STATE OF NEW YORK

7599

IN SENATE

January 29, 2018

Introduced by Sen. CROCI -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT to amend the education law, in relation to cyber security instruction

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. The education law is amended by adding a new section 804-e 2 to read as follows:
- § 804-e. Cyber security instruction. 1. Instructions regarding cyber
 security may be offered for voluntary admission as part of any introduction to computers course, computing systems course, computer and information technology course, computer applications course, computer literacy course or business computer applications course, in all schools.
- 2. The commissioner, together with the director of the office of information technology services, shall provide technical assistance in the development of curricula for such courses of study, which shall be age appropriate and developed according to the needs and abilities of pupils at successive grade levels in order to provide awareness skills and information.
- 3. School authorities that choose to offer such courses shall provide the needed facilities, time and place for the instruction set forth in this section and shall provide learning aids and curriculum resource materials to support such courses of study.
- 18 § 2. This act shall take effect on the one hundred eightieth day after 19 it shall have become a law.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
