AN ACT to establish a demonstration program authorizing the community board for community board district 12 in the city of New York to apply to the state liquor authority for the establishment of an up to 1 year moratorium during which no licenses for sale of alcoholic beverages for on-premises consumption shall be issued to certain premises within certain areas of such district; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. The legislature hereby finds that the  
2 increasingly high concentration of bars located within portions of  
3 community board district 12, in the borough of Manhattan and city of New  
4 York, an area north of 155th Street in such borough, and the rapidly  
5 increasing number of such establishments being located in portions of  
6 such district that are near residential and other non-commercial areas  
7 is detrimental to the quality of life of residents of that district.  
8 Further, that the establishment of such bars has substantially increased  
9 the incidence of violent crime, personal injuries, the level of property  
10 damage and vandalism, reduced quality of life within the community, and  
11 created a shortage of parking for local residents.

12 Therefore the legislature determines that the establishment of a  
13 demonstration program authorizing the community board for community  
14 board district 12 of the city of New York to petition the state liquor  
15 authority to temporarily deny the issuance of new licenses for the sale  
16 of alcoholic beverages for on-premises consumption to certain premises  
17 located in select areas that have a high and over concentration of simi-

2 demonstration program provides the legislature, the state liquor author-  
3 ity, the mayor of the city of New York and the community board for  
4 community district 12 of the city of New York with the opportunity to  
5 analyze issues surrounding the over concentration of bars in certain  
6 select areas within the community board district 12, and to establish  
7 statutory and regulatory solutions to such issues.

26 district to license applicants. Such moratorium shall not apply to any  
27 other applicant for a license pursuant to the alcoholic beverage control  
28 law.

29 § 4. The board shall only commence action to petition the authority  
30 for an up to one year moratorium on the granting licenses to sell alco-  
31 holic beverages for on-premises consumption to license applicants upon  
32 receipt of a petition therefor signed by not less than 1,000 residents  
33 of the district. Upon receipt of such residents' petition, the board  
34 shall review it as to form and completeness, and then may accept the  
35 petition if it is deemed to be valid. Upon acceptance of the residents'  
36 petition, the board shall within 90 days consider such petition for an

2 such hearing and community forums, and other courses of action that the  
3 authority and the city of New York may take to help mitigate the adverse  
4 affects caused by the over concentration of such bars. Upon the conclu-  
5 sion of all such hearings and forums, the board shall compile a report  
6 on the testimony and comments made during the hearing and forums, and

18 deemed repealed June 30, 2020.
