2 subdivision 7 to read as follows:

3 7. Training wage. (a) A training wage equal to eighty-five percent of
4 the state minimum wage or one hundred percent of the federal minimum
5 wage, whichever is less, may be paid to a youth who has no prior job
6 experience.

8 of this subdivision and who did not work more than one hundred eighty
9 days in the preceding calendar year, shall receive, at a minimum, an
10 annual increase in wages equal to twenty-five percent of the difference
11 between the training wage pursuant to paragraph (a) of this subdivision
12 and the state minimum wage until such youth reaches the age of eighteen.

13 (c) For the purpose of this subdivision, youth is defined as a person
14 who has not yet reached the age of eighteen, and prior job experience is
