AN ACT in relation to granting Tier I status in the New York state and local employees' retirement system to Christine Verkey

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law, Christine  
2 Verkey, who was an employee of the Newark central school district  
3 commencing in 1971 and was thereby eligible to participate in the New  
4 York state and local employees' retirement system, who through no fault  
5 of her own did not become a member of the New York state and local  
6 employees' retirement system when she was first employed by the Newark  
7 central school district, shall be granted retroactive membership in the  
8 New York state and local employees' retirement system with Tier I  
9 status, if within one year from the effective date of this act she shall  
10 make a written application to that effect, duly executed and filed with  
11 such retirement system.

12 § 2. No contributions made to the New York state and local employees'  
13 retirement system by Christine Verkey shall be returned or refunded to  
14 her pursuant to this act.

15 § 3. All costs associated with the implementation of this act shall be  
16 borne by the state of New York.

17 § 4. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill will grant Tier 1 status in the New York State and Local Employees' Retirement System to Christine Verkey, a current Tier 4 member employed by the State of New York, by changing her date of membership to her first date of employment with the Newark Central School District in 1971. There will be no refund of member contributions.

If this legislation is enacted during the 2018 Legislative session, we anticipate that there will be an increase of approximately \$4,200 in annual contributions of the State of New York for the fiscal year ending

March 31, 2019. In future years, this cost will vary as the billing rate and salary of Christine Verkey change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$32,600 which will be borne by the State of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2019.
