AN ACT to amend the public health law, in relation to the distribution of information to patients at high risk of developing lymphedema

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section
2 2803-v to read as follows:

3 § 2803-v. Lymphedema information distribution. 1. For the purposes of
4 this section, the term "lymphedema" shall mean an accumulation of fluid
5 in the interstitial tissue that causes swelling, most often in the arms
6 and/or legs, and occasionally in other parts of the body, from any
7 cause.

8 2. The commissioner shall design an informational packet about lymph-
9 edema and shall require that every general hospital distribute such
10 packet to all patients at high risk of developing lymphedema. Patients
11 deemed high risk shall include:

12 (a) patients who experience any significant injury to soft tissue that
13 could reasonably be expected, using sound medical judgment, as a result
14 of severity and nature thereof, to compromise or cause to be ineffective
15 the drainage of the lymphatic system;

16 (b) patients who experience recurrent or persistent bacterial
17 infections that could reasonably be expected, using sound medical judg-
18 ment, as a result of severity and nature thereof, to compromise or cause
19 to be ineffective the drainage of the lymphatic system; or

20 (c) patients who have had corrective surgical procedures performed
21 that may have interfered with the lymph drainage by severing local lymph-
22 atics in a manner that may jeopardize reconstitution and recovery of
23 lymph drainage.

24 § 2. This act shall take effect on the one hundred twentieth day after
25 it shall have become a law.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
