1 Section 1. Samuel Kenan Jr., a police officer who was previously  
2 employed by the city of Newburgh, in the county of Orange, a participat-

LBD14171-12-8

This bill will allow the City of Newburgh to reopen the provisions of section 384-d of the Retirement and Social Security Law for former police officer Samuel Kenan Jr., who while an employee of the city was covered under the provisions of section 375-i. Officer Kenan is currently employed by the City of Peekskill and covered under 384-d.

If this bill is enacted, there will be an immediate past service cost of \$149,000 to be borne by the City of Newburgh as a one-time payment. This cost assumes a payment date of February 1, 2019. If the City of Newburgh elects to amortize this cost over a 10-year period, the cost of the first year would be \$19,800.

There will be no increase in anticipated future annual costs as the member continues to be covered by 384-d.
