Provided further, that effective with exemption applications for final assessment rolls to be completed in two thousand nineteen, where an income-eligibility determination is wholly or partly based upon the income of one or more individuals who did not file a return for the applicable income tax year, then in order for the application to be considered complete, each such individual must file a statement with the department showing the source or sources of his or her income for that income tax year, and the amount or amounts thereof, that would have been reported on such a return if one had been filed. Such statement shall be filed at such time, and in such form and manner, as may be prescribed by the department, and shall be subject to the secrecy provisions of the tax law to the same extent that a personal income tax return would be. The department shall make such forms and instructions available for the filing of such statements.

§ 2. Subparagraph (iv) of paragraph (b) of subdivision 4 of section 425 of the real property tax law, as amended by chapter 451 of the laws of 2015, is amended to read as follows:

(B) Where the commissioner finds that the enhanced exemption should be replaced with a basic exemption because the income limitation applicable to the enhanced exemption has been exceeded, he or she shall provide the property owners with notice and an opportunity to submit to the commissioner evidence to the contrary. Where the commissioner finds that the

1 enhanced exemption should be removed or denied without being replaced
2 with a basic exemption because the income limitation applicable to the
3 basic exemption has also been exceeded, he or she shall provide the
4 property owners with notice and an opportunity to submit to the commis-
5 sioner evidence to the contrary. In either case, if the owners fail to
6 respond to such notice within forty-five days from the mailing thereof,
7 or if their response does not show to the commissioner's satisfaction
8 that the property is eligible for the exemption claimed, the commission-
9 er shall direct the assessor or other person having custody or control
10 of the assessment roll or tax roll to either replace the enhanced
11 exemption with a basic exemption, or to remove or deny the enhanced
12 exemption without replacing it with a basic exemption, as appropriate.
13 The commissioner shall further direct such person to correct the roll
14 accordingly. Such a directive shall be binding upon the assessor or
15 other person having custody or control of the assessment roll or tax

19 assessor nor a board of assessment review has the authority to consider
20 an objection to the replacement or removal or denial of an exemption
21 pursuant to this subdivision, nor may such an action be reviewed in a
22 proceeding to review an assessment pursuant to title one or one-A of
23 article seven of this chapter. Such an action may only be challenged
24 before the department. If a taxpayer is dissatisfied with the depart-
25 ment's final determination, the taxpayer may appeal that determination
26 to the state board of real property tax services in a form and manner to
27 be prescribed by the commissioner. Such appeal shall be filed within
28 forty-five days from the issuance of the department's final determi-
29 nation. If dissatisfied with the state board's determination, the
30 taxpayer may seek judicial review thereof pursuant to article seventy-
31 eight of the civil practice law and rules. The taxpayer shall otherwise
32 have no right to challenge such final determination in a court action,
33 administrative proceeding or any other form of legal recourse against
34 the commissioner, the department, the state board of real property tax
35 services, the assessor or other person having custody or control of the
36 assessment roll or tax roll regarding such action.

47 exemption may request that a notice be sent to an adult third party.
48 Such request shall be made on a form prescribed by the commissioner and
49 shall be submitted to the assessor of the assessing unit in which the
50 eligible taxpayer resides no later than sixty days before the first
51 taxable status date to which it is to apply. Such form shall provide a
52 section whereby the designated third party shall consent to such desig-
53 nation. Such request shall be effective upon receipt by the assessor.
54 The assessor shall maintain a list of all eligible property owners who
55 have requested notices pursuant to this paragraph and shall furnish a
56 copy of such list to the department upon request.

(ii) ~~[In the case of a senior citizen who has not elected to participate in the STAR income verification program, a notice shall be sent to the designated third party at least thirty days prior to each ensuing taxable status date, provided that no such notice need be sent in the first year if the request was not received by the assessor at least sixty days before the applicable taxable status date. Such notice shall read substantially as follows:~~

When the exemption is subject to removal because the assessor has determined that any other eligibility requirement is not satisfied, such notice shall be sent to the third party by the assessor. Such notice shall read substantially as follows:

"On behalf of (identify senior citizen or citizens), you are advised that his, her, or their enhanced STAR exemption is at risk of being removed. You are encouraged to make sure that he, she or they are aware of that fact, and to offer assistance if needed, although you are under no legal obligation to do so. Your cooperation and assistance are greatly appreciated."

~~(iv)]~~ (iii) The obligation to mail such notices shall cease if the eligible taxpayer cancels the request or ceases to qualify for the enhanced STAR exemption.

§ 6. Paragraph (c) of subdivision 6 of section 425 of the real property tax law is REPEALED.

§ 7. Subdivision 9-b of section 425 of the real property tax law, as added by section 8 of part E of chapter 83 of the laws of 2002 and paragraph (b) as amended by chapter 742 of the laws of 2005 and further amended by subdivision (b) of section 1 of part W of chapter 56 of the laws of 2010, is amended to read as follows:

5 ~~enhanced exemption shall be continued without a renewal application as~~
6 ~~long as the property continues to be eligible for the senior citizens~~
7 ~~exemption authorized by section four hundred sixty seven of this title.]~~

8 § 8. Section 425 of the real property tax law is amended by adding a
9 new subdivision 14-a to read as follows:

10 14-a. Implementation of certain eligibility determinations. When a
11 taxpayer's eligibility for exemption under this section for a school
12 year is affected by a determination made in accordance with subparagraph
13 (iv) of paragraph (b) of subdivision four of this section or paragraph
14 (c) or (d) of subdivision fourteen of this section, and the determi-
15 nation is made after the school district taxes for that school year have
16 been levied, the provisions of this subdivision shall be applicable.

17 (a) If the determination restores or increases the taxpayer's
18 exemption for that school year, the commissioner is authorized to remit
19 the excess directly to the property owner upon receiving confirmation
20 that the taxpayer's original school tax bill has been paid in full. The
21 amounts payable by the commissioner under this paragraph shall be paid
22 from the account established for the payment of STAR benefits to late
23 registrants pursuant to subparagraph (iii) of paragraph (a) of subdivi-
24 sion fourteen of this section. When the commissioner implements the
25 determination in this manner, he or she shall so notify the assessor and
26 county director of real property tax services, but no correction shall
27 be made to the assessment roll or tax roll for that school year, and no
28 refund shall be issued by the school authorities to the property owner
29 or his or her agent for the excessive amount of school taxes paid for
30 that school year.

31 (b) If the determination removes, denies or decreases the taxpayer's
32 exemption for that school year, the commissioner is authorized to
33 collect the shortfall directly from the owners of the property, together
34 with interest, by utilizing any of the procedures for collection, levy,
35 and lien of personal income tax set forth in article twenty-two of the
36 tax law, and any other relevant procedures referenced within the
37 provisions of such article. When the commissioner implements the deter-
38 mination in this manner, he or she shall so notify the assessor and
39 county director of real property tax services, but no correction shall
40 be made to the assessment roll or tax roll for that school year, and no
41 corrected school tax bill shall be sent to the taxpayer for that school
42 year.

43 § 9. Section 171-o of the tax law is REPEALED.

44 § 10. Subparagraph (B) of paragraph 1 of subsection (eee) of section
45 606 of the tax law, as amended by section 8 of part A of chapter 73 of
46 the laws of 2016, is amended to read as follows:

47 (B) "Affiliated income" shall mean for purposes of the basic STAR
48 credit, the combined income of all of the owners of the parcel who
49 resided primarily thereon as of December thirty-first of the taxable
50 year, and of any owners' spouses residing primarily thereon as of such
51 date, and for purposes of the enhanced STAR credit, the combined income
52 of all of the owners of the parcel as of December thirty-first of the
53 taxable year, and of any owners' spouses residing primarily thereon as
54 of such date; provided that for both purposes the income to be so
55 combined shall be the "adjusted gross income" for the taxable year as
56 reported for federal income tax purposes, or that would be reported as

1 adjusted gross income if a federal income tax return were required to be
2 filed, reduced by distributions, to the extent included in federal
3 adjusted gross income, received from an individual retirement account
4 and an individual retirement annuity. For taxable years beginning on
5 and after January first, two thousand nineteen, where an income-eli-
6 bility determination is wholly or partly based upon the income of one or
7 more individuals who did not file a return pursuant to section six
8 hundred fifty-one of this article for the applicable income tax year,
9 then in order to be eligible for the credit authorized by this
10 subsection, each such individual must file a statement with the depart-
11 ment showing the source or sources of his or her income for that income
12 tax year, and the amount or amounts thereof, that would have been
13 reported on such a return if one had been filed. Such statement shall be
14 filed at such time, and in such form and manner, as may be prescribed by
15 the department, and shall be subject to the provisions of section six
16 hundred ninety-seven of this article to the same extent that a return
17 would be. The department shall make such forms and instructions avail-
18 able for the filing of such statements. Provided further, that if the
19 qualified taxpayer was an owner of the property during the taxable year
20 but did not own it on December thirty-first of the taxable year, then
21 the determination as to whether the income of an individual should be
22 included in "affiliated income" shall be based upon the ownership and/or
23 residency status of that individual as of the first day of the month
24 during which the qualified taxpayer ceased to be an owner of the proper-
25 ty, rather than as of December thirty-first of the taxable year.

26 § 11. No application for an enhanced exemption on a final assessment
27 roll to be completed in 2019 may be approved if the applicants have not
28 enrolled in the STAR income verification program established by subpara-
29 graph (iv) of paragraph (b) of subdivision 4 of section 425 of the real
30 property tax law as amended by section two of this act, regardless of
31 when the application was filed. The assessor shall notify such appli-
32 cants that participation in that program has become mandatory for all
33 applicants and that their applications cannot be approved unless they
34 enroll therein. The commissioner of taxation and finance shall provide
35 a form for assessors to use, at their option, when making this notifica-
36 tion.

37 § 12. This act shall take effect immediately.

38 PART C

39 Section 1. Subdivision 1-e of section 333 of the real property law is
40 amended by adding two new paragraphs ix and x to read as follows:

41 ix. Whenever there has been a transfer or acquisition of a share or
42 shares in a cooperative housing corporation, and such share or shares
43 come with a right to occupy a unit or apartment located in property
44 owned by such corporation, a transfer report must be filed by the trans-
45 feree or transferees directly with the department of taxation and
46 finance, regardless of whether a deed is prepared, delivered or
47 recorded, as set forth in this paragraph. The fee imposed by subdivision
48 three of this section shall not apply to transfer reports filed directly
49 with the department of taxation and finance pursuant to this paragraph.
50 Such report shall be in a form prescribed by the commissioner of tax-
51 ation and finance, must contain the information required to be included
52 by this subdivision, and in addition, must specify the number of shares
53 being transferred or acquired. When a real estate transfer tax return is
54 filed with such commissioner pursuant to section fourteen hundred nine

1 of the tax law in relation to such property, the report required by this
2 paragraph shall be filed concurrently therewith, but in no event shall
3 the report required by this paragraph be deemed to be a part of such
4 real estate transfer tax return.

5 x. Whenever there has been a transfer or acquisition of a controlling
6 interest in an entity with an interest in real property, a transfer
7 report must be filed by the transferee or transferees directly with the
8 department of taxation and finance, regardless of whether a deed is
9 prepared, delivered or recorded, as set forth in this paragraph. The fee
10 imposed by subdivision three of this section shall not apply to transfer
11 reports filed directly with the department of taxation and finance
12 pursuant to this paragraph. Such report shall be in a form prescribed by
13 the commissioner of taxation and finance, must contain the information
14 required to be included by this subdivision, and in addition, must spec-
15 ify the percentage of the ownership interest being transferred or
16 acquired. The transfer report shall indicate the percentage of the tran-
17 saction that is exempt from the real estate transfer tax as a mere
18 change in identity or form of ownership or organization where there is
19 no change in beneficial ownership pursuant to paragraph six of subdivi-
20 sion (b) of section fourteen hundred five of the tax law, if any. When
21 a real estate transfer tax return is filed with such commissioner pursu-
22 ant to section fourteen hundred nine of the tax law in relation to such
23 property, the report required by this paragraph shall be filed concur-
24 rently therewith, but in no event shall the report required by this
25 paragraph be deemed to be a part of such real estate transfer tax
26 return. For purposes of this paragraph, the terms "controlling interest"
27 and "interest in real property" shall have the same meaning as set forth
28 in section fourteen hundred one of the tax law, provided, however, that
29 the term "interest in real property" shall be limited to interests in
30 real property subject to real property tax assessment such as lands,
31 buildings, structures, and other improvements, and shall not include
32 development rights, air space, or air rights.

33 § 2. This act shall take effect January 1, 2019 and shall apply to
34 transfers and acquisitions occurring on and after such date.

35 PART D

37 amended by chapter 566 of the laws of 1996, is amended to read as
38 follows:

40 commissioner of housing and community renewal shall have the power and
41 duty to enforce and ensure compliance with the provisions of this
42 section. However, the commissioner shall not have the power or duty to
43 enforce manufactured home park rules and regulations established under
44 subdivision f of this section.

45 2. On or before January first, nineteen hundred eighty-nine, each
46 manufactured home park owner or operator shall file a registration
47 statement with the commissioner and shall thereafter file an annual
48 registration statement on or before January first of each succeeding
49 year, up to and including two thousand eighteen. Thereafter, each manu-
50 factured home park owner or operator shall file quarterly registration
51 statements with the commissioner no later than twenty-one days after the
52 end of each calendar quarter. The commissioner, by regulation, shall
53 provide that such registration statement shall include [~~only~~] the names
54 of all persons owning an interest in the park, the names of all tenants

of the park, all services provided by the park owner to the tenants, and such other information as the commissioner shall prescribe by regulation after consultation with the commissioner of taxation and finance; provided that in the case of a registration statement for the first calendar quarter of a year, such statement shall also include a copy of all current manufactured home park rules and regulations. The commissioner shall provide the commissioner of taxation and finance with a complete copy of each quarterly report no later than fifteen days after the receipt thereof.

3. Whenever there shall be a violation of this section, an application may be made by the commissioner of housing and community renewal in the name of the people of the state of New York to a court or justice having jurisdiction by a special proceeding to issue an injunction, and upon notice to the defendant of not less than five days, to enjoin and restrain the continuance of such violation; and if it shall appear to the satisfaction of the court or justice that the defendant has, in fact, violated this section, an injunction may be issued by such court or justice, enjoining and restraining any further violation and with respect to this subdivision, directing the filing of a registration statement. In any such proceeding, the court may make allowances to the commissioner of housing and community renewal of a sum not exceeding two thousand dollars against each defendant, and direct restitution. Such penalty shall be deposited in the manufactured home cooperative fund, created pursuant to section fifty-nine-h of the private housing finance law. In connection with any such proposed application, the commissioner of housing and community renewal is authorized to take proof and make a determination of the relevant facts and to issue subpoenas in accordance with the civil practice law and rules. The provisions of this subdivision shall not impair the rights granted under subdivision u of this section.

§ 2. This act shall take effect immediately.

43 one year after the tentative roll was filed, such certification shall be
44 made no later than fifteen days after the publication of the data needed
45 to compute the base figure for the enhanced STAR exemption pursuant to
46 clause (A) of subparagraph (vi) of paragraph (b) of this subdivision,
47 and provided further, that upon receipt of such certification, the
48 assessor shall thereupon be authorized and directed to correct the
49 assessment roll to reflect the exempt amount so certified, or, if anoth-

15 of this act shall take effect immediately and shall apply to taxable
16 years beginning on or after January 1, 2016.

REPEAL NOTE: Section 606(bbb) of the Tax Law, section 3-d of the
General Municipal Law and section 2023-b of the Education Law collec-
tively constituted the enabling legislation for the tax freeze credit
program. By the terms of those statutes, the tax freeze credit was only
applicable to taxable years 2014, 2015 and 2016. Therefore, these
provisions no longer serve a purpose, except for the reporting
provisions, which facilitate the administration of the tax levy limit
program and are being preserved in a reenacted section 3-d of the Gener-
al Municipal Law and section 2023-b of the Education Law.

17 PART F

18 Section 1. Subdivision 1 of section 544 of the real property tax law,
19 as amended by chapter 18 of the laws of 2008, is amended and a new
20 subdivision 3 is added to read as follows:

21 1. The comptroller shall pay taxes levied on lands of the state in
22 each county pursuant to the foregoing sections of this title, out of
23 moneys appropriated by the legislature therefor, to the county treasurer
24 for appropriate distribution upon submission of a statement of such
25 taxes by him or her in such form and executed in such manner by the
26 county treasurer as may be required by the comptroller. Provided, howev-
27 er, that in the case of lands which are taxable pursuant to subdivision
28 (j) of section five hundred thirty-two of this title, the comptroller
29 shall pay such taxes. Such payment shall be requested, processed and
30 paid separately from all other taxes that are payable to the county
31 treasurer pursuant to this section. Provided further, that on and after
32 April first, two thousand eighteen, once taxes have been paid on a taxa-
33 ble parcel of state land pursuant to this subdivision, the amount of
34 taxes due and payable on that parcel thereafter shall be calculated by
35 the comptroller in accordance with the provisions of subdivision three
36 of this section.

37 3. Notwithstanding any provision of law to the contrary, on and after
38 April first, two thousand eighteen, once taxes have been paid on a taxa-
39 ble parcel of state land pursuant to subdivision one of this section,
40 the comptroller shall thereafter calculate the taxes due and payable on
41 that parcel as follows:

42 (a) In the case of a local government, the taxes so payable shall
43 equal the taxes that were payable on that parcel in the prior fiscal
44 year of the local government multiplied by the allowable levy growth
45 factor. As used in this paragraph, the terms "local government," "prior

1 fiscal year" and "allowable levy growth factor" shall have the same
2 meanings as set forth in section three-c of the general municipal law,
3 provided that if such section is no longer in effect on the date such
4 taxes are paid, such terms shall be deemed to have the meanings set
5 forth in such section as it read on the last date on which it was in
6 effect.

7 (b) In the case of a school district, the taxes so payable shall equal
8 the taxes that were payable on that parcel in the prior school year of
9 the school district multiplied by the allowable levy growth factor. As
10 used in this paragraph, the terms "school district," "prior school year"
11 and "allowable levy growth factor" shall have the same meanings as set
12 forth in section two thousand twenty-three-a of the education law,
13 provided that if such section is no longer in effect on the date such
14 taxes are paid, such terms shall be deemed to have the meanings set
15 forth in such section as it read on the last date on which it was in
16 effect.

17 (c) On or before July first of each year, the comptroller shall calcu-
18 late the amounts of taxes that are due and payable on taxable state land
19 pursuant to this subdivision, and shall notify the commissioner of the
20 amounts so calculated. The commissioner shall thereupon transmit that
21 information to the affected local governments and school districts. The
22 taxes due on such lands shall be paid by the comptroller in the manner
23 provided by subdivision one of this section.

24 (d) The following provisions shall apply to state lands that are
25 subject to the provisions of this subdivision:

26 (i) Such lands shall not be included on the lists of taxable state
27 lands that must be supplied by the commissioner pursuant to section five
28 hundred forty of this title.

29 (ii) The assessments of such lands shall not be reported to the
30 commissioner pursuant to section five hundred forty-two of this title.

31 (iii) The assessments of such lands shall not be subject to the
32 approval of the commissioner pursuant to such section, and shall not be
33 taken into account in the calculation of the taxes due on such lands.

34 (iv) Such lands shall be entered on the exempt portion of the assess-
35 ment roll, notwithstanding the fact that they are taxable pursuant to
36 this title. Provided, that no such entry shall be made in the case of an
37 assessment adjustment made by the commissioner pursuant to paragraph (c)
38 of subdivision three of section five hundred forty-two of this title or
39 section 15-2115 of the environmental conservation law, or in the case of
40 state aid payable pursuant to section five hundred forty-five of this
41 title due to a reduction in the assessment of taxable state land.

42 (v) Such lands shall be disregarded when calculating state equaliza-
43 tion rates and tax rates.

44 (vi) When a school district receives payments of taxes on state lands
45 pursuant to this subdivision, any actual valuation computed for such
46 school district pursuant to paragraph c of subdivision one of section
47 thirty-six hundred two of the education law shall include the actual
48 valuation equivalent of those payments. The commissioner shall determine
49 such actual valuation equivalent by dividing the payment made, as
50 reported to such commissioner by the comptroller, by the school tax rate
51 that was applied to real property on that year's assessment roll or, if
52 applicable, the special apportionment rate determined pursuant to
53 section twelve hundred twenty-seven of this chapter and dividing such
54 result by the final state equalization rate for that roll. The actual
55 valuation equivalent shall be reported to the state comptroller and the
56 commissioner of education, and shall be used by the commissioner of

education in the determination of any state average that uses real property taxes levied against and/or actual valuation based upon the corresponding assessment roll. Each school district receiving payments of taxes on state lands pursuant to this subdivision shall annually report those payments to the commissioner of education, with a copy to the commissioner, as a condition to receiving any aid pursuant to section thirty-six hundred two of the education law.

(e) The provisions of this subdivision shall not apply to the payment of state aid pursuant to section five hundred forty-five of this title in relation to property that has become exempt from taxation due to its acquisition by the state or an agency of the state.

§ 2. This act shall take effect immediately.

20 gain included in federal taxable income that must be recharacterized as
21 a business receipt pursuant to section forty-four of this chapter;
22 provided, however, that in no case shall investment income exceed entire

(f) (1) Services rendered by a veterinarian licensed and registered as required by the education law which constitute the practice of veterinary medicine as defined in said law, including hospitalization for which no separate boarding charge is made, shall not be subject to tax under paragraph (3) of subdivision (c) of section eleven hundred five, but the exemption allowed by this subdivision shall not apply to other services provided by a veterinarian to pets and other animals, including, but not limited to, boarding, grooming and clipping. Articles of tangible personal property designed for use in some manner relating to domestic animals or poultry, when sold by such a veterinarian, shall not be subject to tax under subdivision (a) of section eleven hundred five or under section eleven hundred ten. (2) Drugs or medicine sold to or used by a veterinarian for use in rendering services that are exempt pursuant to paragraph one of this subdivision to livestock or poultry used in the production for sale of tangible personal property by farming, or sold to a person qualifying for the exemption provided for in paragraph six of subdivision (a) of this section for use by such person on such livestock or poultry.

6 within this state if that property is subsequently reshipped by such
7 purchaser or user to a point outside this state for use outside this

9 tangible personal property if that property is used by him solely in the
10 performance of a pre-existing lump sum or unit price construction
11 contract, (4) on the sale or use within this state of tangible personal
12 property, not purchased for resale, if the use of such property in this
13 state is restricted to fabricating such property (including incorporat-

15 processing, printing or imprinting such property and such property is
16 then shipped to a point outside this state for use outside this state,
17 ~~[(5) on the sale to or use by a veterinarian of drugs or medicine if~~

20 ~~hundred fifteen of this chapter, to livestock or poultry used in the~~
21 ~~production for sale of tangible personal property by farming or if such~~
22 ~~drugs or medicine are sold to a person qualifying for the exemption~~
23 ~~provided for in paragraph (6) of subdivision (a) of section eleven~~
24 ~~hundred fifteen of this chapter for use by such person on such livestock~~
25 ~~or poultry,~~] or (6) on the sale of tangible personal property purchased
26 for use in constructing, expanding or rehabilitating industrial or
27 commercial real property (other than property used or to be used exclu-
28 sively by one or more registered vendors primarily engaged in the retail
29 sale of tangible personal property) located in an area designated as an
30 empire zone pursuant to article eighteen-B of the general municipal law,
31 but only to the extent that such property becomes an integral component
32 part of the real property. (For the purpose of clause (3) of the preced-
33 ing sentence, the term "pre-existing lump sum or unit price construction
34 contract" shall mean a contract for the construction of improvements to
35 real property under which the amount payable to the contractor or
36 subcontractor is fixed without regard to the costs incurred by him in
37 the performance thereof, and which (i) was irrevocably entered into
38 prior to the date of the enactment of this article or the enactment of a
39 law increasing the rate of tax imposed under this article, or (ii)
40 resulted from the acceptance by a governmental agency of a bid accompa-
41 nied by a bond or other performance guaranty which was irrevocably
42 submitted prior to such date.) Where the tax on the sale or use of such
43 tangible personal property has been paid to the vendor, to qualify for
44 such refund or credit, such tangible personal property must be incorpo-
45 rated into real property as required in clause (1) above, reshipped as
46 required in clause (2) above, used in the manner described in clauses
47 (3), (4)[~~-(5)~~] and (6) above within three years after the date such tax
48 was payable to the tax commission by the vendor pursuant to section
49 eleven hundred thirty-seven. Where the tax on the sale or use of such
50 tangible personal property was paid by the applicant for the credit or
51 refund directly to the tax commission, to qualify for such refund or
52 credit, such tangible personal property must be incorporated into real
53 property as required in clause (1) above, reshipped as required in
54 clause (2) above, used in the manner described in clauses (3), (4)[~~-(5)~~]
55 ~~-(5)~~] and (6) above within three years after the date such tax was paya-
56 ble to the tax commission by such applicant pursuant to this article. An

1 application for a refund or credit pursuant to this section must be
2 filed with such commission within the time provided by subdivision (a)
3 of section eleven hundred thirty-nine. Such application shall be in such
4 form as the tax commission may prescribe. Where an application for cred-
5 it has been filed, the applicant may immediately take such credit on the
6 return which is due coincident with or immediately subsequent to the
7 time that he files his application for credit. However, the taking of
8 the credit on the return shall be deemed to be part of the application
9 for credit and shall be subject to the provisions in respect to applica-
10 tions for credit in section eleven hundred thirty-nine as provided in
11 subdivision (e) of such section. With respect to a sale or use described
12 in clause (3) above where a pre-existing lump sum or unit price
13 construction contract was irrevocably entered into prior to the date of
14 the enactment of this article or the bid accompanied by the performance
15 guaranty was irrevocably submitted to the governmental agency prior to
16 such date, the purchaser or user shall be entitled to a refund or credit
17 only of the amount by which the tax on such sale or use imposed under
18 this article plus any tax imposed under the authority of article twen-
19 ty-nine exceeds the amount computed by applying against such sale or use
20 the local rate of tax, if any, in effect at the time such contract was
21 entered into or such bid was submitted.

22 In the case of the enactment of a law increasing the rate of tax
23 imposed by this article, the purchaser or user shall be entitled only to
24 a refund or credit of the amount by which the increased tax on such sale
25 or use imposed under this article plus any tax imposed under the author-
26 ity of article twenty-nine exceeds the amount computed by applying
27 against such sale or use the state and local rates of tax in effect at
28 the time such contract was entered into or such bid was submitted.

29 § 3. This act shall take effect June 1, 2018, and shall apply to sales
30 made and uses occurring on and after such date.

31 PART X

32 Section 1. Subdivision 1 of section 1131 of the tax law, as amended by
33 chapter 576 of the laws of 1994, is amended to read as follows:

34 (1) "Persons required to collect tax" or "person required to collect
35 any tax imposed by this article" shall include: every vendor of tangible
36 personal property or services; every recipient of amusement charges; and
37 every operator of a hotel. Said terms shall also include any officer,
38 director or employee of a corporation or of a dissolved corporation, any
39 employee of a partnership, any employee or manager of a limited liabil-
40 ity company, or any employee of an individual proprietorship who as such
41 officer, director, employee or manager is under a duty to act for such
42 corporation, partnership, limited liability company or individual
43 proprietorship in complying with any requirement of this article, or has
44 so acted; and any member of a partnership or limited liability company.
45 Provided, however, that any person who is a vendor solely by reason of
46 clause (D) or (E) of subparagraph (i) of paragraph (8) of subdivision
47 (b) of section eleven hundred one of this article shall not be a "person
48 required to collect any tax imposed by this article" until twenty days
49 after the date by which such person is required to file a certificate of
50 registration pursuant to section eleven hundred thirty-four of this
51 part.

52 § 2. Subdivision (a) of section 1133 of the tax law, as amended by
53 chapter 621 of the laws of 1967, is amended to read as follows:

(a) (1) Except as otherwise provided in paragraph two of this subdivision and in section eleven hundred thirty-seven of this part, every person required to collect any tax imposed by this article shall be personally liable for the tax imposed, collected or required to be collected under this article. Any such person shall have the same right in respect to collecting the tax from his customer or in respect to nonpayment of the tax by the customer as if the tax were a part of the purchase price of the property or service, amusement charge or rent, as the case may be, and payable at the same time; provided, however, that the tax commission shall be joined as a party in any action or proceeding brought to collect the tax.

(2) Notwithstanding any other provision of this article: (i) The commissioner shall grant the relief described in subparagraph (iii) of this paragraph to a limited partner of a limited partnership (but not a partner of a limited liability partnership) or a member of a limited liability company if such limited partner or member demonstrates to the satisfaction of the commissioner that such limited partner's or member's ownership interest and the percentage of the distributive share of the profits and losses of such limited partnership or limited liability company are each less than fifty percent, and such limited partner or member was not under a duty to act for such limited partnership or limited liability company in complying with any requirement of this article. Provided, however, the commissioner may deny an application for relief to any such limited partner or member who the commissioner finds has acted on behalf of such limited partnership or limited liability company in complying with any requirement of this article or has been convicted of a crime provided in this chapter or who has a past-due liability, as such term is defined in section one hundred seventy-one-v of this chapter.

(ii) Such limited partner or member must submit an application for relief, on a form prescribed by the commissioner, and the information provided in such application must be true and complete in all material respects. Providing materially false or fraudulent information on such application shall disqualify such limited partner or member for the relief described in subparagraph (iii) of this paragraph, shall void any agreement with the commissioner with respect to such relief, and shall result in such limited partner or member bearing strict liability for the total amount of tax, interest and penalty owed by their respective limited partnership or limited liability company pursuant to this subdivision.

(iii) A limited partner of a limited partnership or member of a limited liability company, who meets the requirements set forth in this paragraph and whose application for relief is approved by the commissioner, shall be liable for the percentage of the original sales and use tax liability of their respective limited partnership or limited liability company that reflects such limited partner's or member's ownership interest of distributive share of the profits and losses of such limited partnership or limited liability company, whichever is higher. Such original liability shall include any interest accrued thereon up to and including the date of payment by such limited partner or member at the underpayment rate set by the commissioner pursuant to section eleven hundred forty-two of this part, and shall be reduced by the sum of any payments made by (A) the limited partnership or limited liability company; (B) any person required to collect tax not eligible for relief; and (C) any person required to collect tax who was eligible for relief but had not been approved for relief by the commissioner at the time such

1 payment was made. Provided, however, such limited partner or member
2 shall not be liable for any penalty owed by such limited partnership or
3 limited liability company or any other partner or member of such limited
4 partnership or limited liability company. Any payment made by a limited
5 partner or member pursuant to the provisions of this paragraph shall not
6 be credited against the liability of other limited partners or members
7 of their respective limited partnership or limited liability company who
8 are eligible for the same relief; provided, however that the sum of the
9 amounts owed by all of the persons required to collect tax of a limited
10 partnership or limited liability company shall not exceed the total
11 liability of such limited partnership or limited liability company.

12 § 3. This act shall take effect immediately.

13 PART Y

14 Section 1. Paragraph 1 of subdivision (a) of section 1115 of the tax
15 law, as amended by section 1 of part II of chapter 59 of the laws of
16 2014, is amended to read as follows:

17 (1) (A) Food, food products, beverages, dietary foods and health
18 supplements, sold for human consumption but not including (i) candy and
19 confectionery, (ii) fruit drinks which contain less than seventy percent
20 of natural fruit juice, (iii) soft drinks, sodas and beverages such as
21 are ordinarily dispensed at soda fountains or in connection therewith
22 (other than coffee, tea and cocoa) and (iv) beer, wine or other alcohol-
23 ic beverages, all of which shall be subject to the retail sales and
24 compensating use taxes, whether or not the item is sold in liquid form.
25 Nothing in this subparagraph shall be construed as exempting food or
26 drink from the tax imposed under subdivision (d) of section eleven
27 hundred five of this article.

28 ~~[The]~~ (B) Until May thirty first, two thousand twenty, the food and
29 drink excluded from the exemption provided by ~~[this paragraph under~~
30 ~~subparagraphs]~~ clauses (i), (ii) and (iii) of subparagraph (A) of this
31 paragraph, and bottled water, shall be exempt under this ~~[paragraph]~~
32 subparagraph ~~when sold for one dollar and fifty cents or less through~~
33 ~~any vending machine~~ ~~[activated by the use of]~~ that accepts coin ~~[,]~~ or
34 currency ~~[, credit card or debit card]~~ only or when sold for two dollars
35 or less through any vending machine that accepts any form of payment
36 other than coin or currency, whether or not it also accepts coin or
37 currency. ~~[With the exception of the provision in this paragraph provid-~~
38 ~~ing for an exemption for certain food or drink sold for one dollar and~~
39 ~~fifty cents or less through vending machines, nothing herein shall be~~
40 ~~construed as exempting food or drink from the tax imposed under subdivi-~~
41 ~~sion (d) of section eleven hundred five of this article.]~~

42 § 2. This act shall take effect June 1, 2018, and shall apply to sales
43 made and uses occurring on and after such date.

44 PART Z

46 of 2017, amending the tax law relating to extending the expiration of
47 the authorization to the county of Genesee to impose an additional one
48 percent of sales and compensating use taxes, is amended to read as
49 follows:

50 § 2. Notwithstanding any other provision of law to the contrary, the
51 one percent increase in sales and compensating use taxes authorized for
52 the county of Genesee until November 30, ~~[2019]~~ 2020 pursuant to clause

(20) of subparagraph (i) of the opening paragraph of section 1210 of the tax law, as amended by section one of this act, shall be divided in the same manner and proportion as the existing three percent sales and compensating use taxes in such county are divided.

§ 2. Notwithstanding the provisions of subdivisions (b) and (c) of section 1262 and section 1262-g of the tax law, net collections, as such term is defined in section 1262 of the tax law, derived from the imposition of sales and compensating use taxes by the county of Monroe at the additional rate of one percent as authorized pursuant to clause (25) of subparagraph (i) of the opening paragraph of section 1210 of the tax law, as amended by section one of this act, which are in addition to the current net collections derived from the imposition of such taxes at the three percent rate authorized by the opening paragraph of section 1210 of the tax law, shall be distributed and allocated as follows: for the period of December 1, 2017 through November 30, ~~2019~~ 2020 in cash, five percent to the school districts in the area of the county outside the city of Rochester, three percent to the towns located within the county, one and one-quarter percent to the villages located within the county, and ninety and three-quarters percent to the city of Rochester and county of Monroe. The amount of the ninety and three-quarters percent to be distributed and allocated to the city of Rochester and county of Monroe shall be distributed and allocated to each so that the combined total distribution and allocation to each from the sales tax revenues pursuant to sections 1262 and 1262-g of the tax law and this section shall result in the same total amount being distributed and allocated to the city of Rochester and county of Monroe. The amount so distributed and allocated to the county shall be used for county purposes. The foregoing cash payments to the school districts shall be allocated on the basis of the enrolled public school pupils, thereof, as such term is used in subdivision (b) of section 1262 of the tax law, residing in the county of Monroe. The cash payments to the towns located within the county of Monroe shall be allocated on the basis of the ratio which the population of each town, exclusive of the population of any village or portion thereof located within a town, bears to the total population of the towns, exclusive of the population of the villages located within such towns. The cash payments to the villages located within the county shall be allocated on the basis of the ratio which the population of each village bears to the total population of the villages located within the county. The term population as used in this section shall have the same meaning as used in subdivision (b) of section 1262 of the tax law.

§ 3. Section 3 of subpart EE of part A of chapter 61 of the laws of 2017, amending the tax law relating to extending the authorization of the county of Onondaga to impose an additional rate of sales and compensating use taxes, is amended to read as follows:

§ 5. This act shall take effect immediately and shall be deemed to have been in full force and effect on June 29, 2017.

PART AA

Section 1. Section 1101 of the tax law is amended by adding a new subdivision (e) to read as follows:

(e) When used in this article for the purposes of the taxes imposed under subdivision (a) of section eleven hundred five and by section eleven hundred ten of this article, the following terms shall mean:

(1) Marketplace provider. A person who, pursuant to an agreement with a marketplace seller, facilitates sales of tangible personal property by such marketplace seller or sellers. A person "facilitates a sale of tangible personal property" for purposes of this paragraph when the person meets both of the following conditions: (i) such person provides the forum in which, or by means of which, the sale takes place or the offer of sale is accepted, including a shop, store, booth, catalog, an internet website, or similar forum; and (ii) such person or an affiliate of such person collects the receipts paid by a customer to a marketplace seller for a sale of tangible personal property, or contracts with a third party to collect such receipts. For purposes of this paragraph, two persons are affiliated if one person has an ownership interest of more than five percent, whether direct or indirect, in the other, or where an ownership interest of more than five percent, whether direct or indirect, is held in each of such persons by another person or by a group of other persons that are affiliated persons with respect to each other. Notwithstanding anything in this paragraph, a person who facilitates sales exclusively by means of the internet is not a marketplace provider for a sales tax quarter when such person can show that it has facilitated less than one hundred million dollars of sales annually for every calendar year after two thousand sixteen.

(2) Marketplace seller. Any person, whether or not such person is required to obtain a certificate of authority under section eleven hundred thirty-four of this article, who has an agreement with a marketplace provider under which the marketplace provider will facilitate sales of tangible personal property by such person within the meaning of paragraph one of this subdivision.

§ 2. Subdivision 1 of section 1131 of the tax law, as amended by chapter 576 of the laws of 1994, is amended to read as follows:

(1) "Persons required to collect tax" or "person required to collect any tax imposed by this article" shall include: every vendor of tangible personal property or services; every recipient of amusement charges; ~~[and]~~ every operator of a hotel, and every marketplace provider with respect to sales of tangible personal property it facilitates as described in paragraph one of subdivision (e) of section eleven hundred one of this article. Said terms shall also include any officer, director or employee of a corporation or of a dissolved corporation, any employee of a partnership, any employee or manager of a limited liability company, or any employee of an individual proprietorship who as such officer, director, employee or manager is under a duty to act for such corporation, partnership, limited liability company or individual proprietorship in complying with any requirement of this article; and any member of a partnership or limited liability company. Provided, however, that any person who is a vendor solely by reason of clause (D) or (E) of subparagraph (i) of paragraph (8) of subdivision (b) of section eleven hundred one shall not be a "person required to collect any tax imposed by this article" until twenty days after the date by which such person is required to file a certificate of registration pursuant to section eleven hundred thirty-four of this part.

§ 3. Section 1132 of the tax law is amended by adding a new subdivision (1) to read as follows:

(1)(1) A marketplace provider with respect to a sale of tangible personal property it facilitates: (i) shall have all the obligations and rights of a vendor under this article and article twenty-nine of this chapter and under any regulations adopted pursuant thereto, including, but not limited to, the duty to obtain a certificate of authority, to collect tax, file returns, remit tax, and the right to accept a certificate or other documentation from a customer substantiating an exemption or exclusion from tax, the right to receive the refund authorized by subdivision (e) of this section and the credit allowed by subdivision (f) of section eleven hundred thirty-seven of this part subject to the provisions of such subdivisions; and (ii) shall keep such records and information and cooperate with the commissioner to ensure the proper collection and remittance of tax imposed, collected or required to be collected under this article and article twenty-nine of this chapter.

(2) A marketplace seller who is a vendor is relieved from the duty to collect tax in regard to a particular sale of tangible personal property subject to tax under subdivision (a) of section eleven hundred five of this article and shall not include the receipts from such sale in its taxable receipts for purposes of section eleven hundred thirty-six of this part if, in regard to such sale: (i) the marketplace seller can show that such sale was facilitated by a marketplace provider from whom such seller has received in good faith a properly completed certificate of collection in a form prescribed by the commissioner, certifying that the marketplace provider is registered to collect sales tax and will collect sales tax on all taxable sales of tangible personal property by the marketplace seller facilitated by such marketplace provider, and with such other information as the commissioner may prescribe; and (ii) any failure of the marketplace provider to collect the proper amount of tax in regard to such sale was not the result of such marketplace seller providing the marketplace provider with incorrect information. This provision shall be administered in a manner consistent with subparagraph (i) of paragraph one of subdivision (c) of this section as if a certificate of collection were a resale or exemption certificate for purposes of such subparagraph, including with regard to the completeness of such

1 certificate of collection and the timing of its acceptance by the
2 marketplace seller. Provided that, with regard to any sales of tangible
3 personal property by a marketplace seller that are facilitated by a
4 marketplace provider who is affiliated with such marketplace seller
5 within the meaning of paragraph one of subdivision (e) of section eleven
6 hundred one of this article, the marketplace seller shall be deemed
7 liable as a person under a duty to act for such marketplace provider for
8 purposes of subdivision one of section eleven hundred thirty-one of this
9 part.

10 (3) The commissioner may, in his or her discretion: (i) develop a
11 standard provision, or approve a provision developed by a marketplace
12 provider, in which the marketplace provider obligates itself to collect
13 the tax on behalf of all the marketplace sellers for whom such market-
14 place provider facilitates sales of tangible personal property, with
15 respect to all sales that it facilitates for such sellers where delivery
16 occurs in the state; and (ii) provide by regulation or otherwise that
17 the inclusion of such provision in the publicly-available agreement
18 between the marketplace provider and marketplace seller will have the
19 same effect as a marketplace seller's acceptance of a certificate of
20 collection from such marketplace provider under paragraph two of this
21 subdivision.

22 § 4. Section 1133 of the tax law is amended by adding a new subdivi-
23 sion (f) to read as follows:

24 (f) A marketplace provider is relieved of liability under this section
25 for failure to collect the correct amount of tax to the extent that the
26 marketplace provider can show that the error was due to incorrect infor-
27 mation given to the marketplace provider by the marketplace seller.
28 Provided, however, this subdivision shall not apply if the marketplace
29 seller and the marketplace provider are affiliated within the meaning of
30 paragraph one of subdivision (e) of section eleven hundred one of this
31 article.

32 § 5. Paragraph 4 of subdivision (a) of section 1136 of the tax law, as
33 amended by section 46 of part K of chapter 61 of the laws of 2011, is
34 amended to read as follows:

35 (4) The return of a vendor of tangible personal property or services
36 shall show such vendor's receipts from sales and the number of gallons
37 of any motor fuel or diesel motor fuel sold and also the aggregate value
38 of tangible personal property and services and number of gallons of such
39 fuels sold by the vendor, the use of which is subject to tax under this
40 article, and the amount of tax payable thereon pursuant to the
41 provisions of section eleven hundred thirty-seven of this part. The
42 return of a recipient of amusement charges shall show all such charges
43 and the amount of tax thereon, and the return of an operator required to
44 collect tax on rents shall show all rents received or charged and the
45 amount of tax thereon. The return of a marketplace seller shall exclude
46 the receipts from a sale of tangible personal property facilitated by a
47 marketplace provider if, in regard to such sale: (A) the marketplace
48 seller has timely received in good faith a properly completed certif-
49 icate of collection from the marketplace provider or the marketplace
50 provider has included a provision approved by the commissioner in the
51 publicly-available agreement between themselves and such marketplace
52 seller as described in subdivision (1) of section eleven hundred thir-
53 ty-two of this part, and (B) the information provided by the marketplace

22 obtain a certificate and collect tax, that such sellers are required to
23 comply with the requirements of this paragraph;

24 (B) the non-collecting marketplace provider will provide each seller's

30 non-collecting seller for such sale if it was facilitated by such non-
31 collecting marketplace provider.

32 (c) The commissioner may, in their discretion, modify, without adding
33 to, the information otherwise required to be included in the information
34 return, annual statement of purchases, or per-purchase notice required
35 by this subdivision if other states impose similar requirements, in
36 order to facilitate the compliance of non-collecting sellers.

28 Section 1. The tax law is amended by adding a new article 20-C to read
29 as follows:

30 ARTICLE 20-C

31 OPIOID EPIDEMIC SURCHARGE

32 Section 492. Definitions.

33 493. Imposition of surcharge.

34 494. Returns to be secret.

35 § 492. Definitions. When used in this article, the following terms
36 shall have the following meanings:

37 1. "Opioid" shall mean an "opiate" as defined by subdivision twenty-
38 three of section thirty-three hundred two of the public health law, and
39 any natural, synthetic, or semisynthetic "narcotic drug" as defined by
40 subdivision twenty-two of such section, that has agonist, partial agon-
41 ist, or agonist/antagonist morphine-like activities or effects similar

43 thereof, listed in schedules II-IV of section thirty-three hundred six
44 of the public health law.

45 2. "Unit" shall mean the dosage form of an opioid-containing drug
46 including, but not limited to, tablets, capsules, suppositories, topical
47 (transdermal), buccal or any other dosage form, such as weight or

3 factor of the opioid contained in such unit.

4 6. "Establishment" shall mean any person, firm, corporation or associ-

6 to section sixty-eight hundred eight or section sixty-eight hundred

11 7. "Invoice" shall mean the invoice, sales slip, memorandum of sale,

13 § 493. Imposition of surcharge. 1. There is hereby imposed a surcharge
14 on the sale of any opioid of two cents per morphine milligram equivalent
15 sold. Such surcharge shall be imposed on the first sale of such opioid
16 in the state, except that such surcharge shall not apply when such sale
17 is to any program operated pursuant to article thirty-two of the mental
18 hygiene law. This surcharge shall be charged against, and be paid by,
19 the establishment making the first sale of such opioid in the state, and
20 shall not be added as a separate charge or line item on any invoice
21 given to the customer or otherwise passed down to the customer. However,
22 an establishment liable for the surcharge imposed by this article shall
23 clearly note on the invoice for the first sale of an opioid in the state
24 its liability for the surcharge, along with its name, address, and
25 taxpayer identification number. All sales of an opioid in this state
26 shall be presumed to be the first sale of such, and shall also be
27 presumed to be subject to the surcharge imposed by this article, unless
28 the contrary is established by the seller.

29 2. Every establishment liable for the surcharge imposed by this arti-
30 cle shall file with the commissioner a return, on forms prescribed by
31 the commissioner, indicating the total morphine milligram equivalent of
32 opioids it sold in the state, the total morphine milligram equivalent of
33 such opioids that are subject to the surcharge imposed by this article,
34 the amount of surcharge due thereon, and such further information as the
35 commissioner may require. Such returns shall be due on or before the
36 twentieth day of each month, and shall cover all opioid sales in the
37 state made in the month prior, except that the first return required to
38 be filed pursuant to this section shall be due on or before January
39 twentieth, two thousand nineteen and shall cover all opioid sales occur-

41 ber thirty-first, two thousand eighteen. Every establishment required
42 to file a return under this section shall, at the time of filing such
43 return, pay to the commissioner the total amount of surcharge due for
44 the period covered by such return. If a return is not filed when due,
45 the surcharge shall be due on the day on which the return is required to
46 be filed. The commissioner may require that the returns and payments
47 required by this article be filed or paid electronically.

48 3. Establishments making sales of opioids in this state shall maintain
49 all invoices pertaining to such sales for six years after the return
50 reporting such sales is filed with the commissioner, unless the commis-
51 sioner provides for a different retention period by rule or regulation.
52 The establishment shall produce such records upon demand by the commis-
53 sioner.

54 4. Whenever the commissioner shall determine that any moneys received
55 under the provisions of this article were paid in error, he or she may
56 cause the same to be refunded, with interest, except that no interest

1 shall be allowed or paid if the amount thereof would be less than one
2 dollar. Such interest shall be at the overpayment rate set by the
3 commissioner pursuant to subdivision twenty-sixth of section one hundred
4 seventy-one of this chapter, or if no rate is set, at the rate of six
5 percent per annum, from the date when the surcharge, penalty or interest
6 to be refunded was paid to a date preceding the date of the refund check
7 by not more than thirty days. Provided, however, that for the purposes
8 of this subdivision, any surcharge paid before the last day prescribed
9 for its payment shall be deemed to have been paid on such last day. Such
10 moneys received under the provisions of this article that the commis-
11 sioner shall determine were paid in error, may be refunded out of funds
12 in the custody of the comptroller to the credit of such surcharges
13 provided an application therefor is filed with the commissioner within
14 two years from the time the erroneous payment was made.

15 5. The provisions of article twenty-seven of this chapter shall apply
16 to the surcharge imposed by this article in the same manner and with the
17 same force and effect as if the language of such article had been incor-
18 porated in full into this section and had expressly referred to the
19 surcharge imposed by this article, except to the extent that any
20 provision of such article is either inconsistent with a provision of
21 this article or is not relevant to this article.

22 6. (a) The surcharges, interest, and penalties imposed by this article
23 and collected or received by the commissioner shall be deposited daily
24 with such responsible banks, banking houses or trust companies, as may
25 be designated by the state comptroller, to the credit of the opioid
26 prevention, treatment and recovery account established pursuant to
27 section ninety-seven-aaaaa of the state finance law. An account may be
28 established in one or more of such depositories. Such deposits will be
29 kept separate and apart from all other money in the possession of the
30 state comptroller. The state comptroller shall require adequate security
31 from all such depositories. Of the total revenue collected or received
32 under this article, the state comptroller shall retain such amount as
33 the commissioner may determine to be necessary for refunds under this
34 article. The commissioner is authorized and directed to deduct from the
35 amounts it receives under this article, before deposit into the trust
36 accounts designated by the state comptroller, a reasonable amount neces-
37 sary to effectuate refunds of appropriations of the department to reim-
38 burse the department for the costs incurred to administer, collect and
39 distribute the surcharge imposed by this article.

40 (b) On or before the twelfth and twenty-sixth day of each succeeding
41 month, after reserving such amount for such refunds and deducting such
42 amounts for such costs, as provided for in paragraph (a) of this subdi-
43 vision, the commissioner shall certify to the state comptroller the
44 amount of all revenues so received during the prior month because of the
45 surcharges, interest and penalties so imposed. The amount of revenues so
46 certified shall be paid over by the fifteenth and the final business day
47 of each succeeding month from such account into the opioid prevention,
48 treatment and recovery account established pursuant to section ninety-
49 seven-aaaaa of the state finance law.

50 7. The commissioners of education and health shall cooperate with the
51 commissioner in administering this surcharge, including sharing with the
52 commissioner pertinent information about establishments upon the request
53 of the commissioner.

54 § 494. Returns to be secret. 1. Except in accordance with proper judi-
55 cial order or as in this section or otherwise provided by law, it shall
56 be unlawful for the commissioner, any officer or employee of the depart-

1 ment, or any officer or person who, pursuant to this section, is permit-
2 ted to inspect any return or report or to whom a copy, an abstract or a
3 portion of any return or report is furnished, or to whom any information
4 contained in any return or report is furnished, or any person engaged or
5 retained by such department on an independent contract basis or any
6 person who in any manner may acquire knowledge of the contents of a
7 return or report filed pursuant to this article to divulge or make known
8 in any manner the contents or any other information relating to the
9 business of an establishment contained in any return or report required
10 under this article. The officers charged with the custody of such
11 returns or reports shall not be required to produce any of them or
12 evidence of anything contained in them in any action or proceeding in
13 any court, except on behalf of the state, the state department of
14 health, the state department of education or the commissioner in an
15 action or proceeding under the provisions of this chapter or on behalf
16 of the state or the commissioner in any other action or proceeding
17 involving the collection of a tax due under this chapter to which the
18 state or the commissioner is a party or a claimant or on behalf of any
19 party to any action or proceeding under the provisions of this article,
20 when the returns or the reports or the facts shown thereby are directly
21 involved in such action or proceeding, in any of which events the court
22 may require the production of, and may admit in evidence so much of said
23 returns or reports or of the facts shown thereby as are pertinent to the
24 action or proceeding and no more. Nothing herein shall be construed to
25 prohibit the commissioner, in his or her discretion, from allowing the
26 inspection or delivery of a certified copy of any return or report filed
27 under this article, or from providing any information contained in any
28 such return or report, by or to a duly authorized officer or employee of
29 the state department of health or the state department of education; nor
30 to prohibit the inspection or delivery of a certified copy of any return
31 or report filed under this article, or the provision of any information
32 contained therein, by or to the attorney general or other legal repre-
33 sentatives of the state when an action shall have been recommended or
34 commenced pursuant to this chapter in which such returns or reports or
35 the facts shown thereby are directly involved; nor to prohibit the
36 commissioner from providing or certifying to the division of budget or
37 the comptroller the total number of returns or reports filed under this
38 article in any reporting period and the total collections received ther-
39 efrom; nor to prohibit the inspection of the returns or reports required
40 under this article by the comptroller or duly designated officer or
41 employee of the state department of audit and control, for purposes of
42 the audit of a refund of any surcharge paid by an establishment or other
43 person under this article; nor to prohibit the delivery to an establish-
44 ment, or a duly authorized representative of such establishment, a
45 certified copy of any return or report filed by such establishment
46 pursuant to this article, nor to prohibit the publication of statistics
47 so classified as to prevent the identification of particular returns or
48 reports and the items thereof.

49 2. (a) Any officer or employee of the state who willfully violates the
50 provisions of subdivision one of this section shall be dismissed from
51 office and be incapable of holding any public office in this state for a
52 period of five years thereafter.

53 (b) A violation of this article shall be considered a violation of
54 secrecy provisions under article thirty-seven of this chapter.

55 § 2. Section 1825 of the tax law, as amended by section 20 of part AAA
56 of chapter 59 of the laws of 2017, is amended to read as follows:

16 PART DD

17 Section 1. The tax law is amended by adding a new section 1521 to read
18 as follows:

19 § 1521. Healthcare insurance windfall profit fee. (a) In addition to
20 all taxes, surcharges, and fees imposed under this chapter, the insur-
21 ance law, the financial services law, and the public health law, there
22 is hereby imposed for each taxable year beginning after December thir-
23 ty-first, two thousand seventeen, a fourteen percent surcharge on the
24 net underwriting gain from the sale of health insurance written on risks
25 located or resident within this state of every corporation (1) author-
26 ized to transact an insurance business in this state, or (2) that is a
27 health maintenance organization required to obtain a certificate of
28 authority under article forty-four of the public health law.

29 (b) For purposes of this section, the term "health insurance" shall
30 mean comprehensive hospital and medical expense insurance including,
31 without limitation, comprehensive coverage issued by a health mainte-
32 nance organization, disability income insurance, accident insurance,
33 medicare supplement insurance, specified disease insurance, dental
34 insurance, vision insurance, stop-loss insurance, fixed indemnity insur-
35 ance, and hospital indemnity insurance.

36 (c)(1) For each taxable year, the "net underwriting gain from the sale
37 of health insurance written on risks located or resident within this
38 state" shall equal a corporation's gross receipts from the sale of
39 health insurance written on risks located or resident within New York
40 less the corporation's claims and administrative expenses related to the
41 gross receipts. The computation of "gross receipts from the sale of
42 health insurance written on risks located or resident within New York"
43 and "claims and administrative expenses related to gross receipts" shall
44 be made pursuant to the rules set forth in regulations to be promulgated
45 by the superintendent of financial services.

46 (2) For each taxable year, the "net underwriting gain from the opera-
47 tion of a managed care organization business regulated by the department
48 of health" shall equal a corporation's gross receipts from the operation
49 of a managed care organization business regulated by the department of
50 health less the corporation's claims and administrative expenses related
51 to such gross receipts. The computation of "gross receipts from the
52 operation of a managed care organization business regulated by the
53 department of health" and "claims and administrative expenses related to

1 gross receipts" shall be made pursuant to the rules set forth in regu-
2 lations to be promulgated by the superintendent of financial services.

3 (d) Notwithstanding any law to the contrary, the surcharge imposed by
4 this section shall not be deductible by a corporation in determining its
5 liability for any other tax, surcharge, or fee imposed under any law.

6 (e) Notwithstanding any law to the contrary, the surcharge imposed by
7 this section shall not be considered by any corporation, and shall not
8 be deemed to be an expense, cost, or liability, for purposes of estab-
9 lishing or setting the rate to be charged for any health insurance poli-
10 cy.

11 (f) The surcharge imposed by this section shall be calculated by each
12 corporation on an annual basis without regard to the items of gain or
13 loss from any other period.

14 (g) (1) The superintendent of financial services shall have the power,
15 duty and responsibility to examine returns of a corporation filed with
16 him or her pursuant to this section and, together with any other infor-
17 mation within his or her possession or that may come into his or her
18 possession, to ascertain the correct amount of surcharge imposed under
19 this section of any corporation. For the purpose of ascertaining the
20 correctness of any such surcharge imposed under this section or for the
21 purpose of making an estimate of the surcharge liability under this
22 section of any corporation, the superintendent of financial services
23 shall have the power to examine or cause to have examined by any agent
24 or representative designated by him or her for that purpose, any books,
25 papers, records or memoranda bearing upon the matters required to be
26 included in the return.

27 (2) If the superintendent of financial services ascertains that the
28 amount of surcharge imposed under this section as shown on the return of
29 any corporation is less than the amount of surcharge disclosed by his or
30 her examination, he or she shall propose, in writing, to the commission-
31 er the issuance of a notice of deficiency for the amount due. If a
32 corporation fails to file a return with the superintendent of financial
33 services within the time required for the filing of such return (with
34 regard to any extension of time for the filing thereof), the superinten-
35 dent of financial services shall make an estimate of the amount of
36 surcharge due for the period in respect to which such corporation failed
37 to file the return. The estimate shall be made from any available infor-
38 mation which is in the possession or may come into the possession of the
39 superintendent of financial services and he or she shall propose, in
40 writing, to the commissioner the issuance of a notice of deficiency for
41 the amount of such estimated surcharge. Any proposal pursuant to this
42 paragraph shall set forth the basis thereof and the details of its
43 computation.

44 (3) The commissioner shall, on receipt of a proposal from the super-
45 intendent of financial services pursuant to paragraph two of this subdi-
46 vision, take appropriate action under this chapter for the assessment
47 and collection of the amount of surcharge, together with interest and
48 penalties, shown by such proposal to be due. The superintendent of
49 financial services shall be required to assist the commissioner in
50 defending the correctness of the amount assessed at any conference at
51 the bureau of conciliation and mediation services and at the division of
52 tax appeals.

53 (4) Subject to the consent of the superintendent of financial services
54 and notwithstanding any other provisions of law to the contrary, the
55 commissioner may delegate such other of his or her powers and duties
56 with respect to the administration and collection of the taxes imposed

1 under this section to the superintendent of financial services, as the
2 commissioner finds necessary in order to facilitate such administration
3 and collection.

4 (5) The superintendent of financial services shall have the authority
5 to issue such rules and regulations that are necessary to implement the
6 provisions of this section.

7 (h) (1) Every corporation subject to the surcharge in subdivision (a)
8 of this section, shall annually, on or before the fifteenth day of the
9 third month following the close of its taxable year, transmit to the
10 superintendent of financial services a return in a form prescribed by
11 the superintendent of financial services setting forth such information
12 as such superintendent may prescribe and every corporation which ceases
13 to be subject to the surcharge imposed by this section shall transmit to
14 the superintendent of financial services a return on the date of such
15 cessation or at such other time as such superintendent may require
16 covering each year or period for which no return was theretofore filed.
17 A copy of each return required under this subdivision shall also be
18 transmitted to the commissioner at or before the times specified for
19 filing such returns with the commissioner.

20 (2) Every corporation shall also transmit such other returns and such
21 facts and information as the superintendent of financial services may
22 require in the administration of this section.

23 (3) The superintendent of financial services may grant a reasonable
24 extension of time for filing returns whenever good cause exists. An
25 automatic extension of four months for the filing of its return shall be
26 allowed any corporation, if within the time prescribed by paragraph one
27 of this subdivision, such corporation files with the superintendent of
28 financial services an application for extension in such form as the
29 superintendent of financial services may prescribe and pays on or before
30 the date of such filing the amount properly estimated as its surcharge.

31 (4) Every return shall have annexed thereto a certification by the
32 president, vice president, treasurer, assistant treasurer, chief
33 accounting officer or any other officer of the corporation duly author-
34 ized so to act to the effect that the statements contained therein are
35 true. The fact that an individual's name is signed on a certification of
36 the return shall be prima facie evidence that such individual is author-
37 ized to sign and certify the return on behalf of the corporation.

38 (5) Each corporation subject to the surcharge in subdivision (a) of
39 this section shall file a separate return for each year such corporation
40 is subject to the surcharge.

41 (6) In case it shall appear to the superintendent of financial
42 services that any agreement, understanding or arrangement exists between
43 the corporation and any other entity, person or firm whereby the activ-

45 inaccurately reflected, the superintendent of financial services is
46 authorized and empowered in his or her discretion and in such manner as
47 he or she may determine, to adjust items of income, deductions and capi-
48 tal so as equitably to determine the surcharge. Where (A) any corpo-

52 persons directly or indirectly interested in such activity or business,
53 by entering into any transaction at more or less than a fair price
54 which, but for such agreement, arrangement or understanding, might have

6 derived from such transaction.

10 time the corporation's return is required to be filed.

11 (2) If the corporation, within the time prescribed by subdivision (f)

18 section one thousand ninety-six of this chapter or, if no rate is set,
19 at the rate of six percent per annum upon the amount by which the
20 surcharge, or portion thereof payable on or before the date the return
21 was required to be filed, exceeds the amount so paid. For the purposes
22 of the preceding sentence:

23 (A) an amount so paid shall be deemed properly estimated if it is
24 either (i) not less than ninety percent of the surcharge as finally
25 determined, or (ii) not less than the surcharge shown on the corpo-
26 ration's return for the preceding taxable year, if such preceding year
27 was a taxable year of twelve months; and

28 (B) the time when a return is required to be filed shall be determined
29 without regard to any extension of time for filing such return.

30 (3) The superintendent of financial services may grant a reasonable
31 extension of time for payment of any surcharge imposed by this section
32 under such conditions as he or she deems just and proper.

33 (j) All surcharges, interest and penalties collected or received by
34 the superintendent of financial services under this section shall be
35 deposited into the health care reform act (HCRA) resources fund pursuant
36 to section ninety-two-dd of the state finance law.

37 (k) The provisions of article twenty-seven of this chapter shall apply
38 to the provisions of this section in the same manner and with the same
39 force and effect as if the language of such article twenty-seven had
40 been incorporated in full into this article and had expressly referred
41 to the surcharge under this section, except to the extent that any such
42 provision is either inconsistent with a provision of this section or is
43 not relevant to this section. The superintendent of financial services
44 shall have the same power and authority that the commissioner has under
45 article twenty-seven of this chapter.

46 § 2. This act shall take effect immediately.

44 (E) notwithstanding any provision of law to the contrary, when a
45 vendor track is located within region one or two of development zone
46 two, as such zone is defined in section thirteen hundred ten of the
47 racing, pari-mutuel wagering and breeding law, or is located within
48 region six of such development zone two and is located within Ontario
49 county, such vendor track shall be entitled to receive an additional
50 commission. The additional commission received by the vendor track shall
51 be the adjusted commission calculated pursuant to subclause (II) of this
52 clause; provided, however, the additional commission shall not exceed an
53 amount calculated pursuant to subclause (I) of this clause.

54 (I) The maximum additional commission payable for any fiscal year
55 shall be an amount equal to the base vendor fee less the adjusted
56 current vendor fee. The adjusted current vendor fee is calculated as the

1 vendor fee that the facility would have received during the current
2 fiscal year under the payment schedule established by this paragraph as
3 it existed on March thirty-first, two thousand seventeen. The base
4 vendor fee is calculated as the vendor fee that the facility received
5 during the twelve-month period immediately preceding the opening of a
6 gaming facility in the same region as the vendor track. For the purposes
7 of this calculation, a vendor fee shall exclude any distributions
8 required by paragraph two of this subdivision. For the purposes of this
9 clause, Seneca and Wayne counties shall be deemed to be located within
10 region six of development zone two.

11 (II) The adjusted commission is a percentage of the total revenue
12 wagered at the vendor track after payout for prizes pursuant to this
13 chapter. That percentage is calculated by subtracting the effective tax
14 rate on all gross gaming revenue paid by a gaming facility within the
15 same region as the vendor track from the education percentage. The
16 education percentage is ninety percent less the percentage of the vendor
17 track's vendor fee. For purposes of this clause, Seneca and Wayne coun-
18 ties shall be deemed to be located within region six of development zone
19 two.

20 (III) The additional commission paid pursuant to this subparagraph
21 shall commence with the state fiscal year ending on March thirty-first,
22 two thousand eighteen and shall be paid to a vendor track no later than
23 sixty days after the close of the fiscal year. The additional commission
24 authorized by this clause shall only be applied to revenue wagered at a
25 vendor track while a gaming facility in the same region as that vendor
26 track is open and operating pursuant to an operation certificate issued
27 pursuant to section thirteen hundred thirty-one of the racing, pari-mu-
28 tuel wagering and breeding law.

29 (F) Notwithstanding any provision of law to the contrary, any opera-
30 tors of a vendor track or the operators of any other video lottery
31 gaming facility eligible to receive a capital award as of December thir-
32 ty-first, two thousand seventeen shall deposit from their vendor fee
33 into a segregated account an amount equal to four percent of the first
34 sixty-two million five hundred thousand dollars of revenue wagered at
35 the vendor track after payout for prizes pursuant to this chapter to be
36 used exclusively for capital investments, except for Aqueduct, which
37 shall deposit into a segregated account an amount equal to one percent
38 of all revenue wagered at the video lottery gaming facility after payout
39 for prizes pursuant to this chapter until the earlier of the designation
40 of one thousand video lottery devices as hosted pursuant to paragraph
41 four of subdivision a of section sixteen hundred seventeen-a of this
42 article or April first, two thousand nineteen, when at such time four
43 percent of all revenue wagered at the video lottery gaming facility
44 after payout for prizes pursuant to this chapter shall be deposited into
45 a segregated account for capital investments. Vendor tracks and video
46 lottery gaming facilities shall be permitted to withdraw funds for
47 projects approved by the commission to improve the facilities of the
48 vendor track or video lottery gaming facility which enhance or maintain
49 the video lottery gaming facility including, but not limited to hotels,
50 other lodging facilities, entertainment facilities, retail facilities,
51 dining facilities, events arenas, parking garages and other improvements
52 and amenities customary to a gaming facility, provided, however, the
53 vendor tracks and video lottery gaming facilities shall be permitted to
54 withdraw funds for unreimbursed capital awards approved prior to the
55 effective date of this subparagraph. Any proceeds from the divestiture
56 of any assets acquired through these capital funds or any prior capital

1 award must be deposited into this segregated account, provided that if
2 the vendor track or video lottery gaming facility ceases use of such
3 asset for gaming purposes or transfers the asset to a related party,
4 such vendor track or video lottery gaming facility shall deposit an
5 amount equal to the fair market value of that asset into the account. In
6 the event a vendor track or video lottery gaming facility ceases gaming
7 operations, any balance in the account along with an amount equal to the
8 value of all remaining assets acquired through this fund or prior capi-
9 tal awards shall be returned to the state for deposit into the state
10 lottery fund for education aid, except for Aqueduct, which shall return
11 to the state for deposit into the state lottery fund for education aid
12 all amounts in excess of the amount needed to fund a project pursuant to
13 an agreement with the operator to construct an expansion of the facili-
14 ty, hotel, and convention and exhibition space requiring a minimum capi-
15 tal investment of three hundred million dollars and any subsequent
16 amendments to such agreement. The comptroller or his legally authorized
17 representative is authorized to audit any and all expenditures made out
18 of these segregated capital accounts. Notwithstanding the preceding, a
19 vendor track located in Ontario county may withdraw up to two million
20 dollars from this account for the purpose of constructing a turf course
21 at the vendor track.

22 (G) Notwithstanding any provision of law to the contrary, free play
23 allowance credits authorized by the division pursuant to subdivision f
24 of section sixteen hundred seventeen-a of this article shall not be
25 included in the calculation of the total amount wagered on video lottery
26 games, the total amount wagered after payout of prizes, the vendor fees
27 payable to the operators of video lottery gaming facilities, fees paya-
28 ble to the division's video lottery gaming equipment contractors, or
29 racing support payments.

30 (H) Notwithstanding any provision of law to the contrary, the operator
31 of a vendor track or the operator of any other video lottery gaming
32 facility shall fund a marketing and promotion program out of the
33 vendor's fee. Each operator shall submit an annual marketing plan for
34 the review and approval of the commission and any other required docu-
35 ments detailing promotional activities as prescribed by the commission.
36 The commission shall have the right to reject any advertisement or
37 promotion that does not properly represent the mission or interests of
38 the lottery or its programs.

39 (I) Notwithstanding clause (F) of this subparagraph, the commission
40 shall be able to authorize a vendor track located within Oneida county,
41 within fifteen miles of a Native American class III gaming facility, and
42 who has maintained at least ninety percent of full-time equivalent
43 employees as they employed in the year two thousand sixteen, to withdraw
44 funds from the segregated account established in clause (F) of this
45 subparagraph up to an amount equal to four percent of the total revenue
46 wagered at the vendor track after payout for prizes pursuant to this
47 chapter each year, for operations.

48 § 2. This act shall take effect immediately; provided, however, clause
49 (I) of subparagraph (ii) of paragraph 1 of subdivision b of section 1612
50 of the tax law as added by section one of this act shall expire and be
51 deemed repealed June 29, 2019.

52 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-
53 sion, section or part of this act shall be adjudged by any court of
54 competent jurisdiction to be invalid, such judgment shall not affect,
55 impair, or invalidate the remainder thereof, but shall be confined in
56 its operation to the clause, sentence, paragraph, subdivision, section

1 or part thereof directly involved in the controversy in which such judg-
2 ment shall have been rendered. It is hereby declared to be the intent of
3 the legislature that this act would have been enacted even if such
4 invalid provisions had not been included herein.

5 § 3. This act shall take effect immediately, provided, however, that
6 the applicable effective date of Parts A through II of this act shall be
7 as specifically set forth in the last section of such Parts.
