of any pending criminal action against a witness, other than the defendant, the defendant intends to call at trial, if the pending criminal action is known by the defendant to exist.

§ 10. Section 240.50 of the criminal procedure law, as added by chapter 412 of the laws of 1979, subdivision 4 as amended by chapter 348 of the laws of 1985, is amended to read as follows:

§ 240.50 Discovery; protective orders.

1. The court in which the criminal action is pending may, upon motion of either party, or of any affected person, or upon determination of a motion of either party for an order of discovery, or upon its own initiative, issue a protective order denying, limiting, conditioning, delaying or regulating discovery pursuant to this article for good cause, including constitutional limitations, danger to the integrity of physical evidence or a substantial risk of physical harm, intimidation, economic reprisal, bribery or unjustified annoyance or embarrassment to any person or an adverse effect upon the legitimate needs of law enforcement, including the protection of the confidentiality of informants, or danger to any person stemming from factors such as a defendant's gang affiliation, prior history of interfering with witnesses, or threats or intimidating actions directed at potential witnesses, or any

1 other factor or set of factors which outweighs the usefulness of the  
2 discovery.

3 2. An order limiting, conditioning, delaying or regulating discovery  
4 may, among other things, require that any material copied or derived  
5 therefrom be maintained in the exclusive possession of the attorney for  
6 the discovering party and be used for the exclusive purpose of preparing  
7 for the defense or prosecution of the criminal action.

8 3. A motion for a protective order shall suspend discovery of the  
9 particular matter in dispute.

10 4. Notwithstanding any other provision of this article, the personal  
11 residence address of a police officer or correction officer shall not be  
12 required to be disclosed except pursuant to an order issued by a court  
13 following a finding of good cause.

14 5. (a) A party that has unsuccessfully sought, or unsuccessfully  
15 opposed the granting of, a protective order under this section relating  
16 to the name, address, contact information or statements of a person may  
17 obtain expedited review of that ruling by an individual justice of the  
18 intermediate appellate court to which an appeal from a judgment of  
19 conviction in the case would be taken.

20 (b) Such review shall be sought within two business days of the  
21 adverse or partially adverse ruling, by order to show cause filed with  
22 the intermediate appellate court. The order to show cause shall in addi-  
23 tion be timely served on the lower court and on the opposing party, and  
24 shall be accompanied by a sworn affirmation stating in good faith (i)  
25 that the ruling affects substantial interests, and (ii) that diligent  
26 efforts to reach an accommodation of the underlying discovery dispute  
27 with opposing counsel failed or that no accommodation was feasible;  
28 except that service on the opposing party, and a statement regarding  
29 efforts to reach an accommodation, are unnecessary where the opposing  
30 party was not made aware of the application for a protective order and  
31 good cause exists for omitting service of the order to show cause on the  
32 opposing party. The lower court's order subject to review shall be  
33 stayed until the appellate justice renders a decision.

34 (c) The assignment of the individual appellate justice, and the mode  
35 of and procedure for the review, are determined by rules of the individ-  
36 ual appellate courts. The appellate justice may consider any relevant  
37 and reliable information bearing on the issue, and may dispense with  
38 written briefs other than supporting and opposing materials previously  
39 submitted to the lower court. The appellate justice may dispense with  
40 the issuance of a written opinion in rendering his or her decision, and  
41 when practicable shall render decision expeditiously. Such review and  
42 decision shall not affect the right of a defendant, in a subsequent  
43 appeal from a judgment of conviction, to claim as error the ruling  
44 reviewed.

45 6. Any protective order issued under this article is a mandate of the  
46 court for purposes of the offense of criminal contempt in subdivision  
47 three of section 215.50 of the penal law.

48 § 11. The criminal procedure law is amended by adding a new section  
49 240.51 to read as follows:

50 § 240.51 Discovery; right to redaction.

51 1. Any property, material, report or statement required to be  
52 disclosed under this article may be redacted by the prosecutor to elimi-  
53 nate information, the disclosure of which could interfere with an ongo-  
54 ing investigation or case.

55 (a) Upon application of the defendant, such redaction may be reviewed  
56 by the court and disclosure may be ordered, unless the prosecutor demon-

1 strates that disclosure of the redacted information could interfere with  
2 an ongoing investigation or case or demonstrates the need for any other  
3 protective order. Upon application by either party, the court may review  
4 any such redaction in an ex parte, in camera, proceeding. In assessing  
5 whether the prosecutor demonstrates that disclosure of the redacted  
6 information could interfere with an ongoing investigation or case, the  
7 court may consider:

- 8 (i) The pending charges against defendant;
- 9 (ii) Defendant's character, reputation;
- 10 (iii) Defendant's criminal record, if any;
- 11 (iv) Defendant's record of previous adjudication as a juvenile delin-  
12 quent, as retained pursuant to section 354.2 of the family court act,  
13 or, of pending cases where fingerprints are retained pursuant to section  
14 306.1 of such act, or a youthful offender, if any;
- 15 (v) Where the defendant is charged with a crime or crimes against a  
16 member or members of the same family or household as that term is  
17 defined in subdivision one of section 530.11 of this chapter, the  
18 following factors:
  - 19 (A) any violation by the defendant of an order of protection of a  
20 member or members of the same family or household as that term is

(a) In a forfeiture action ~~[commenced by a claiming authority against a criminal defendant, except for those facts referred to in paragraph (b) of subdivision nine of section one thousand three hundred ten and paragraph (b) of subdivision one of this section which must be proven by clear and convincing evidence,~~] the burden shall be upon the claiming authority to prove by a preponderance of the evidence the facts necessary to establish a claim for forfeiture.

(b) ~~[In a forfeiture action commenced by a claiming authority against a non-criminal defendant,~~

~~(i) in an action relating to a pre conviction forfeiture crime, the burden shall be upon the claiming authority to prove by clear and convincing evidence the commission of the crime by a person, provided, however, that it shall not be necessary to prove the identity of such person,~~

~~(ii) if the action relates to the proceeds of a crime, except as provided in subparagraph (i) hereof, the burden shall be upon the claiming authority to prove by a preponderance of the evidence the facts necessary to establish a claim for forfeiture and that the non-criminal defendant either (A) knew or should have known that the proceeds were obtained through the commission of a crime, or (B) fraudulently obtained his or her interest in the proceeds to avoid forfeiture,~~

~~(iii) if the action relates to the substituted proceeds of a crime, except as provided in subparagraph (i) hereof, the burden shall be upon the claiming authority to prove by a preponderance of the evidence the facts necessary to establish a claim for forfeiture and that the non-criminal defendant either (A) knew that the property sold or exchanged to obtain an interest in the substituted proceeds was obtained through the commission of a crime, or (B) fraudulently obtained his or her interest in the substituted proceeds to avoid forfeiture,~~

~~(iv) if the action relates to an instrumentality of a crime, except as provided for in subparagraph (i) hereof, the burden shall be upon the claiming authority to prove by a preponderance of the evidence the facts necessary to establish a claim for forfeiture and that the non-criminal defendant either (A) knew that the instrumentality was or would be used in the commission of a crime or (B) knowingly obtained his or her interest in the instrumentality to avoid forfeiture,~~

~~(v) if the action relates to a real property instrumentality of a crime, the burden shall be upon the claiming authority to prove those facts referred to in subdivision four-b of section thirteen hundred ten of this article by clear and convincing evidence. The claiming authority shall also prove by a clear and convincing evidence that the non-criminal defendant knew that such property was or would be used for the commission of specified felony offenses, and either (A) knowingly and unlawfully benefitted from such conduct or (B) voluntarily agreed to the use of such property for the commission of such offenses by consent freely given. For purposes of this subparagraph, a non-criminal defendant knowingly and unlawfully benefits from the commission of a specified felony offense when he derives in exchange for permitting the use or occupancy of such real property by a person or persons committing such specified offense a substantial benefit that would otherwise not accrue as a result of the lawful use or occupancy of such real property. "Benefit" means benefit as defined in subdivision seventeen of section 10.00 of the penal law.~~

~~(c) In a forfeiture action commenced by a claiming authority against a non-criminal defendant the following rebuttable presumptions shall apply:~~

~~(i) a non-criminal defendant who did not pay fair consideration for the proceeds of a crime, the substituted proceeds of a crime or the instrumentality of a crime shall be presumed to know that such property was the proceeds of a crime, the substituted proceeds of a crime, or an instrumentality of a crime.~~

~~(ii) a non-criminal defendant who obtains an interest in the proceeds of a crime, substituted proceeds of a crime or an instrumentality of a crime with knowledge of an order of provisional remedy relating to said property issued pursuant to this article, shall be presumed to know that such property was the proceeds of a crime, substituted proceeds of a crime, or an instrumentality of a crime.~~

~~(iii) in an action relating to a post-conviction forfeiture crime, a non-criminal defendant who the claiming authority proves by clear and convincing evidence has criminal liability under section 20.00 of the penal law for the crime of conviction or for criminal activity arising from a common scheme or plan of which such crime is a part and who possesses an interest in the proceeds, the substituted proceeds, or an instrumentality of such criminal activity is presumed to know that such property was the proceeds of a crime, the substituted proceeds of a crime, or an instrumentality of a crime.~~

~~(iv) a non-criminal defendant who participated in or was aware of a scheme to conceal or disguise the manner in which said non-criminal obtained his or her interest in the proceeds of a crime, substituted proceeds of a crime, or an instrumentality of a crime is presumed to know that such property was the proceeds of a crime, the substituted proceeds of a crime, or an instrumentality of a crime.~~

~~(d)]~~ In a forfeiture action commenced by a claiming authority against a defendant, the following rebuttable presumption shall apply: all currency or negotiable instruments payable to the bearer shall be presumed to be the proceeds of a pre-conviction forfeiture crime when such currency or negotiable instruments are (i) found in close proximity to a controlled substance unlawfully possessed by the defendant in an amount sufficient to constitute a violation of section 220.18 or 220.21 of the penal law, or (ii) found in close proximity to any quantity of a controlled substance or marihuana unlawfully possessed by such defendant in a room, other than a public place, under circumstances evincing an intent to unlawfully mix, compound, distribute, package or otherwise prepare for sale such controlled substance or marihuana.

~~(e)]~~ ~~(c)~~ The presumption set forth pursuant to paragraph ~~(d)]~~ ~~(b)~~ of this subdivision shall be rebutted by credible and reliable evidence which tends to show that such currency or negotiable instrument payable to the bearer is not the proceeds of a ~~[preconviction forfeiture]~~ crime. In an action tried before a jury, the jury shall be so instructed. Any sworn testimony of a defendant offered to rebut the presumption and any other evidence which is obtained as a result of such testimony, shall be inadmissible in any subsequent proceeding relating to the forfeiture action, or in any other civil or criminal action, except in a prosecution for a violation of article two hundred ten of the penal law. In an action tried before a jury, at the commencement of the trial, or at such other time as the court reasonably directs, the claiming authority shall provide notice to the court and to the defendant of its intent to request that the court charge such presumption.

4. The court in which a forfeiture action is pending may dismiss said action in the interests of justice upon its own motion or upon an application as provided for herein.

1 (a) At any time during the pendency of a forfeiture action, the claim-  
2 ing authority who instituted the action, or a defendant may (i) apply  
3 for an order dismissing the complaint and terminating the forfeiture  
4 action in the interest of justice, or (ii) may apply for an order limit-  
5 ing the forfeiture to an amount equivalent in value to the value of  
6 property constituting the proceeds or substituted proceeds of a crime in  
7 the interest of justice.

8 (b) Such application for the relief provided in paragraph (a) hereof  
9 must be made in writing and upon notice to all parties. The court may,  
10 in its discretion, direct that notice be given to any other person  
11 having an interest in the property.

12 (c) An application for the relief provided for in paragraph (a) hereof  
13 must be brought exclusively in the superior court in which the forfei-  
14 ture action is pending.

15 (d) The court may grant the relief provided in paragraph (a) hereof if  
16 it finds that such relief is warranted by the existence of some compel-  
17 ling factor, consideration or circumstance demonstrating that forfeiture  
18 of the property ~~[ef]~~ or any part thereof, would not serve the ends of  
19 justice. Among the factors, considerations and circumstances the court  
20 may consider, among others, are:

21 (i) the seriousness and circumstances of the crime to which the prop-  
22 erty is connected relative to the impact of forfeiture of property upon  
23 the person who committed the crime; or

24 (ii) the adverse impact of a forfeiture of property upon innocent  
25 persons; or

26 (iii) ~~[the appropriateness of a judgment of forfeiture in an action~~  
27 ~~relating to pre-conviction forfeiture crime where]~~ the likelihood that  
28 the criminal proceeding based on the crime to which the property is  
29 allegedly connected ~~[results]~~ will result in an acquittal of the crimi-  
30 nal defendant or a dismissal of the accusatory instrument on the merits;  
31 or

32 (iv) in the case of an action relating to an instrumentality, whether  
33 the value of the instrumentality substantially exceeds the value of the  
34 property constituting the proceeds or substituted proceeds of a crime.

35 (e) The court must issue a written decision stating the basis for an  
36 order issued pursuant to this subdivision.

37 4-a. (a) The court in which a forfeiture action relating to real prop-  
38 erty is pending may, upon its own motion or upon the motion of the  
39 claiming authority which instituted the action, the defendant, or any  
40 other person who has a lawful property interest in such property, enter  
41 an order:

42 (i) appointing an administrator pursuant to section seven hundred  
43 seventy-eight of the real property actions and proceedings law when the  
44 owner of a dwelling is a defendant in such action, and when persons who  
45 are not defendants in such action lawfully occupy one or more units  
46 within such dwelling, in order to maintain and preserve the property on  
47 behalf of such persons or any other person or entity who has a lawful  
48 property interest in such property, or in order to remedy any other  
49 condition which is dangerous to life, health or safety; or

50 (ii) otherwise limiting, modifying or dismissing the forfeiture action  
51 in order to preserve or protect the lawful property interest of ~~[any~~  
52 ~~non-criminal defendant or]~~ any other person who is not a ~~[criminal]~~  
53 defendant, or the lawful property interest of a defendant which is not  
54 subject to forfeiture; or

55 (iii) where such action involves interest in a residential leasehold  
56 or a statutory tenancy, directing that upon entry of a judgment of

1 forfeiture, the lease or statutory tenancy will be modified as a matter  
2 of law to terminate only the interest of the defendant or defendants,  
3 and to continue the occupancy or tenancy of any other person or persons  
4 who lawfully reside in such demised premises, with such rights as such  
5 parties would otherwise have had if the defendant's interest had not  
6 been forfeited pursuant to this article.

7 (b) For purposes of this subdivision the term "owner" has the same  
8 meaning as prescribed for that term in section seven hundred eighty-one  
9 of the real property actions and proceedings law and the term "dwelling"  
10 shall mean any building or structure or portion thereof which is princi-  
11 pally occupied in whole or part as the home, residence or sleeping place  
12 of one or more human beings.

13 8. The total amount that may be recovered by the claiming authority  
14 against all [~~criminal~~] defendants in a forfeiture action or actions  
15 involving the same crime shall not exceed the value of the proceeds of  
16 the crime or substituted proceeds of the crime, whichever amount is  
17 greater, and, in addition, the value of any forfeited instrumentality  
18 used in the crime. Any such recovery against [~~criminal defendants~~] a  
19 defendant for the value of the proceeds of the crime or substituted  
20 proceeds of the crime shall be reduced by an amount which equals the  
21 value of the same proceeds of the same crime or the same substituted  
22 proceeds of the same crime recovered against [~~all non-criminal~~] other  
23 defendants. Any such recovery for the value of an instrumentality of a  
24 crime shall be reduced by an amount which equals the value of the same  
25 instrumentality recovered against any [~~non-criminal~~] other defendant.

26 ~~[The total amount that may be recovered against all non-criminal~~  
27 ~~defendants in a forfeiture action or actions involving the same crime~~  
28 ~~shall not exceed the value of the proceeds of the crime or the substi-~~  
29 ~~tuted proceeds of the crime, whichever amount is greater, and, in addi-~~  
30 ~~tion, the value of any forfeited instrumentality used in the crime. Any~~  
31 ~~such recovery against non-criminal defendants for the value of the~~  
32 ~~proceeds of the crime or substituted proceeds of the crime shall be~~  
33 ~~reduced by an amount which equals the value of the proceeds of the crime~~  
34 ~~or substituted proceeds of the crime recovered against all criminal~~  
35 ~~defendants. A judgment against a non-criminal defendant pursuant to~~  
36 ~~clause (A) of subparagraph (iv) of paragraph (b) of subdivision three of~~  
37 ~~this section shall be limited to the amount of the proceeds of the~~  
38 ~~crime. Any recovery for the value of an instrumentality of the crime~~  
39 ~~shall be reduced by an amount equal to the value of the same instrumen-~~  
40 ~~tality recovered against any criminal defendant.]~~

41 § 5. Subdivision 11 of section 1311 of the civil practice law and  
42 rules is amended by adding a new paragraph (d) to read as follows:

43 (d) Any stipulation, settlement agreement, judgement, order of affida-  
44 vit required to be given to the state division of criminal justice

53 the defendant and prosecutor agree that as a condition of the plea or  
54 the superior court information certain property shall be forfeited by  
55 the defendant, the description and present estimated monetary value of  
56 the property shall be stated in court by the prosecutor at the time of

2 information by the court, the prosecutor shall send to the commissioner  
3 of the division of criminal justice services a document containing the  
4 name of the defendant, the description and present estimated monetary  
5 value of the property, any other demographic data as required by the  
6 division of criminal justice services and the date the plea or superior  
7 court information was accepted. Any property forfeited by the defendant  
8 as a condition to a plea of guilty to an indictment, or a part thereof,  
9 or to a superior court information, shall be disposed of in accordance  
10 with the provisions of section thirteen hundred forty-nine of the civil

3 REPEALED.

4 § 2. This act shall take effect April 1, 2018.

5

## PART J

6 Section 1. Notwithstanding any provision of law or governor's execu-  
7 tive order to the contrary regarding inmate eligibility by crime of  
8 commitment, the commissioner of corrections and community supervision is  
9 hereby authorized to initiate two pilot temporary release programs.

10 § 2. The first pilot temporary release program shall be a college  
11 educational leave program for no more than fifty inmates at any one  
12 time, who otherwise would be ineligible due to their crime of commit-  
13 ment, and whereby, to be eligible, an inmate shall not be serving a  
14 sentence for one or more offenses that would render him or her ineligi-  
15 ble for a limited credit time allowance as set forth in section 803-b of  
16 the correction law. In addition, to be eligible, such inmate shall not  
17 have committed a serious disciplinary infraction, maintained an overall  
18 negative institutional record, or received a disqualifying judicial  
19 determination that would render him or her ineligible for a limited  
20 credit time allowance as set forth in section 803-b of the correction  
21 law, and such inmate shall be eligible for release on parole or condi-  
22 tional release within two years. An inmate who participates in this  
23 pilot program may also be permitted to leave the premises of the insti-  
24 tution for the purposes set forth in subdivision 4 of section 851 of the

32 one or more offenses that would render him or her ineligible for a  
33 limited credit time allowance as set forth in section 803-b of the  
34 correction law. In addition, such inmate shall not have committed a  
35 serious disciplinary infraction, maintained an overall negative institu-  
36 tional record, or received a disqualifying judicial determination that  
37 would render him or her ineligible for a limited credit time allowance  
38 as set forth in section 803-b of the correction law and, such inmate  
39 shall be eligible for release on parole or conditional release within  
40 two years. An inmate who participates in the pilot work release program  
41 may also be permitted to leave the premises of the institution for the

43 law, when authorized by the department of corrections and community  
44 supervision's rules and regulations governing permissible furloughs.

53 colleges which participate in the educational leave pilot.

§ 5. This act shall take effect April 1, 2018.

PART K

Section 1. This Part enacts into law major components of legislation that remove unnecessary mandatory bars on licensing and employment for people with criminal convictions in the categories enumerated therein and replace them with individualized review processes using the factors set out in article 23-A of the correction law, which addresses the licensing of such individuals. Each component is wholly contained with a Subpart identified as Subparts A through I. Any provision in any section contained within a Subpart, including the effective date of the Subpart, which makes reference to a section "of this act", when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Subpart in which it is found. Section three of this Part sets forth the general effective date of this Part.

SUBPART A

Section 1. Subdivision 6 of section 369 of the banking law, as amended by chapter 164 of the laws of 2003, paragraph (b) as amended by section 6 of part LL of chapter 56 of the laws of 2010, is amended to read as follows:

6. Section 1. The executive law is amended by adding a new section 259-t to read as follows:

§ 259-t. Release on geriatric parole for inmates who are affected by an age-related debility. 1. (a) The board shall have the power to release on geriatric parole any inmate who is at least fifty-five years of age, serving an indeterminate or determinate sentence of imprisonment who, pursuant to subdivision two of this section, has been certified to be suffering from a chronic or serious condition, disease, syndrome, or infirmity, exacerbated by age, that has rendered the inmate so physically or cognitively debilitated or incapacitated that the ability to provide self-care within the environment of a correctional facility is substantially diminished, provided, however, that no inmate serving a sentence imposed upon a conviction for murder in the first degree, aggravated murder or an attempt or conspiracy to commit murder in the first degree or aggravated murder or a sentence of life without parole shall be eligible for such release, and provided further that no inmate shall be eligible for such release unless in the case of an indeterminate sentence he or she has served at least one-half of the minimum period of the sentence and in the case of a determinate sentence he or she has served at least one-half of the term of his or her determinate sentence. Solely for the purpose of determining geriatric parole eligibility pursuant to this section, such one-half of the minimum period of the indeterminate sentence and one-half of the term of the determinate sentence shall not be credited with any time served under the jurisdiction of the department prior to the commencement of such sentence pursuant to the opening paragraph of subdivision one of section 70.30 of the penal law or subdivision two-a of section 70.30 of the penal law, except to the extent authorized by subdivision three of section 70.30 of the penal law.

(b) Such release shall be granted only after the board considers whether, in light of the inmate's condition, there is a reasonable probability that the inmate, if released, will live and remain at liberty without violating the law, and that such release is not incompatible with the welfare of society and will not so deprecate the seriousness of the crime as to undermine respect for the law, and shall be subject to the limits and conditions specified in subdivision four of this section. In making this determination, the board shall consider: (i) the factors described in subdivision two of section two hundred fifty-nine-i of this article; (ii) the nature of the inmate's conditions, diseases, syndromes or infirmities and the level of care; (iii) the amount of time the inmate must serve before becoming eligible for release pursuant to section two hundred fifty-nine-i of this article; (iv) the current age of the inmate and his or her age at the time of the crime; and (v) any other relevant factor.

(c) The board shall afford notice to the sentencing court, the district attorney, the attorney for the inmate and, where necessary pursuant to subdivision two of section two hundred fifty-nine-i of this article, the crime victim, that the inmate is being considered for release pursuant to this section and the parties receiving notice shall have thirty days to comment on the release of the inmate. Release on geriatric parole shall not be granted until the expiration of the comment period provided for in this paragraph.

2. (a) The commissioner, on the commissioner's own initiative or at the request of an inmate, or an inmate's spouse, relative or attorney,

1 may, in the exercise of the commissioner's discretion, direct that an  
2 investigation be undertaken to determine whether an assessment should be  
3 made of an inmate who appears to be suffering from chronic or serious  
4 conditions, diseases, syndromes or infirmities, exacerbated by advanced  
5 age that has rendered the inmate so physically or cognitively debili-  
6 tated or incapacitated that the ability to provide self-care within the  
7 environment of a correctional facility is substantially diminished. Any  
8 such medical assessment shall be made by a physician licensed to prac-  
9 tice medicine in this state pursuant to section sixty-five hundred twen-  
10 ty-four of the education law. Such physician shall either be employed by  
11 the department, shall render professional services at the request of the  
12 department, or shall be employed by a hospital or medical facility used  
13 by the department for the medical treatment of inmates. The assessment  
14 shall be reported to the commissioner by way of the deputy commissioner  
15 for health services or the chief medical officer of the facility and  
16 shall include but shall not be limited to a description of the condi-  
17 tions, diseases or syndromes suffered by the inmate, a prognosis  
18 concerning the likelihood that the inmate will not recover from such  
19 conditions, diseases or syndromes, a description of the inmate's phys-  
20 ical or cognitive incapacity which shall include a prediction respecting  
21 the likely duration of the incapacity, and a statement by the physician  
22 of whether the inmate is so debilitated or incapacitated as to be  
23 severely restricted in his or her ability to self-ambulate or to perform  
24 significant activities of daily living. This assessment also shall  
25 include a recommendation of the type and level of services and level of  
26 care the inmate would require if granted geriatric parole and a recom-  
27 mendation for the types of settings in which the services and treatment  
28 should be given.

29 (b) The commissioner, or the commissioner's designee, shall review the  
30 assessment and may certify that the inmate is suffering from a chronic  
31 or serious condition, disease, syndrome or infirmity, exacerbated by  
32 age, that has rendered the inmate so physically or cognitively debili-  
33 tated or incapacitated that the ability to provide self-care within the  
34 environment of a correctional facility is substantially diminished. If  
35 the commissioner does not so certify then the inmate shall not be  
36 referred to the board for consideration for release on geriatric parole.  
37 If the commissioner does so certify, then the commissioner shall, within  
38 seven working days of receipt of such assessment, refer the inmate to  
39 the board for consideration for release on geriatric parole. However, an  
40 inmate will not be referred to the board of parole with diseases, condi-  
41 tions, syndromes or infirmities that pre-existed incarceration unless  
42 certified by a physician that such diseases, conditions, syndromes or  
43 infirmities, have progressed to render the inmate so physically or  
44 cognitively debilitated or incapacitated that the ability to provide  
45 self-care within the environment of a correctional facility is substan-  
46 tially diminished.

47 3. Any certification by the commissioner or the commissioner's desig-  
48 nee pursuant to this section shall be deemed a judicial function and  
49 shall not be reviewable if done in accordance with law.

50 4. (a) Once an inmate is released on geriatric parole, that releasee  
51 will then be supervised by the department pursuant to paragraph (b) of  
52 subdivision two of section two hundred fifty-nine-i of this article.

53 (b) The board may require as a condition of release on geriatric  
54 parole that the releasee agree to remain under the care of a physician  
55 while on geriatric parole and in a hospital established pursuant to  
56 article twenty-eight of the public health law, nursing home established

3 other placement, including a residence with family or others, that can

5 mended by the medical assessment required by subdivision two of this  
6 section. For those who are released pursuant to this subdivision, a  
7 discharge plan shall be completed and state that the availability of the  
8 placement has been confirmed, and by whom. Notwithstanding any other  
9 provision of law, when an inmate who qualifies for release under this  
10 section is cognitively incapable of signing the requisite documentation  
11 to effectuate the discharge plan and, after a diligent search no person  
12 has been identified who could otherwise be appointed as the inmate's  
13 guardian by a court of competent jurisdiction, then, solely for the  
14 purpose of implementing the discharge plan, the facility health services  
15 director at the facility where the inmate is currently incarcerated  
16 shall be lawfully empowered to act as the inmate's guardian for the  
17 purpose of effectuating the discharge.

18 (c) Where appropriate, the board shall require as a condition of  
19 release that geriatric parolees be supervised on intensive caseloads at  
20 reduced supervision ratios.

21 5. A denial of release on geriatric parole shall not preclude the  
22 inmate from reapplying for geriatric parole or otherwise affect an  
23 inmate's eligibility for any other form of release provided for by law.

24 6. To the extent that any provision of this section requires disclo-  
25 sure of medical information for the purpose of processing an application  
26 or making a decision, regarding release on geriatric parole or for the  
27 purpose of appropriately supervising a person released on geriatric  
28 parole, and that such disclosure would otherwise be prohibited by arti-  
29 cle twenty-seven-f of that public health law, the provisions of this  
30 section shall be controlling.

31 7. The commissioner and the chair of the board shall be authorized to  
32 promulgate rules and regulations for their respective agencies to imple-

45 of the placement pursuant to the discharge plan; the categories of

14 ously post information about the temporary position and the required  
15 qualifications and shall allow any qualified employee to apply for the  
16 position. In the event that a permanent competitive employee is quali-  
17 fied for the posted position, the appointment of such employee shall  
18 take precedence over the appointment of any term position pursuant to  
19 this section. An employee appointed pursuant to this section who has  
20 completed two years of continuous service under this section shall be  
21 eligible to compete in promotional examinations that are also open to  
22 other employees who have permanent civil service appoints and appropri-  
23 ate qualifications. In the event that the department fails to certify a  
24 promotional list for an examination in which the appointee has competed  
25 within the initially sixty month term appointment, such appointment may  
26 be extended by the department, upon certification of the appointing  
27 authority, for periods of up to thirty-six months until such time as a  
28 promotional list resulting from the examination in which the employee  
29 completed, is certified.

30 3. A temporary position established pursuant to this section may be  
31 abolished for reason of economy, consolidation or abolition of func-  
32 tions, curtailment of activities or otherwise. Upon such abolition or at  
33 the end of the term of the appointment, the provisions of sections  
34 seventy-eight, seventy-nine, eighty and eighty-one of this chapter shall  
35 not apply. In the event of a reduction of workforce pursuant to section  
36 eighty of this chapter affecting information technology positions, the  
37 term appointments pursuant to this section shall be abolished prior to  
38 the abolition of permanent competitive class information technology  
39 positions at such agency involving comparable skills and responsibil-  
40 ities.

41 § 2. Notwithstanding any provision of law to the contrary, the depart-  
42 ment of civil service may authorize appointment of term appointees to  
43 competitive titles in a manner approved by such department.

44 § 3. This act shall take effect immediately and shall expire and be  
45 deemed repealed June 30, 2023; provided, however, that any person  
46 appointed prior to that date may continue to be employed for a period  
47 not to exceed sixty months from the date of appointment.

40 program staff shall discharge their duties with respect to the program  
41 solely in the interest of the program's enrollees and beneficiaries as  
42 follows:

43 a. for the exclusive purposes of providing benefits to enrollees and  
44 beneficiaries and defraying reasonable expenses of administering the  
45 program;

46 b. by investing with the care, skill, prudence, and diligence under  
47 the prevailing circumstances that a prudent person acting in a like

14 b. Appoint a trustee to the fund in compliance with section 408 of the  
15 internal revenue code.

16 c. Explore and establish investment options, subject to this article,  
17 that offer enrollees returns on contributions and the conversion of  
18 individual retirement savings account balances to secure retirement  
19 income without incurring debt or liabilities to the state.

20 d. Establish the process by which interest, investment earnings, and  
21 investment losses are allocated to individual program accounts on a pro  
22 rata basis and are computed at the interest rate on the balance of an  
23 individual's account.

24 e. Make and enter into contracts necessary for the administration of  
25 the program and fund, including, but not limited to, retaining and  
26 contracting with investment managers, private financial institutions,  
27 other financial and service providers, consultants, actuaries, counsel,  
28 auditors, third-party administrators, and other professionals as neces-  
29 sary.

30 f. Conduct a review of the performance of any investment vendors every

34 g. Determine the number and duties of staff members needed to adminis-  
35 ter the program and assemble such staff, including, appointing a program  
36 administrator.

37 h. Cause moneys in the fund to be held and invested as pooled invest-  
38 ments described in this article, with a view to achieving cost savings  
39 through efficiencies and economies of scale.

40 i. Evaluate and establish the process by which an enrollee is able to  
41 contribute a portion of his or her wages to the program for automatic  
42 deposit of those contributions and the process by which a participating  
43 employer provides a payroll deposit retirement savings arrangement to  
44 forward those contributions and related information to the program,  
45 including, but not limited to, contracting with financial service compa-  
46 nies and third-party administrators with the capability to receive and  
47 process employee information and contributions for payroll deposit  
48 retirement savings arrangements or similar arrangements.

49 j. Design and establish the process for enrollment including the proc-

52 participation in the program.

53 k. Evaluate and establish the process by which an employee may volun-  
54 tarily enroll in and make contributions to the program.

55 l. Accept any grants, appropriations, or other moneys from the state,  
56 any unit of federal, state, or local government, or any other person,

1 firm, partnership, or corporation solely for deposit into the fund,  
2 whether for investment or administrative purposes.

3 m. Evaluate the need for, and procure as needed, insurance against any

5 the program, and indemnify as needed each member of the board from  
6 personal loss or liability resulting from a member's action or inaction  
7 as a member of the board.

8 n. Make provisions for the payment of administrative costs and  
9 expenses for the creation, management, and operation of the program.  
10 Subject to appropriation, the state may pay administrative costs associ-  
11 ated with the creation and management of the program until sufficient  
12 assets are available in the fund for that purpose. Thereafter, all costs  
13 of the fund, including repayment of any start-up funds provided by the  
14 state, shall be paid only out of moneys on deposit therein. However,  
15 private funds or federal funding received in order to implement the  
16 program until the fund is self-sustaining shall not be repaid unless  
17 those funds were offered contingent upon the promise of repayment. The  
18 board shall keep annual administrative expenses as low as possible, but  
19 in no event shall they exceed 0.75% of the total trust balance.

20 o. Allocate administrative fees to individual retirement accounts in  
21 the program on a pro rata basis.

35 all grants, gifts, donations, fees, and earnings from investments from  
36 the New York state secure choice savings program fund that are used to  
37 recover administrative costs. All expenses of the board shall be paid  
38 from the New York state secure choice administrative fund.

39 v. Determine withdrawal provisions, such as economic hardships, porta-  
40 bility and leakage.

41 w. Determine employee rights and enforcement of penalties.

42 5. The board shall annually prepare and adopt a written statement of  
43 investment policy that includes a risk management and oversight program.  
44 This investment policy shall prohibit the board, program, and fund from  
45 borrowing for investment purposes. The risk management and oversight  
46 program shall be designed to ensure that an effective risk management  
47 system is in place to monitor the risk levels of the program and fund  
48 portfolio, to ensure that the risks taken are prudent and properly  
49 managed, to provide an integrated process for overall risk management,  
50 and to assess investment returns as well as risk to determine if the  
51 risks taken are adequately compensated compared to applicable perform-  
52 ance benchmarks and standards. The board shall consider the statement of  
53 investment policy and any changes in the investment policy at a public  
54 hearing.

55 6. a. The board shall engage, after an open bid process, an investment  
56 manager or managers to invest the fund and any other assets of the

1 program. Moneys in the fund may be invested or reinvested by the comp-  
2 troller or may be invested in whole or in part. In selecting the invest-  
3 ment manager or managers, the board shall take into consideration and  
4 give weight to the investment manager's fees and charges in order to  
5 reduce the program's administrative expenses.

6 b. The investment manager or managers shall comply with any and all  
7 applicable federal and state laws, rules, and regulations, as well as  
8 any and all rules, policies, and guidelines promulgated by the board  
9 with respect to the program and the investment of the fund, including,  
10 but not limited to, the investment policy.

11 c. The investment manager or managers shall provide such reports as  
12 the board deems necessary for the board to oversee each investment  
13 manager's performance and the performance of the fund.

14 7. a. The board shall establish as an investment option a life-cycle  
15 fund with a target date based upon the age of the enrollee. This shall  
16 be the default investment option for enrollees who fail to elect an  
17 investment option unless and until the board designates by rule a new  
18 investment option as the default.

19 b. The board may also establish any or all of the following additional  
20 investment options:

21 (i) a conservative principal protection fund;

22 (ii) a growth fund;

23 (iii) a secure return fund whose primary objective is the preservation  
24 of the safety of principal and the provision of a stable and low-risk  
25 rate of return; if the board elects to establish a secure return fund,  
26 the board may procure any insurance, annuity, or other product to insure  
27 the value of enrollees' accounts and guarantee a rate of return; the  
28 cost of such funding mechanism shall be paid out of the fund; under no  
29 circumstances shall the board, program, fund, the state, or any partic-  
30 ipating employer assume any liability for investment or actuarial risk;  
31 the board shall determine whether to establish such investment options  
32 based upon an analysis of their cost, risk profile, benefit level,  
33 feasibility, and ease of implementation; or

34 (iv) an annuity fund.

35 c. If the board elects to establish a secure return fund, the board  
36 shall then determine whether such option shall replace the life-cycle  
37 fund as the default investment option for enrollees who do not elect an  
38 investment option. In making such determination, the board shall consid-  
39 er the cost, risk profile, benefit level, and ease of enrollment in the  
40 secure return fund. The board may at any time thereafter revisit this  
41 question and, based upon an analysis of these criteria, establish either  
42 the secure return fund or the life-cycle fund as the default for enrol-  
43 lees who do not elect an investment option.

44 8. Interest, investment earnings, and investment losses shall be allo-  
45 cated to individual program accounts as established by the board pursu-  
46 ant to this article. An individual's retirement savings benefit under  
47 the program shall be an amount equal to the balance in the individual's  
48 program account on the date the retirement savings benefit becomes paya-  
49 ble. The state shall have no liability for the payment of any benefit to  
50 any enrollee in the program.

51 9. a. Prior to the opening of the program for enrollment, the board  
52 shall design and disseminate to all employers an employer information  
53 packet and an employee information packet, which shall include back-  
54 ground information on the program, appropriate disclosures for employ-  
55 ees, and information regarding the vendor internet website described.

b. The board shall provide for the contents of both the employee information packet and the employer information packet. The employee information packet shall be made available in English, Spanish, Haitian Creole, Chinese, Korean, Russian, Arabic, and any other language the comptroller deems necessary.

c. The employee information packet shall include a disclosure form. The disclosure form shall explain, but not be limited to, all of the following:

(i) the benefits and risks associated with making contributions to the program;

(ii) the mechanics of how to make contributions to the program;

(iii) how to opt out of the program;

(iv) how to participate in the program with a level of employee contributions other than three percent;

(v) that they are not required to participate or contribute more than three percent;

(vi) that they can opt out after they have enrolled;

(vii) the process for withdrawal of retirement savings;

(viii) the process for selecting beneficiaries of their retirement savings;

(ix) how to obtain additional information about the program;

(x) that employees seeking financial advice should contact financial advisors, that participating employers are not in a position to provide financial advice, and that participating employers are not liable for decisions employees make pursuant to this article;

(xi) information on how to access any financial literacy programs implemented by the comptroller;

(xii) that the program is not an employer-sponsored retirement plan; and

(xiii) that the program fund is not guaranteed by the state.

d. The employee information packet shall also include a form for an employee to note his or her decision to opt out of participation in the program or elect to participate with a level of employee contributions other than three percent.

e. Participating employers shall supply the employee information packet to existing employees at least one month prior to the participating employers' launch of the program. Participating employers shall supply the employee information packet to new employees at the time of hiring, and new employees may opt out of participation in the program or elect to participate with a level of employee contributions other than three percent at that time.

10. Except as otherwise provided in this article, the program shall be implemented, and enrollment of employees shall begin, within twenty-four months after the effective date of this section. The provisions of this section shall be in force after the board opens the program for enrollment.

a. Each participating employer may establish a payroll deposit retirement savings arrangement to allow each employee to participate in the program and begin employee enrollment at most nine months after the board opens the program for enrollment.

b. Enrollees shall have the ability to select a contribution level into the fund. This level may be expressed as a percentage of wages or as a dollar amount up to the deductible amount for the enrollee's taxable year under section 219(b)(1)(A) of the internal revenue code. Enrollees may change their contribution level at any time, subject to rules promulgated by the board. If an enrollee fails to select a contribution

1 level using the form described in this article, then he or she shall  
2 contribute three percent of his or her wages to the program, provided  
3 that such contributions shall not cause the enrollee's total contrib-  
4 utions to IRAs for the year to exceed the deductible amount for the  
5 enrollee's taxable year under section 219(b)(1)(A) of the internal  
6 revenue code. Notwithstanding any other provision of law, any partic-  
7 ipating enrollee, whose employer fails to make employee deductions in  
8 accordance with the provisions of section one hundred ninety-three of  
9 the labor law, may bring an action, pursuant to section one hundred  
10 ninety-eight of the labor law, to recover such monies. Further, any  
11 participating employer, who fails to make employee deductions in accord-  
12 ance with the provisions of section one hundred ninety-three of the  
13 labor law, shall be subject to the penalties and fines provided for in  
14 section one hundred ninety-eight-a of the labor law.

15 c. Enrollees may select an investment option from the permitted  
16 investment options listed in this article. Enrollees may change their  
17 investment option at any time, subject to rules promulgated by the  
18 board. In the event that an enrollee fails to select an investment  
19 option, that enrollee shall be placed in the investment option selected  
20 by the board as the default under this article. If the board has not  
21 selected a default investment option under this article, then an enrol-  
22 lee who fails to select an investment option shall be placed in the  
23 life-cycle fund investment option.

24 d. Following initial implementation of the program pursuant to this  
25 section, at least once every year, participating employers shall design-  
26 ate an open enrollment period during which employees who previously  
27 opted out of the program may enroll in the program.

28 e. An employee who opts out of the program who subsequently wants to  
29 participate through the participating employer's payroll deposit retire-  
30 ment savings arrangement may only enroll during the participating  
31 employer's designated open enrollment period or if permitted by the  
32 participating employer at an earlier time.

33 f. Employers shall retain the option at all times to set up any type  
34 of employer-sponsored retirement plan instead of having a payroll depos-  
35 it retirement savings arrangement to allow employee participation in the  
36 program.

37 g. An enrollee may terminate his or her participation in the program  
38 at any time in a manner prescribed by the board.

39 h. The board shall, in conjunction with the office of the state comp-  
40 troller, establish and maintain a secure website wherein enrollees may  
41 log in and acquire information regarding contributions and investment  
42 income allocated to, withdrawals from, and balances in their program  
43 accounts for the reporting period. Such website must also include infor-  
44 mation for the enrollees regarding other options available to the  
45 employee and how they can transfer their accounts to other programs  
46 should they wish to do so. Such website may include any other informa-  
47 tion regarding the program as the board may determine.

48 11. Employee contributions deducted by the participating employer  
49 through payroll deduction shall be paid by the participating employer to  
50 the fund using one or more payroll deposit retirement savings arrange-  
51 ments established by the board under this article, either:

52 a. on or before the last day of the month following the month in which  
53 the compensation otherwise would have been payable to the employee in  
54 cash; or

55 b. before such later deadline prescribed by the board for making such  
56 payments, but not later than the due date for the deposit of tax

1 required to be deducted and withheld relating to collection of income  
2 tax at source on wages or for the deposit of tax required to be paid  
3 under the unemployment insurance system for the payroll period to which  
4 such payments relate.

5 12. a. The state shall have no duty or liability to any party for the  
6 payment of any retirement savings benefits accrued by any enrollee under  
7 the program. Any financial liability for the payment of retirement  
8 savings benefits in excess of funds available under the program shall be  
9 borne solely by the entities with whom the board contracts to provide  
10 insurance to protect the value of the program.

11 b. No state board, commission, or agency, or any officer, employee, or  
12 member thereof is liable for any loss or deficiency resulting from  
13 investments selected under this article, except for any liability that  
14 arises out of a breach of fiduciary duty.

15 13. a. Participating employers shall not have any liability for an  
16 employee's decision to participate in, or opt out of, the program or for  
17 the investment decisions of the board or of any enrollee.

18 b. A participating employer shall not be a fiduciary, or considered to  
19 be a fiduciary, over the program. A participating employer shall not  
20 bear responsibility for the administration, investment, or investment  
21 performance of the program. A participating employer shall not be liable  
22 with regard to investment returns, program design, and benefits paid to  
23 program participants.

24 14. a. The board shall annually submit: (i) an audited financial  
25 report, prepared in accordance with generally accepted accounting prin-  
26 ciples, on the operations of the program during each calendar year by  
27 July first of the following year to the governor, the comptroller, the  
28 superintendent and the senate and assembly; and (ii) a report prepared  
29 by the board, which shall include, but is not limited to, a summary of  
30 the benefits provided by the program, including the number of enrollees  
31 in the program, the percentage and amounts of investment options and  
32 rates of return, and such other information that is relevant to make a  
33 full, fair, and effective disclosure of the operations of the program  
34 and the fund. The annual audit shall be made by an independent certified  
35 public accountant and shall include, but is not limited to, direct and  
36 indirect costs attributable to the use of outside consultants, independ-  
37 ent contractors, and any other persons who are not state employees for  
38 the administration of the program.

39 b. In addition to any other statements or reports required by law, the  
40 board shall provide periodic reports at least annually to enrollees  
41 reporting contributions and investment income allocated to, withdrawals  
42 from, and balances in their program accounts for the reporting period.  
43 Such reports may include any other information regarding the program as  
44 the board may determine.

45 15. If the board does not obtain adequate funds to implement the  
46 program within the timeframe set forth under this article and is subject  
47 to appropriation, the board may delay the implementation of the program.

48 § 2. The state finance law is amended by adding two new sections 99-bb  
49 and 99-cc to read as follows:

50 § 99-bb. New York state secure choice savings program fund. a. There  
51 is hereby established within the joint custody of the commissioner of  
52 taxation and finance and the state comptroller, in consultation with the  
53 New York state deferred compensation board, a fund to be known as the  
54 New York state secure choice savings program fund.

55 b. The fund shall include the individual retirement accounts of enrol-  
56 lees, which shall be accounted for as individual accounts.

1 c. Moneys in the fund shall consist of moneys received from enrollees

3 contributions to savings made under the New York state secure choice  
4 savings program pursuant to section five-a of this chapter.

5 d. The fund shall be operated in a manner determined by the New York  
6 state deferred compensation board, provided that the fund is operated so

8 requirements for IRAs under the internal revenue code.

9 e. The amounts deposited in the fund shall not constitute property of  
10 the state and the fund shall not be construed to be a department, insti-  
11 tution, or agency of the state. Amounts on deposit in the fund shall not  
12 be commingled with state funds and the state shall have no claim to or  
13 against, or interest in, such funds.

14 § 99-cc. New York state secure choice administrative fund. a. There is  
15 hereby established within the joint custody of the commissioner of taxa-  
16 tion and finance and the state comptroller, in consultation with the New  
17 York state deferred compensation board, a fund to be known as the New  
18 York state secure choice administrative fund.

19 b. The New York state deferred compensation board shall use moneys in  
20 such fund to pay for administrative expenses it incurs in the perform-  
21 ance of its duties under the New York state secure choice savings  
22 program pursuant to section five-a of this chapter.

23 c. The New York state deferred compensation board shall use moneys in  
24 such fund to cover start-up administrative expenses it incurs in the  
25 performance of its duties under section five-a of this chapter.

26 d. Such fund may receive any grants or other moneys designated for  
27 administrative purposes from the state, or any unit of federal or local  
28 government, or any other person, firm, partnership, or corporation. Any  
29 interest earnings that are attributable to moneys in such fund must be  
30 deposited into the such fund.

31 § 3. This act shall take effect immediately.

32 PART Y

A town, city, or village within a county may request by local law that the legislative body of its county adopt a program for the administration and enforcement of any land use and planning regulations and any zoning ordinance or local law, in force or proposed in said town, city, or village. During the period in which the county legislative body is developing and adopting such program, any existing planning, zoning, and other land use regulations included in such county request shall remain in full force and effect. The governing board of each town, city, or village requesting county administration and enforcement of the local land use and planning regulations shall receive written notification that the county

1 legislative body has adopted such program. Upon such county notification  
2 to the town, city, or village, the county program so developed and  
3 adopted shall apply in the town, city, or village requesting county  
4 administration and enforcement of any land use and planning regulations  
5 from thirty days thereafter unless and until the town, city, or village  
6 request has been withdrawn by local law. Nothing shall prevent a county  
7 legislative body from developing and adopting a program for the county-  
8 wide or part-county administration and enforcement of the land use,  
9 planning and zoning regulations upon the request of two or more towns,  
10 cities, and/or villages located within the county.

11 § 3. Article 5-J of the general municipal law is amended by adding a  
12 new section 119-w to read as follows:

13 § 119-w. County planning commission or other similar county entity or  
14 department. 1. The county legislative body may establish a county plan-  
15 ning commission to implement the intermunicipal agreement created pursu-  
16 ant to this article; provided however, that where a county planning  
17 board, commission, or other county entity or department already exists  
18 in accordance with a county charter or local law, the existing board,  
19 commission, entity or department may be appointed by the county legisla-  
20 tive body as the county planning commission to implement the intermunic-  
21 ipal agreement authorized in this article. Planning commissions estab-  
22 lished to implement provisions of this article after December  
23 thirty-first, two thousand seventeen shall consist of seven members who  
24 shall be appointed by the county legislative body. Three members of the  
25 commission shall be appointed for terms of one year, three for terms of  
26 two years and one member shall be appointed for a term of three years.  
27 Successors shall be appointed for terms of three years each. A vacancy  
28 occurring otherwise than by expiration of term shall be filled by  
29 appointment by the legislative body of the county government for the  
30 unexpired term. Such commission shall have power, within the limits of  
31 the appropriation made by the legislative body of the county, to employ  
32 a secretary and other necessary clerical assistants and employ or  
33 contract with such technical assistants as may be necessary from time to  
34 time to give full effect to the provisions of this article.

35 2. Where an intermunicipal agreement created pursuant to this article  
36 so provides, the county planning commission may, at the option of the  
37 local legislative body of a town, village or city of the county, have  
38 control of land use, zoning, and land subdivision in such municipi-  
39 palities, and no map subdividing land into lots for residential or busi-  
40 ness purposes in any such municipality shall be accepted for filing by  
41 the county clerk unless it shall have been first approved by the county  
42 planning commission and shall have such approval endorsed thereon.

43 3. For the purpose of promoting the health, safety, morals, or the  
44 general welfare of the county, the legislative body of the county, at  
45 the option of the legislative body of a town, village or city of the  
46 county, when an intermunicipal agreement so provides, such county is  
47 authorized to adopt a local law to regulate and restrict the height,  
48 number of stories and size of buildings and other structures, the  
49 percentage of lot that may be occupied, the size of yards, courts, and  
50 other open spaces, the density of population, and the location and use  
51 of buildings, structures and land for trade, industry, residence or  
52 other purposes; provided further, that all charges and expenses incurred  
53 under this article for zoning and planning may be a charge upon the  
54 taxable property of that part of the county.

55 4. Such county local law shall provide that a board of appeals may  
56 determine and vary the application of the provisions in said local law

1 in harmony with the law's general purpose and intent, and in accordance  
2 with general or specific rules therein, provided that for:

3 (a) Orders, requirements, decisions, interpretations, determinations.  
4 The board of appeals may reverse or affirm, wholly or partly, or may  
5 modify the order, requirement, decision, interpretation or determination  
6 appealed from and shall make such order, requirement, decision, inter-  
7 pretation or determination as in its opinion ought to have been made in  
8 the matter by the administrative official charged with the enforcement  
9 of such ordinance or local law and to that end shall have all the powers  
10 of the administrative official from whose order, requirement, decision,  
11 interpretation or determination the appeal is taken.

12 (b) Use variances. (1) The board of appeals, on appeal from the deci-  
13 sion or determination of the administrative official charged with the  
14 enforcement of such ordinance or local law, shall have the power to  
15 grant use variances, as defined in this section.

16 (2) No such use variance shall be granted by the board of appeals  
17 without a showing by the applicant that applicable zoning regulations  
18 and restrictions have caused unnecessary hardship. In order to prove  
19 such unnecessary hardship the applicant shall demonstrate to the board  
20 of appeals that for each and every permitted use under the zoning regu-  
21 lations for the particular district where the property is located, (i)  
22 the applicant cannot realize a reasonable return, provided that lack of  
23 return is substantial as demonstrated by competent financial evidence;  
24 (ii) that the alleged hardship relating to the property in question is  
25 unique, and does not apply to a substantial portion of the district or  
26 neighborhood; (iii) that the requested use variance, if granted, will  
27 not alter the essential character of the neighborhood; and (iv) that the  
28 alleged hardship has not been self-created.

29 (3) The board of appeals, in the granting of use variances, shall  
30 grant the minimum variance that it shall deem necessary and adequate to  
31 address the unnecessary hardship proven by the applicant, and at the  
32 same time preserve and protect the character of the neighborhood and the  
33 health, safety and welfare of the community.

34 (c) Area variances. (1) The zoning board of appeals shall have the  
35 power, upon an appeal from a decision or determination of the adminis-  
36 trative official charged with the enforcement of such ordinance of local  
37 law, to grant area variances as defined in this section.

38 (2) In making its determination, the zoning board of appeals shall  
39 take into consideration the benefit to the applicant if the variance is  
40 granted, as weighed against the detriment to the health, safety and  
41 welfare of the neighborhood or community by such grant. In making such  
42 determination the board shall also consider: (i) whether an undesirable  
43 change will be produced in the character of the neighborhood or a detri-  
44 ment to nearby properties will be created by the granting of the area  
45 variance; (ii) whether the benefit sought by the applicant can be  
46 achieved by some method, feasible for the applicant to pursue, other  
47 than an area variance; (iii) whether the requested area variance is  
48 substantial; (iv) whether the proposed variance will have an adverse  
49 effect or impact on the physical or environmental conditions in the  
50 neighborhood or community; and (v) whether the alleged difficulty was  
51 self-created, which consideration shall be relevant to the decision of  
52 the board of appeals, but shall not necessarily preclude the granting of  
53 the area variance.

54 (3) The board of appeals, in the granting of area variances, shall  
55 grant the minimum variance that it shall deem necessary and adequate and

1 at the same time preserve and protect the character of the neighborhood  
2 and the health, safety and welfare of the community.

3 (d) Imposition of conditions. The board of appeals shall, in the  
4 granting of both use variances and area variances, have the authority to  
5 impose such reasonable conditions and restrictions as are directly  
6 related to and incidental to the proposed use of the property. Such  
7 conditions shall be consistent with the spirit and intent of the zoning  
8 ordinance or local law, and shall be imposed for the purpose of minimiz-  
9 ing any adverse impact such variance may have on the neighborhood or  
10 community.

11 5. In addition to the foregoing, the county legislative body, at the  
12 option of the legislative body of a town, village or city of the county,  
13 is empowered to adopt by local law a comprehensive plan in so far as the  
14 plan relates to any portion of the county addressed in said intermuni-  
15 pal agreement and also any portion which relates to state highways and  
16 county or town roads, county buildings and navigable waterways, irre-  
17 spective of whether they may be located within the boundaries of any  
18 town, city or village or elsewhere within the county. Upon the adoption  
19 of any such local law, the legislative body of the county shall file  
20 with the county clerk forthwith a certified copy thereof, including  
21 copies of all relevant maps and plans. The county planning commission or  
22 county entity or department appointed by the county legislative body,  
23 may develop and recommend the county comprehensive plan to the county  
24 legislative body for its adoption.

25 6. Whenever a comprehensive plan, or one or more parts thereof, shall  
26 have been adopted as hereinbefore provided, no street, square, park or  
27 other public way, ground, open space or other public place, public  
28 building, structure or public utility (whether publicly or privately  
29 owned) shall be constructed or authorized in any portion of the county  
30 in respect to which said plan or part thereof has been adopted, until  
31 the location, character and extent thereof shall have been submitted to  
32 and approved by the county planning commission as conforming to the  
33 general intent and purpose of the comprehensive plan. The county plan-  
34 ning commission shall make rules relating to such matters, which shall  
35 provide for notice to all parties interested, including units of local  
36 government which may be affected thereby, and including the office of  
37 parks, recreation and historic preservation if the matter submitted  
38 relates to any portion of the county within two hundred feet of any  
39 state park or parkway. If the matter submitted relates to the territory  
40 of any unit of local government which has adopted a plan of development  
41 prior to the adoption of the comprehensive plan, such plan shall not be  
42 superseded except by a two-thirds vote of the whole number of members of  
43 the county planning commission.

44 § 4. Section 10 of the statute of local governments is amended by  
45 adding a new subdivision 6-a to read as follows:

46 6-a. In the case of a county, when authorized by local law adopted by  
47 the legislative body of any city, town or village of the county and in  
48 accordance with an intermunicipal agreement entered into between the  
49 local governments in a manner prescribed by statute, the power to adopt,  
50 amend, repeal, and/or enforce zoning and other land use regulations in  
51 all or part of such city, village or town, provided however, an intermu-  
52 nicipal agreement entered into with a county to allow such county to  
53 adopt, amend, repeal, and/or enforce zoning and other land use regu-  
54 lations within a village would require the authorization from the legis-  
55 lative body of such village.

§ 5. Section four of this act shall take effect immediately after it is enacted by the legislature with the approval of the governor in accordance with paragraph one of subdivision (b) of section two of article nine of the constitution, and provided that it is re-enacted by the legislature and approved by the governor in the next calendar year in accordance with such paragraph. After such re-enactment by the legislature and approval by the governor of section four of this act in accordance with article nine of the constitution, sections one, two, and three of this act shall take effect immediately after such date; provided, further, that the governor's office shall notify the legislative bill drafting commission upon the occurrence of the enactment of this legislation provided for in this section in order that the commission may maintain an accurate and timely effective data base of the official text of the laws of the state of New York in furtherance of effectuating the provisions of section 44 of the legislative law and section 70-b of the public officers law.

§ 2. Severability. If any clause, sentence, paragraph, subdivision, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, section or part thereof directly involved in the controversy in which such judgment shall have been rendered. It is hereby declared to be the intent of the legislature that this act would have been enacted even if such invalid provisions had not been included herein.

§ 3. This act shall take effect immediately; provided, however, that the applicable effective date of Subparts A and B of this Part shall be as specifically set forth in the last section of such Subparts.

#### PART EE

Section 1. The general municipal law is amended by adding a new article 12-I to read as follows:

#### ARTICLE 12-I

#### COUNTY-WIDE SHARED SERVICES PANELS

#### Section 239-bb. County-wide shared services panels.

§ 239-bb. County-wide shared services panels. 1. Definitions. The following terms shall have the following meanings for the purposes of this article:

a. "County" shall mean any county not wholly contained within a city.

b. "County CEO" shall mean the county executive, county manager or other chief executive of the county, or, where none, the chair of the county legislative body.

c. "Panel" shall mean a county-wide shared services panel established pursuant to subdivision two of this section.

d. "Plan" shall mean a county-wide shared services property tax savings plan.

2. County-wide shared services panels. a. There shall be a county-wide shared services panel in each county consisting of the county CEO, and one representative from each city, town and village in the county. The chief executive officer of each town, city and village shall be the representative to a panel and shall be the mayor, if a city or a village, or shall be the supervisor, if a town. The county CEO shall serve as chair. All panels established in each county pursuant to part BBB of chapter fifty-nine of the laws of two thousand seventeen, and prior to the enactment of this article, shall continue in satisfaction

1 of this section in such form as they were established, provided that the  
2 county CEO may alter the membership of the panel consistent with para-  
3 graph b of this subdivision.

4 b. The county CEO may invite any school district, board of cooperative  
5 educational services, fire district, fire protection district, or  
6 special improvement district in the county to join a panel. Upon such  
7 invitation, the governing body of such school district, board of cooper-  
8 ative educational services, fire district, fire protection district, or  
9 other special district may accept such invitation by selecting a repre-  
10 sentative of such governing body, by majority vote, to serve as a member  
11 of the panel. Such school district, board of cooperative educational  
12 services, fire district, fire protection district or other special  
13 district shall maintain such representation until the panel either  
14 approves a plan or transmits a statement to the secretary of state on  
15 the reason the panel did not approve a plan, pursuant to paragraph d of  
16 subdivision seven of this section. Upon approval of a plan or a trans-  
17 mission of a statement to the secretary of state that a panel did not  
18 approve a plan in any calendar year, the county CEO may, but need not,  
19 invite any school district, board of cooperative educational services,  
20 fire district, fire protection district or special improvement district  
21 in the county to join a panel thereafter convened.

22 c. Notwithstanding any provision of the education law, or any other  
23 provision of law, rule or regulation, to the contrary, any school  
24 district or board of cooperative educational services may join a panel  
25 established pursuant to the provisions of this section, and may further  
26 participate in any of the activities of such panel, with any participat-  
27 ing county, town, city, village, fire district, fire protection  
28 district, special improvement district, school district, or board of  
29 cooperative educational services participating in such panels.

30 3. Each county CEO shall, after satisfying the requirements of part  
31 BBB of chapter fifty-nine of the laws of two thousand seventeen, revise  
32 and update a previously approved plan or develop a new plan. Such plans  
33 shall contain new, recurring property tax savings resulting from actions  
34 such as, but not limited to, the elimination of duplicative services;  
35 shared service arrangements including, joint purchasing, shared highway  
36 equipment, shared storage facilities, shared plowing services, and ener-  
37 gy and insurance purchasing cooperatives; reducing back office adminis-  
38 trative overhead; and better-coordinating services. The secretary of  
39 state may provide guidance on the form and structure of such plans.

40 4. While developing a plan, the county CEO shall regularly consult  
41 with, and take recommendations from, the representatives: on the panel;  
42 of each collective bargaining unit of the county and the cities, towns,  
43 and villages; and of each collective bargaining unit of any participat-  
44 ing school district, board of cooperative educational services, fire  
45 district, fire protection district, or special improvement district.

46 5. The county CEO, the county legislative body and a panel shall  
47 accept input from the public, civic, business, labor and community lead-  
48 ers on any proposed plan. The county CEO shall cause to be conducted a  
49 minimum of three public hearings prior to submission of a plan to a vote  
50 of a panel. All such public hearings shall be conducted within the coun-  
51 ty, and public notice of all such hearings shall be provided at least  
52 one week prior in the manner prescribed in subdivision one of section  
53 one hundred four of the public officers law. Civic, business, labor,  
54 and community leaders, as well as members of the public, shall be  
55 permitted to provide public testimony at any such hearings.

1 6. a. The county CEO shall submit each plan, accompanied by a certifi-  
2 ication as to the accuracy of the savings contained therein, to the  
3 county legislative body at least forty-five days prior to a vote by the  
4 panel.

5 b. The county legislative body shall review and consider each plan  
6 submitted in accordance with paragraph a of this subdivision. A majority  
7 of the members of such body may issue an advisory report on each plan,  
8 making recommendations as deemed necessary. The county CEO may modify a  
9 plan based on such recommendations, which shall include an updated  
10 certification as to the accuracy of the savings contained therein.

11 7. a. A panel shall duly consider any plan properly submitted to the  
12 panel by the county CEO and may approve such plan by a majority vote of  
13 the panel. Each member of a panel may, prior to the panel-wide vote,  
14 cause to be removed from a plan any proposed action affecting the unit  
15 of government represented by the respective member. Written notice of  
16 such removal shall be provided to the county CEO prior to a panel-wide  
17 vote on a plan.

18 b. Plans approved by a panel shall be transmitted to the secretary of  
19 state no later than thirty days from the date of approval by a panel  
20 accompanied by a certification as to the accuracy of the savings accom-  
21 panied therein, and shall be publicly disseminated to residents of the  
22 county in a concise, clear, and coherent manner using words with common  
23 and everyday meaning.

24 c. The county CEO shall conduct a public presentation of any approved  
25 plan no later than thirty days from the date of approval by a panel.  
26 Public notice of such presentation shall be provided at least one week  
27 prior in the manner prescribed in subdivision one of section one hundred  
28 four of the public officers law.

29 d. Beginning in two thousand twenty, by January fifteenth following  
30 any calendar year during which a panel did not approve a plan and trans-  
31 mit such plan to the secretary of state pursuant to paragraph b of this  
32 subdivision, such panel shall release to the public and transmit to the  
33 secretary of state a statement explaining why the panel did not approve  
34 a plan that year, including, for each vote on a plan, the vote taken by  
35 each panel member and an explanation by each panel member of their vote.

36 8. The secretary of state may solicit, and the panels shall provide at  
37 her or his request, advice, guidance and recommendations concerning  
38 matters related to the operations of local governments and shared  
39 services initiatives, including, but not limited to, making recommenda-  
40 tions regarding grant proposals incorporating elements of shared  
41 services, government dissolutions, government and service consol-  
42 idations, or property taxes and such other grants where the secretary  
43 deems the input of the panels to be in the best interest of the public.  
44 The panel shall advance such advice, guidance or recommendations by a  
45 vote of the majority of the members present at such meeting.

46 § 2. If any clause, sentence, paragraph, subdivision, section or part  
47 of this act shall be adjudged by any court of competent jurisdiction to  
48 be invalid, such judgment shall not affect, impair, or invalidate the  
49 remainder thereof, but shall be confined in its operation to the clause,  
50 sentence, paragraph, subdivision, section or part thereof directly  
51 involved in the controversy in which such judgment shall have been  
52 rendered. It is hereby declared to be the intent of the legislature that  
53 this act would have been enacted even if such invalid provisions had not  
54 been included herein.

55 § 3. This act shall take effect immediately.

For purposes of this subdivision, the present value of the aggregate debt service of the refunding bonds and the aggregate debt service of the bonds refunded, shall be calculated by utilizing the true interest cost of the refunding bonds, which shall be that rate arrived at by doubling the semi-annual interest rate (compounded semi-annually) necessary to discount the debt service payments on the refunding bonds from the payment dates thereof to the date of issue of the refunding bonds to the purchase price of the refunding bonds, including interest accrued thereon prior to the issuance thereof. 53 refunding transaction and that either (i) the refunding will benefit  
54 state taxpayers over the life of the refunding bonds by achieving an  
55 actual debt service savings each year or state fiscal year during the  
56 term to maturity of the refunding bonds when debt service on the refund-

ing bonds is expected to be paid from legislative appropriations or (ii) debt service on the refunding bonds shall be payable in annual installments of principal and interest which result in substantially level or declining debt service payments pursuant to paragraph (b) of subdivision two of section fifty-seven of this article. Such certification by the comptroller shall be conclusive as to matters contained therein after the refunding bonds have been issued.

(g) Any refunding bonds issued pursuant to this section shall be paid in annual installments which shall, so long as any refunding bonds are outstanding, be made in each year or state fiscal year in which installments were due on the bonds to be refunded and shall be in an amount which shall result in annual debt service payments which shall be less in each year or state fiscal year than the annual debt service payments on the bonds to be refunded unless debt service on the refunding bonds is payable in annual installments of principal and interest which will result in substantially level or declining debt service payments pursuant to paragraph (b) of subdivision two of section fifty-seven of this article.

§ 54. Subdivisions 1, 2 and 6 of section 57 of the state finance law, as amended by section 49 of part XXX of chapter 59 of the laws of 2017, are amended to read as follows:

1. Whenever the legislature, after authorization of a bond issue by the people at a general election, as provided by section eleven of article seven of the state constitution, or as provided by section three of article eighteen of the state constitution, shall have authorized, by one or more laws, the creation of a state debt or debts, bonds of the state, to the amount of the debt or debts so authorized, shall be issued and sold by the state comptroller. Any appropriation from the proceeds of the sale of bonds, pursuant to this section, shall be deemed to be an authorization for the creation of a state debt or debts to the extent of such appropriation. The state comptroller may issue and sell a single series of bonds pursuant to one or more such authorizations and for one or more duly authorized works or purposes. As part of the proceedings for each such issuance and sale of bonds, the state comptroller shall designate the works or purposes for which they are issued. It shall not be necessary for him to designate the works or purposes for which the bonds are issued on the face of the bonds. The proceeds from the sale of bonds for more than one work or purpose shall be separately accounted for according to the works or purposes designated for such sale by the comptroller and the proceeds received for each work or purpose shall be expended only for such work or purpose. The bonds shall bear interest at such rate or rates as in the judgment of the state comptroller may be sufficient or necessary to effect a sale of the bonds, and such interest shall be payable at least semi-annually, in the case of bonds with a fixed interest rate, and at least annually, in the case of bonds with an interest rate that varies periodically, in the city of New York unless annual payments of principal and interest result in substantially level or declining debt service payments over the life of an issue of bonds pursuant to paragraph (b) of subdivision two of this section or unless accrued interest is contributed to a sinking fund in accordance with subdivision three of section twelve of article seven of the state constitution, in which case interest shall be paid at such times and at such places as shall be determined by the state comptroller prior to issuance of the bonds.

2. Such bonds, or the portion thereof at any time issued, shall be made payable (a) in equal annual principal installments or (b) in annual

1 installments of principal and interest which result in substantially  
2 level or declining debt service payments, over the life of the bonds,  
3 the first of which annual installments shall be payable not more than  
4 one year from the date of issue and the last of which shall be payable  
5 at such time as the comptroller may determine but not more than forty  
6 years or state fiscal years after the date of issue, not more than fifty  
7 years after the date of issue in the case of housing bonds, and not more  
8 than twenty-five years in the case of urban renewal bonds. Where bonds  
9 are payable pursuant to paragraph (b) of this subdivision, except for  
10 the year or state fiscal year of initial issuance if less than a full  
11 year of debt service is to become due in that year or state fiscal year,  
12 either (i) the greatest aggregate amount of debt service payable in any  
13 year or state fiscal year shall not differ from the lowest aggregate  
14 amount of debt service payable in any other year or state fiscal year by  
15 more than five percent or (ii) the aggregate amount of debt service in  
16 each year or state fiscal year shall be less than the aggregate amount  
17 of debt service in the immediately preceding year or state fiscal year.  
18 For purposes of this subdivision, debt service shall include all principal,  
19 redemption price, sinking fund installments or contributions, and  
20 interest scheduled to become due. For purposes of determining whether  
21 debt service is level or declining on bonds issued with a variable rate  
22 of interest pursuant to paragraph b of subdivision four of this section,  
23 the comptroller shall assume a market rate of interest as of the date of  
24 issuance. Where the comptroller determines that interest on any bonds  
25 shall be compounded and payable at maturity, such bonds shall be payable  
26 only in accordance with paragraph (b) of this subdivision unless accrued  
27 interest is contributed to a sinking fund in accordance with subdivision  
28 three of section twelve of article seven of the state constitution. In  
29 no case shall any bonds or portion thereof be issued for a period longer  
30 than the probable life of the work or purpose, or part thereof, to which  
31 the proceeds of the bonds are to be applied, or in the alternative, the  
32 weighted average period of the probable life of the works or purposes to  
33 which the proceeds of the bonds are to be applied taking into consideration  
34 the respective amounts of bonds issued for each work or purpose,  
35 as may be determined under section sixty-one of this article and in  
36 accordance with the certificate of the commissioner of general services,  
37 and/or the commissioner of transportation, state architect, state  
38 commissioner of housing and urban renewal, or other authority, as the  
39 case may be, having charge by law of the acquisition, construction, work  
40 or improvement for which the debt was authorized. Such certificate shall  
41 be filed in the office of the state comptroller and shall state the  
42 group, or, where the probable lives of two or more separable parts of  
43 the work or purposes are different, the groups, specified in such  
44 section, for which the amount or amounts, shall be provided by the issuance  
45 and sale of bonds. Weighted average period of probable life shall  
46 be determined by computing the sum of the products derived from multiplying  
47 the dollar value of the portion of the debt contracted for each  
48 work or purpose (or class of works or purposes) by the probable life of  
49 such work or purpose (or class of works or purposes) and dividing the  
50 resulting sum by the dollar value of the entire debt after taking into  
51 consideration any original issue discount. Any costs of issuance  
52 financed with bond proceeds shall be prorated among the various works or  
53 purposes. Such bonds, or the portion thereof at any time sold, shall be  
54 of such denominations, subject to the foregoing provisions, as the state  
55 comptroller may determine. Notwithstanding the foregoing provisions of  
56 this subdivision, the comptroller may issue all or a portion of such

bonds as serial debt, term debt or a combination thereof, maturing as required by this subdivision, provided that the comptroller shall have provided for the retirement each year or state fiscal year, or otherwise have provided for the payment of, through sinking fund installment payments or otherwise, a portion of such term bonds in an amount meeting the requirements of paragraph (a) or (b) of this subdivision or shall have established a sinking fund and provided for contributions thereto as provided in subdivision eight of this section and section twelve of article seven of the state constitution.

6. Except with respect to bonds issued in the manner provided in paragraph (c) of subdivision seven of this section, all bonds of the state of New York which the comptroller of the state of New York is authorized to issue and sell, shall be executed in the name of the state of New York by the manual or facsimile signature of the state comptroller and his seal (or a facsimile thereof) shall be thereunto affixed, imprinted, engraved or otherwise reproduced. In case the state comptroller who shall have signed and sealed any of the bonds shall cease to hold the office of state comptroller before the bonds so signed and sealed shall have been actually countersigned and delivered by the fiscal agent or trustee, such bonds may, nevertheless, be countersigned and delivered as herein provided, and may be issued as if the state comptroller who signed and sealed such bonds had not ceased to hold such office. Any bond of a series may be signed and sealed on behalf of the state of New York by such person as at the actual time of the execution of such bond shall hold the office of comptroller of the state of New York, although at the date of the bonds of such series such person may not have held such office. The coupons to be attached to the coupon bonds of each series shall be signed by the facsimile signature of the state comptroller of the state of New York or by any person who shall have held the office of state comptroller of the state of New York on or after the date of the bonds of such series, notwithstanding that such person may not have been such state comptroller at the date of any such bond or may have ceased to be such state comptroller at the date when any such bond shall be actually countersigned and delivered. The bonds of each series shall be countersigned with the manual signature of an authorized employee of the fiscal agent or trustee of the state of New York. No bond and no coupon thereunto appertaining shall be valid or obligatory for any purpose until such manual countersignature of an authorized employee of the fiscal agent or trustee of the state of New York shall have been duly affixed to such bond.

§ 55. Section 62 of the state finance law, as amended by section 51 of part XXX of chapter 59 of the laws of 2017, is amended to read as follows:

§ 62. Replacement of lost certificates. The comptroller, who may act through his duly authorized fiscal agent or trustee appointed pursuant to section sixty-five of this article, may issue to the lawful owner of any certificate or bond issued by him in behalf of this state, which he or such duly authorized fiscal agent or trustee is satisfied, by due proof filed in his office or with such duly authorized fiscal agent or trustee, has been lost or casually destroyed, a new certificate or bond, corresponding in date, number and amount with the certificate or bond so lost or destroyed, and expressing on its face that it is a renewed certificate or bond. No such renewed certificate or bond shall be issued unless sufficient security is given to satisfy the lawful claim of any person to the original certificate or bond, or to any interest therein. The comptroller shall report annually to the legislature the number and

1 amount of all renewed certificates or bonds so issued. If the renewed  
2 certificate is issued by the state's duly authorized fiscal agent or  
3 trustee and such agent or trustee agrees to be responsible for any loss  
4 suffered as a result of unauthorized payment, the security shall be  
5 provided to and approved by the fiscal agent or trustee and no addi-  
6 tional approval by the comptroller or the attorney general shall be  
7 required.

8 § 56. Section 65 of the state finance law, as amended by section 52 of  
9 part XXX of chapter 59 of the laws of 2017, is amended to read as  
10 follows:

11 § 65. Appointment of fiscal agent or trustee; powers and duties. 1.  
12 Notwithstanding any other provisions of this chapter, the comptroller,  
13 on behalf of the state, may contract from time to time for a period or  
14 periods not exceeding ten years each, except in the case of a bank or  
15 trust company agreeing to act as issuing, paying and/or tender agent  
16 with respect to a particular issue of variable interest rate bonds in  
17 which case the comptroller, on behalf of the state, may contract for a  
18 period not to exceed the term of such particular issue of bonds, with  
19 one or more banks or trust companies located in the city of New York, to  
20 act as fiscal agent, trustee, or agents of the state, and for the main-  
21 tenance of an office for the registration, conversion, reconversion and  
22 transfer of the bonds and notes of the state, including the preparation  
23 and substitution of new bonds and notes, for the payment of the princi-  
24 pal thereof and interest thereon, for related services, and to otherwise  
25 effectuate the powers and duties of a fiscal agent or trustee on behalf  
26 of the state in all such respects as may be determined by the comp-  
27 troller for such bonds and notes, and for the payment by the state of  
28 such compensation therefor as the comptroller may determine. Any such  
29 fiscal agent or trustee may, where authorized pursuant to the terms of  
30 its contract, accept delivery of obligations purchased by the state and  
31 of securities deposited with the state pursuant to sections one hundred  
32 five and one hundred six of this chapter and hold the same in safekeep-  
33 ing, make delivery to purchasers of obligations sold by the state, and  
34 accept deposit of such proceeds of sale without securing the same. Any  
35 such contract may also provide that such fiscal agent or trustee may,  
36 upon the written instruction of the comptroller, deposit any obligations  
37 or securities which it receives pursuant to such contract, in an account  
38 with a federal reserve bank, to be held in such account in the form of  
39 entries on the books of the federal reserve bank, and to be transferred  
40 in the event of any assignment, sale, redemption, maturity or other  
41 disposition of such obligations or securities, by entries on the books  
42 of the federal reserve bank. Any such bank or trust company shall be  
43 responsible to the people of this state for the faithful and safe  
44 conduct of the business of said office, for the fidelity and integrity  
45 of its officers and agents employed in such office, and for all loss or  
46 damage which may result from any failure to discharge their duties, and  
47 for any improper and incorrect discharge of those duties, and shall save  
48 the state free and harmless from any and all loss or damage occasioned  
49 by or incurred in the performance of such services. Any such contract  
50 may be terminated by the comptroller at any time. In the event of any  
51 change in any office maintained pursuant to any such contract, the comp-  
52 troller shall give public notice thereof in such form as he may deter-  
53 mine appropriate.

54 2. The comptroller shall prescribe rules and regulations for the  
55 registration, conversion, reconversion and transfer of the bonds and  
56 notes of the state, including the preparation and substitution of new

bonds, for the payment of the principal thereof and interest thereon, and for other authorized services to be performed by such fiscal agent or trustee. Such rules and regulations, and all amendments thereof, shall be prepared in duplicate, one copy of which shall be filed in the office of the department of audit and control and the other in the office of the department of state. A copy thereof may be filed as a public record in such other offices as the comptroller may determine.
