14 PART A

15 Section 1. Paragraph 1 of subdivision b of section 26-408 of the
16 administrative code of the city of New York is amended to read as
17 follows:

18 (1) The landlord seeks in good faith to recover possession of a hous-
19 ing accommodation because of immediate and compelling necessity for his
20 or her own personal use and occupancy as his or her primary residence or
21 for the use and occupancy of his or her immediate family as their prima-
22 ry residence provided, however, that this subdivision shall permit
23 recovery of only one housing accommodation and shall not apply where a
24 member of the household lawfully occupying the housing accommodation is
25 sixty-two years of age or older, has been a tenant in a housing accommo-
26 dation in that building for twenty years or more, or has an impairment
27 which results from anatomical, physiological or psychological condi-
28 tions, other than addiction to alcohol, gambling, or any controlled
29 substance, which are demonstrable by medically acceptable clinical and
30 laboratory diagnostic techniques, and which are expected to be permanent
31 and which prevent the tenant from engaging in any substantial gainful
32 employment; or

33 § 2. Subparagraph (b) of paragraph 9 of subdivision c of section
34 26-511 of the administrative code of the city of New York is amended to
35 read as follows:

36 (b) where he or she seeks to recover possession of one [~~or more~~]
37 dwelling [~~units~~] unit because of immediate and compelling necessity for
38 his or her own personal use and occupancy as his or her primary resi-
39 dence [~~in the city of New York and/or~~] or for the use and occupancy of a
40 member of his or her immediate family as his or her primary residence
41 [~~in the city of New York~~], provided however, that this subparagraph
42 shall permit recovery of only one dwelling unit and shall not apply

1 where a tenant or the spouse of a tenant lawfully occupying the dwelling
2 unit is sixty-two years of age or older, has been a tenant in a dwelling
3 unit in that building for twenty years or more, or has an impairment
4 which results from anatomical, physiological or psychological condi-
5 tions, other than addiction to alcohol, gambling, or any controlled
6 substance, which are demonstrable by medically acceptable clinical and
7 laboratory diagnostic techniques, and which are expected to be permanent
8 and which prevent the tenant from engaging in any substantial gainful
9 employment, unless such owner offers to provide and if requested,
10 provides an equivalent or superior housing accommodation at the same or
11 lower stabilized rent in a closely proximate area. The provisions of
12 this subparagraph shall only permit one of the individual owners of any
13 building to recover possession of one [~~or more~~] dwelling [~~units~~] unit
14 for his or her own personal use and/or for that of his or her immediate
15 family. [~~Any~~] A dwelling unit recovered by an owner pursuant to this
16 subparagraph shall not for a period of three years be rented, leased,
17 subleased or assigned to any person other than a person for whose bene-
18 fit recovery of the dwelling unit is permitted pursuant to this subpara-
19 graph or to the tenant in occupancy at the time of recovery under the
20 same terms as the original lease. This subparagraph shall not be deemed
21 to establish or eliminate any claim that the former tenant of the dwell-
22 ing unit may otherwise have against the owner. Any such rental, lease,
23 sublease or assignment during such period to any other person may be
24 subject to a penalty of a forfeiture of the right to any increases in
25 residential rents in such building for a period of three years; or

26 § 3. Subdivision a of section 10 of section 4 of chapter 576 of the
27 laws of 1974, constituting the emergency tenant protection act of nine-
28 teen seventy-four, as amended by chapter 234 of the laws of 1984, is
29 amended to read as follows:

30 a. For cities having a population of less than one million and towns
31 and villages, the state division of housing and community renewal shall
32 be empowered to implement this act by appropriate regulations. Such
33 regulations may encompass such speculative or manipulative practices or
34 renting or leasing practices as the state division of housing and commu-
35 nity renewal determines constitute or are likely to cause circumvention
36 of this act. Such regulations shall prohibit practices which are likely
37 to prevent any person from asserting any right or remedy granted by this
38 act, including but not limited to retaliatory termination of periodic
39 tenancies and shall require owners to grant a new one or two year vacan-
40 cy or renewal lease at the option of the tenant, except where a mortgage
41 or mortgage commitment existing as of the local effective date of this
42 act provides that the owner shall not grant a one-year lease; and shall
43 prescribe standards with respect to the terms and conditions of new and
44 renewal leases, additional rent and such related matters as security
45 deposits, advance rental payments, the use of escalator clauses in leas-
46 es and provision for increase in rentals for garages and other ancillary
47 facilities, so as to insure that the level of rent adjustments author-
48 ized under this law will not be subverted and made ineffective. Any
49 provision of the regulations permitting an owner to refuse to renew a
50 lease on grounds that the owner seeks to recover possession of [~~the~~] a
51 housing accommodation for his or her own use and occupancy or for the
52 use and occupancy of his or her immediate family shall permit recovery
53 of only one housing accommodation, shall require that an owner demon-
54 strate immediate and compelling need and that the housing accommodation
55 will be the proposed occupants' primary residence and shall not apply
56 where a member of the housing accommodation is sixty-two years of age or

1 older, has been a tenant in a housing accommodation in that building for
2 twenty years or more, or has an impairment which results from anatom-
3 ical, physiological or psychological conditions, other than addiction to
4 alcohol, gambling, or any controlled substance, which are demonstrable
5 by medically acceptable clinical and laboratory diagnostic techniques,
6 and which are expected to be permanent and which prevent the tenant from
7 engaging in any substantial gainful employment.

8 § 4. Paragraph (a) of subdivision 2 of section 5 of chapter 274 of the
9 laws of 1946, constituting the emergency housing rent control law, as
10 amended by chapter 234 of the laws of 1984, is amended to read as
11 follows:

12 (a) the landlord seeks in good faith to recover possession of a hous-
13 ing [accommodations] accommodation because of immediate and compelling
14 necessity for his or her own personal use and occupancy as his or her
15 primary residence or for the use and occupancy of his or her immediate
16 family as their primary residence; provided, however, this subdivision
17 shall permit recovery of only one housing accommodation and shall not
18 apply where a member of the household lawfully occupying the housing
19 accommodation is sixty-two years of age or older, has been a tenant in a
20 housing accommodation in that building for twenty years or more, or has
21 an impairment which results from anatomical, physiological or psycholog-
22 ical conditions, other than addiction to alcohol, gambling, or any
23 controlled substance, which are demonstrable by medically acceptable
24 clinical and laboratory diagnostic techniques, and which are expected to
25 be permanent and which prevent the tenant from engaging in any substan-
26 tial gainful employment; or

27 § 5. This act shall take effect immediately and shall apply to any
28 tenant in possession at or after the time it takes effect, regardless of
29 whether the landlord's application for an order, refusal to renew a
30 lease or refusal to extend or renew a tenancy took place before this act
31 shall have taken effect, provided that:

32 a. the amendments to section 26-408 of the city rent and rehabili-
33 tation law made by section one of this act shall remain in full force
34 and effect only as long as the public emergency requiring the regulation
35 and control of residential rents and evictions continues, as provided in
36 subdivision 3 of section 1 of the local emergency housing rent control
37 act;

38 b. the amendments to section 26-511 of the rent stabilization law of
39 nineteen hundred sixty-nine made by section two of this act shall expire
40 on the same date as such law expires and shall not affect the expiration
41 of such law as provided under section 26-520 of such law;

42 c. the amendments to subdivision a of section 10 of the emergency
43 tenant protection act of nineteen seventy-four made by section three of
44 this act shall expire on the same date as such act expires and shall not
45 affect the expiration of such act as provided in section 17 of chapter
46 576 of the laws of 1974; and

47 d. the amendments to paragraph (a) of subdivision 2 of section 5 of
48 the emergency housing rent control law made by section four of this act
49 shall expire on the same date as such law expires and shall not affect
50 the expiration of such law as provided in subdivision 2 of section 1 of
51 chapter 274 of the laws of 1946.

52 PART B

53 Section 1. Paragraph 5-a of subdivision c of section 26-511 of the
54 administrative code of the city of New York, as amended by section 16-a

1 of part A of chapter 20 of the laws of 2015, is amended to read as
2 follows:

3 (5-a) provides that, notwithstanding any provision of this chapter,
4 the legal regulated rent for any vacancy lease entered into after the
5 effective date of this paragraph shall be as hereinafter provided in
6 this paragraph. ~~[The previous legal regulated rent for such housing
7 accommodation shall be increased by the following: (i) if the vacancy
8 lease is for a term of two years, twenty percent of the previous legal
9 regulated rent; or (ii) if the vacancy lease is for a term of one year
10 the increase shall be twenty percent of the previous legal regulated
11 rent less an amount equal to the difference between (a) the two year
12 renewal lease guideline promulgated by the guidelines board of the city
13 of New York applied to the previous legal regulated rent and (b) the one
14 year renewal lease guideline promulgated by the guidelines board of the
15 city of New York applied to the previous legal regulated rent. However,
16 where]~~ Where the amount charged and paid by the prior tenant pursuant to
17 paragraph fourteen of this subdivision, was less than the legal regu-
18 lated rent, such increase to the legal regulated rent shall not exceed:
19 five percent of the previous legal regulated rent if the last vacancy
20 lease commenced less than two years ago; ten percent of the previous
21 legal regulated rent if the last vacancy lease commenced less than three
22 years ago; fifteen percent of the previous legal regulated rent if the
23 last vacancy lease commenced less than four years ago; twenty percent of
24 the previous legal regulated rent if the last vacancy lease commenced
25 four or more years ago. In addition, if the legal regulated rent was not
26 increased with respect to such housing accommodation by a permanent
27 vacancy allowance within eight years prior to a vacancy lease executed
28 on or after the effective date of this paragraph, the legal regulated
29 rent may be ~~[further]~~ increased by an amount equal to the product
30 resulting from multiplying such previous legal regulated rent by six-
31 tenths of one percent and further multiplying the amount of rent
32 increase resulting therefrom by the greater of (A) the number of years
33 since the imposition of the last permanent vacancy allowance, or (B) if
34 the rent was not increased by a permanent vacancy allowance since the
35 housing accommodation became subject to this chapter, the number of
36 years that such housing accommodation has been subject to this chapter.
37 Provided that if the previous legal regulated rent was less than three
38 hundred dollars the total increase shall be as calculated above plus one
39 hundred dollars per month. Provided, further, that if the previous legal
40 regulated rent was at least three hundred dollars and no more than five
41 hundred dollars in no event shall the total increase pursuant to this
42 paragraph be less than one hundred dollars per month. Such increase
43 shall be ~~[in lieu of any allowance authorized for the one or two year
44 renewal component thereof, but shall be]~~ in addition to any other
45 increases authorized pursuant to this chapter including an adjustment
46 based upon a major capital improvement, or a substantial modification or
47 increase of dwelling space or services, or installation of new equipment
48 or improvements or new furniture or furnishings provided in or to the
49 housing accommodation pursuant to this section. The increase authorized
50 in this paragraph may not be implemented more than one time in any
51 calendar year, notwithstanding the number of vacancy leases entered into
52 in such year, and may not be implemented without the landlord providing
53 to the new tenant an itemized cost accounting of all improvements
54 claimed as part of such increase and copies of the corresponding
55 receipts with the lease agreement.

§ 2. Subdivision (a-1) of section 10 of section 4 of chapter 576 of the laws of 1974, constituting the emergency tenant protection act of nineteen seventy-four, as amended by section 16-b of part A of chapter 20 of the laws of 2015, is amended to read as follows:

(a-1) provides that, notwithstanding any provision of this act, the legal regulated rent for any vacancy lease entered into after the effective date of this subdivision shall be as hereinafter set forth. ~~[The~~

~~previous legal regulated rent for such housing accommodation shall be increased by the following: (i) if the vacancy lease is for a term of two years, twenty percent of the previous legal regulated rent, or (ii) if the vacancy lease is for a term of one year the increase shall be twenty percent of the previous legal regulated rent less an amount equal to the difference between (a) the two year renewal lease guideline promulgated by the guidelines board of the county in which the housing accommodation is located applied to the previous legal regulated rent and (b) the one year renewal lease guideline promulgated by the guidelines board of the county in which the housing accommodation is located applied to the previous legal regulated rent. However, where]~~ Where the

amount charged and paid by the prior tenant pursuant to paragraph fourteen of this subdivision, was less than the legal regulated rent, such increase to the legal regulated rent shall not exceed: five percent of the previous legal regulated rent if the last vacancy lease commenced less than two years ago; ten percent of the previous legal regulated rent if the last vacancy commenced less than three years ago; fifteen percent of the previous legal regulated rent if the last vacancy lease commenced less than four years ago; twenty percent of the previous legal regulated rent if the last vacancy lease commenced four or more years ago. In addition, if the legal regulated rent was not increased with respect to such housing accommodation by a permanent vacancy allowance within eight years prior to a vacancy lease executed on or after the effective date of this subdivision, the legal regulated rent may be ~~[further]~~ increased by an amount equal to the product resulting from multiplying such previous legal regulated rent by six-tenths of one percent and further multiplying the amount of rent increase resulting therefrom by the greater of (A) the number of years since the imposition of the last permanent vacancy allowance, or (B) if the rent was not increased by a permanent vacancy allowance since the housing accommodation became subject to this act, the number of years that such housing accommodation has been subject to this act. Provided that if the previous legal regulated rent was less than three hundred dollars the total increase shall be as calculated above plus one hundred dollars per month. Provided, further, that if the previous legal regulated rent was at least three hundred dollars and no more than five hundred dollars in no event shall the total increase pursuant to this subdivision be less than one hundred dollars per month. Such increase shall be ~~[in lieu of any allowance authorized for the one or two year renewal component thereof, but shall be]~~

in addition to any other increases authorized pursuant to this act including an adjustment based upon a major capital improvement, or a substantial modification or increase of dwelling space or services, or installation of new equipment or improvements or new furniture or furnishings provided in or to the housing accommodation pursuant to section six of this act. The increase authorized in this subdivision may not be implemented more than one time in any calendar year, notwithstanding the number of vacancy leases entered into in such year, and may not be implemented without the landlord providing to the new tenant an itemized cost accounting of all improvements claimed as

1 part of such increase and copies of the corresponding receipts with the
2 lease agreement.

3 § 3. Subparagraph (e) of paragraph 1 of subdivision g of section
4 26-405 of the administrative code of the city of New York, as amended by
5 section 15 of part B of chapter 97 of the laws of 2011, is amended to
6 read as follows:

7 (e) The landlord and tenant by mutual voluntary written agreement
8 agree to a substantial increase or decrease in dwelling space or a
9 change in the services, furniture, furnishings or equipment provided in
10 the housing accommodations. An adjustment under this subparagraph shall
11 be temporary until such increase or modification is paid for and shall
12 be equal to one-fortieth, in the case of a building with thirty-five or
13 fewer housing accommodations, or [~~one-sixtieth~~ one-eighty-fourth, in
14 the case of a building with more than thirty-five housing accommodations
15 where such adjustment takes effect on or after September twenty-fourth,
16 two thousand eleven, of the total cost incurred by the landlord in
17 providing such modification or increase in dwelling space, services,
18 furniture, furnishings or equipment, including the cost of installation,
19 but excluding finance charges and cosmetic improvements, with an adjust-
20 ment, in both cases, being no more than twenty percent of the current
21 rent, provided further that an owner who is entitled to a rent increase
22 pursuant to this subparagraph shall not be entitled to a further rent
23 increase based upon the installation of similar equipment, or new furni-
24 ture or furnishings within the useful life of such new equipment, or new
25 furniture or furnishings. The owner shall give written notice to the
26 city rent agency of any such adjustment pursuant to this subparagraph;
27 or

28 § 4. Paragraph 13 of subdivision c of section 26-511 of the adminis-
29 trative code of the city of New York, as amended by section 16 of part B
30 of chapter 97 of the laws of 2011, is amended to read as follows:

32 where there has been a substantial modification or increase of dwelling
33 space or an increase in the services, or installation of new equipment
34 or improvements or new furniture or furnishings provided in or to a
35 tenant's housing accommodation until such modification or increase has
36 been paid for, on written tenant consent to the rent increase. In the
37 case of a vacant housing accommodation, tenant consent shall not be
38 required. The [~~permanent~~ temporary increase in the legal regulated rent
39 for the affected housing accommodation shall be one-fortieth, in the
40 case of a building with thirty-five or fewer housing accommodations, or

45 modification or increase in dwelling space, services, furniture,
46 furnishings or equipment, including the cost of installation, but
47 excluding finance charges and cosmetic improvements, provided, however,
48 that in both cases, the temporary increase is no more than twenty
49 percent of the current legal regulated rent. Provided further that an
50 owner who is entitled to a rent increase pursuant to this paragraph
51 shall not be entitled to a further rent increase based upon the instal-
52 lation of similar equipment, or new furniture or furnishings within the
53 useful life of such new equipment, or new furniture or furnishings.

54 § 5. Paragraph 1 of subdivision d of section 6 of section 4 of chapter
55 576 of the laws of 1974, constituting the emergency tenant protection

Provided further that an owner who is entitled to a rent increase pursuant to this paragraph shall not be entitled to a further rent increase based upon the installation of similar equipment, or new furniture or furnishings within the useful life of such new equipment, or new furniture or furnishings.

The ~~[permanent]~~ temporary increase in the maximum rent for the affected housing accommodation shall be one-fortieth, in the case of a building with thirty-five or fewer housing accommodations, or ~~[one-sixtieth]~~ one-eighty-fourth, in the case of a building with more than thirty-five housing accommodations where such ~~[permanent]~~ temporary increase takes effect on or after September twenty-fourth, two thousand eleven, of the total cost incurred by the landlord in providing such modification or increase in dwelling space, services, furniture, furnishings or equipment, including the cost of installation, but excluding finance charges and cosmetic improvements, provided, however, that in both cases, the temporary increase is no more than twenty percent of the current rent, and provided further that an owner who is entitled to a rent increase pursuant to this clause shall not be entitled to a further rent increase based upon the installation of similar equipment, or new furniture or furnishings within the useful life of such new equipment, or new furniture or furnishings. The owner shall give written notice to the commission of any such adjustment pursuant to this clause; or

§ 7. This act shall take effect immediately; provided that:

1 a. the amendments to section 26-511 of chapter 4 of title 26 of the
2 administrative code of the city of New York made by sections one and
3 four of this act shall expire on the same date as such law expires and
4 shall not affect the expiration of such law as provided under section

15 subdivision 3 of section 1 of the local emergency housing rent control
16 act; and

17 d. the amendments to section 4 of the emergency housing rent control
18 law made by section six of this act shall expire on the same date as
19 such law expires and shall not affect the expiration of such law as
20 provided in subdivision 2 of section 1 of chapter 274 of the laws of
21 1946.

22 PART C

23 Section 1. Legislative findings and declaration of emergency. The
24 legislature hereby finds and declares that the serious public emergency
25 which led to the enactment of the existing laws regulating residential
26 rents and evictions continues to exist; that such laws would better
27 serve the public interest if certain changes were made thereto, includ-
28 ing extending to certain cities, towns and villages the authority to
29 provide for the regulation of rents and evictions with regard to housing
30 accommodations that cease or have ceased to be regulated pursuant to
31 article 2 of the private housing finance law, known as the Mitchell-Lama
32 law, or pursuant to project-based section eight contracts entered into
33 with the federal government.

34 The legislature further recognizes that severe disruption of the
35 rental housing market has occurred and threatens to be exacerbated as a
36 result of the abrupt termination of rent and eviction regulation when
37 buildings completed or substantially renovated as family units on or
38 after January first, nineteen hundred seventy-four exit the Mitchell-
39 Lama program or when buildings cease to be subject to project-based
40 section eight contracts. The situation had permitted speculative and
41 profiteering practices and has brought about the loss of vital and irre-
42 placeable affordable housing for working persons and families.

43 The legislature therefore declares that in order to prevent uncertain-
44 ty, potential hardship and dislocation of tenants living in housing
45 accommodations subject to government regulations as to rentals and
46 continued occupancy as well as those not subject to such regulations,
47 the provisions of this act are necessary to protect the public health,
48 safety and general welfare. The necessity in the public interest for the
49 provisions hereinafter enacted is hereby declared as a matter of legis-
50 lative determination.

51 § 2. Section 5 of section 4 of chapter 576 of the laws of 1974 consti-
52 tuting the emergency tenant protection act of nineteen seventy-four is
53 amended by adding a new subdivision c to read as follows:

c. Notwithstanding any other provision of this section, nothing shall prevent the declaration of an emergency pursuant to section three of this act for rental housing accommodations located in buildings or structures which were owned by a company established under article two of the private housing finance law, other than a mutual company, which are no longer owned by such company by reason of a voluntary dissolution pursuant to section thirty-five of such law or for rental housing accommodations located in buildings or structures defined as covered projects pursuant to section 8 of the United States housing act of nineteen thirty-seven, as amended, or any successor statute, and any regulations promulgated thereunder in which rental housing accommodations received project-based rental assistance from the United States department of housing and urban development pursuant to contracts with the owners of such buildings or structures which expired or were terminated. The initial legal regulated rent for housing accommodations located in buildings or structures that were owned by housing companies or that were covered projects previously regulated under the private housing finance law or under federal law, shall be the rent charged to and paid by the tenant in occupancy one hundred eighty days prior to the effective date of a chapter of the laws of two thousand fifteen which added this subdivision or, for accommodations vacant on such date, the most recent rent charged to and paid by a tenant prior to such date, including any income-related surcharges, as adjusted by all applicable guidelines increases and other increases authorized by law. 8 § 14. Tenant; definition. For the purposes of this act, the term

19 provided further that section 26-504.4 of the rent stabilization law of

28 PART E

29 Section 1. Legislative findings and declaration of emergency. The
30 legislature hereby finds and declares that the serious public emergency
31 which led to the enactment of the existing laws regulating residential
32 rents and evictions continues to exist; that such laws would better
33 serve the public interest if certain changes were made thereto, includ-
34 ing the continued regulation of certain housing accommodations that
35 become vacant and the reinstatement of regulation of certain housing
36 accommodations that have been deregulated upon vacancy.

37 The legislature further recognizes that severe disruption of the
38 rental housing market has occurred and threatens to be exacerbated as a
39 result of the present state of the law in relation to the deregulation
40 of housing accommodations upon vacancy. The situation has permitted
41 speculative and profiteering practices and has brought about the loss of
42 vital and irreplaceable affordable housing for working persons and fami-
43 lies.

44 The legislature therefore declares that in order to prevent uncertain-
45 ty, potential hardship and dislocation of tenants living in housing
46 accommodations subject to government regulations as to rentals and
47 continued occupancy as well as those not subject to such regulation, the
48 provisions of this act are necessary to protect the public health, safe-
49 ty and general welfare. The necessity in the public interest for the
50 provisions hereinafter enacted is hereby declared as a matter of legis-
51 lative determination.

52 § 2. Paragraph (n) of subdivision 2 of section 2 of chapter 274 of the
53 laws of 1946, constituting the emergency housing rent control law, is
54 REPEALED.

§ 3. Paragraph 13 of subdivision a of section 5 of section 4 of chapter 576 of the laws of 1974, constituting the emergency tenant protection act of nineteen seventy-four, is REPEALED.

§ 4. Subparagraph (k) of paragraph 2 of subdivision e of section 26-403 of the administrative code of the city of New York is REPEALED.

§ 5. Section 26-504.2 of the administrative code of the city of New York is REPEALED.

§ 6. Any housing accommodations that prior to the effective date of this act were excluded from coverage from the emergency tenant protection act of nineteen seventy-four, the emergency housing rent control law or the administrative code of the city of New York pursuant to the provisions of law repealed by sections two, three, four and five of this act, and where such housing accommodations were located outside the city of New York and were rented to a tenant between January 1, 2015 and the effective date of this act for less than \$3,500.00 per month regardless of any subsequent payment of a higher monthly rent, or were located within the city of New York and were rented to a tenant between January 1, 2015 and the effective date of this act for less than \$5,000.00 per month, regardless of any subsequent payment of a higher monthly rent, shall be subject to the provisions of such act, law or administrative code, respectively. Notwithstanding the provisions of any lease or rental agreement, the legal regulated rent or maximum collectible rent of any housing accommodation excluded from regulation prior to the effective date of this act by reason of the provisions repealed by sections two, three, four and five of this act and made subject to regulation shall be the actual rent paid by a tenant on December 31, 2016 or, if no rent was paid for such accommodation on December 31, 2016, the most recent actual rent paid by a tenant for such accommodation prior to December 31, 2016, subject to further adjustment in accordance with applicable provisions of law.

§ 7. Paragraph 14 of subdivision c of section 26-511 of the administrative code of the city of New York, as amended by section 12 of part A of chapter 20 of the laws of 2015, is amended to read as follows:

(14) provides that where the amount of rent charged to and paid by the tenant is less than the legal regulated rent for the housing accommodation, the amount of rent for such housing accommodation which may be charged upon renewal or upon vacancy thereof, may, at the option of the owner, be based upon such previously established legal regulated rent, as adjusted by the most recent applicable guidelines increases and any other increases authorized by law. ~~[Such housing accommodation shall be excluded from the provisions of this code pursuant to section 26-504.2 of this chapter when, subsequent to vacancy: (i) such legal regulated rent prior to vacancy is two thousand five hundred dollars per month, or more, for any housing accommodation that is or becomes vacant after the effective date of the rent act of 2011 but prior to the effective date of the rent act of 2015 or (ii) such legal regulated rent is two thousand seven hundred dollars per month or more, provided, however that on January 1, 2016, and annually thereafter, the maximum legal regulated rent for this deregulation threshold shall be adjusted by the same percentage as the most recent one year renewal adjustment as adjusted by the relevant rent guidelines board, for any housing accommodation that is or becomes vacant on or after the rent act of 2015.]~~

§ 8. Subdivision (a-2) of section 10 of section 4 of chapter 576 of the laws of 1974 constituting the emergency tenant protection act of nineteen seventy-four, as amended by section 11 of part A of chapter 20 of the laws of 2015, is amended to read as follows:

(a-2) Provides that where the amount of rent charged to and paid by the tenant is less than the legal regulated rent for the housing accommodation, the amount of rent for such housing accommodation which may be charged upon renewal or upon vacancy thereof, may, at the option of the owner, be based upon such previously established legal regulated rent, as adjusted by the most recent applicable guidelines increases and other increases authorized by law. [~~Such housing accommodation shall be excluded from the provisions of this act pursuant to paragraph thirteen of subdivision a of section five of this act when subsequent to vacancy; (i) such legal regulated rent is two thousand five hundred dollars per month, or more, for any housing accommodation that is, or becomes, vacant after the effective date of the rent act of 2011 but prior to the effective date of the rent act of 2015 or (ii) such legal regulated rent is two thousand seven hundred dollars per month or more for any housing accommodation that is or becomes vacant on or after the rent act of 2015, starting on January 1, 2016, and annually thereafter, the maximum legal regulated rent for this deregulation threshold, shall also be increased by the same percent as the most recent one year renewal adjustment, adopted by the applicable rent guidelines board pursuant to the rent stabilization law.~~]

§ 9. This act shall take effect immediately; provided, however, that:

(a) the amendments to section 26-511 of chapter 4 of title 26 of the administrative code of the city of New York made by section seven of this act shall expire on the same date as such law expires and shall not affect the expiration of such law as provided under section 26-520 of such law; and

(b) the amendments to subdivision (a-2) of section 10 of section 4 of the emergency tenant protection act of nineteen seventy-four made by section eight of this act shall expire on the same date as such act expires and shall not affect the expiration of such act as provided in section 17 of chapter 576 of the laws of 1974.

PART F

Section 1. Subparagraph (g) of paragraph 1 of subdivision g of section 26-405 of the administrative code of the city of New York, as amended by section 31 of part A of chapter 20 of the laws of 2015, is amended to read as follows:

(g) (i) Collection of surcharges to the maximum rent authorized pursuant to item (ii) of this subparagraph shall cease when the owner has recovered the cost of the major capital improvement;

(ii) There has been since July first, nineteen hundred seventy, a major capital improvement [required for the operation, preservation or maintenance of the structure. An adjustment under this subparagraph (g) for any order of the commissioner issued after the effective date of the rent act of 2015 shall be in an amount sufficient to amortize the cost of the improvements pursuant to this subparagraph (g) over an eight year period for buildings with thirty-five or fewer units or a nine year period for buildings with more than thirty-five units,]; provided that the commissioner finds that such improvements are deemed depreciable under the internal revenue code and such improvements are required for the operation, preservation or maintenance of the structure. The increase permitted for such capital improvement shall be collected as a monthly surcharge to the maximum rent. It shall be separately designated and billed as such and shall not be compounded by any other adjustment to the maximum rent. The surcharge allocable to each apartment shall be

1 an amount equal to the cost of the improvement divided by eighty-four,
2 divided by the number of rooms in the building, and then multiplied by
3 the number of rooms in such apartment; provided that the surcharge allo-
4 cable to any apartment in any one year may not exceed an amount equal to
5 six percent of the monthly rent collected by the owner for such apart-
6 ment as set forth in the schedule of gross rents. Any excess above said
7 six percent shall be carried forward and collected in future years as a
8 further surcharge not to exceed an additional six percent in any one
9 year period until the total surcharge equals the amount it would have
10 been if the aforementioned six percent limitation did not apply; or

11 § 2. Paragraph 1 of subdivision g of section 26-405 of the administra-
12 tive code of the city of New York is amended by adding a new subpara-
13 graph (p) to read as follows:

14 (p) Notwithstanding subparagraph (g) or (k) of this paragraph, there
15 shall be no adjustment for any major capital improvement or for any
16 other expenditures to improve, restore or preserve the quality of a
17 structure if such major capital improvement or such other expenditure is
18 funded in any part from moneys provided by the New York state energy
19 research and development authority.

20 § 3. Subparagraph (k) of paragraph 1 of subdivision g of section
21 26-405 of the administrative code of the city of New York, as amended by
22 chapter 749 of the laws of 1990, is amended to read as follows:

23 (k) The landlord has incurred, since January first, nineteen hundred
24 seventy, in connection with and in addition to a concurrent major capi-
25 tal improvement pursuant to subparagraph (g) of this paragraph, other
26 expenditures to improve, restore or preserve the quality of the struc-
27 ture. An adjustment under this subparagraph shall be granted only if
28 such improvements represent an expenditure equal to at least ten per
29 centum of the total operating and maintenance expenses for the preceding
30 year. An adjustment under this subparagraph shall be in addition to any
31 adjustment granted for the concurrent major capital improvement and
32 shall be ~~[in an amount sufficient to amortize the cost of the improve-~~
33 ~~ments pursuant to this subparagraph over a seven-year period]~~ imple-
34 mented in the same manner as such major capital improvement as a further
35 surcharge to the maximum rent.

36 § 4. Section 26-405 of the administrative code of the city of New
37 York is amended by adding a new subdivision n to read as follows:

38 n. (1) No major capital improvement rent increase will be approved by
39 the division of housing and community renewal unless the work performed
40 is an enhancement or upgrade to a housing accommodation or service ther-
41 ein; or is an addition to such housing accommodation and otherwise
42 eligible according to the prerequisites for major capital improvement
43 rent increases. Any repair or replacement intended to maintain an
44 existing service shall not be eligible for a major capital improvement
45 rent increase.

46 (2) No application for a major capital improvement rent increase may
47 be approved if there exist any outstanding hazardous violations at the
48 time of the consideration of such application, as determined pursuant to
49 regulations of the division of housing and community renewal or any
50 agency administering and enforcing a building code in the jurisdiction
51 in which the property is located, unless it is determined by the divi-
52 sion of housing and community renewal that such work is essential to the
53 alleviation of the violations and such approval is consistent with the
54 provisions of this section. Except in the case of emergency or good
55 cause, the owner of the property shall file, not less than thirty days
56 before the commencement of the improvement, with the division of housing

1 and community renewal a statement containing information outlining the
2 scope of work, expected date of completion for such work and an affida-

4 (a) every owner of record and owner of a substantial interest in the
5 property or entity owning the property or sponsoring the improvement;
6 and

7 (b) a statement that none of such persons had, within the five years
8 prior to the improvement, been found to have harassed or unlawfully
9 evicted tenants by judgment or determination of a court or agency under
10 the penal law, any state or local law regulating rents or any state or
11 local law relating to harassment of tenants or unlawful eviction.

12 Upon receipt of the scope of work and affidavit provided for in this
13 subdivision, the division of housing and community renewal shall provide
14 the tenants in occupancy in such buildings with such information. The
15 division of housing and community renewal shall, in addition, implement
16 procedures including, but not limited to, eliciting tenant comments to
17 determine whether major capital improvement rehabilitation work has been
18 satisfactorily completed. No major capital improvement rent increase
19 shall become effective until any defective or deficient rehabilitation
20 work has been cured.

21 § 5. Paragraph 6 of subdivision c of section 26-511 of the administra-
22 tive code of the city of New York, as amended by section 29 of part A of
23 chapter 20 of the laws of 2015, is amended to read as follows:

24 (6) provides criteria whereby the commissioner may act upon applica-
25 tions by owners for increases in excess of the level of fair rent
26 increase established under this law provided, however, that such crite-
27 ria shall provide ~~[(a)]~~ as to hardship applications, for a finding that
28 the level of fair rent increase is not sufficient to enable the owner to
29 maintain approximately the same average annual net income (which shall
30 be computed without regard to debt service, financing costs or manage-
31 ment fees) for the three year period ending on or within six months of
32 the date of an application pursuant to such criteria as compared with
33 annual net income, which prevailed on the average over the period nine-
34 teen hundred sixty-eight through nineteen hundred seventy, or for the
35 first three years of operation if the building was completed since nine-
36 teen hundred sixty-eight or for the first three fiscal years after a
37 transfer of title to a new owner provided the new owner can establish to
38 the satisfaction of the commissioner that he or she acquired title to
39 the building as a result of a bona fide sale of the entire building and
40 that the new owner is unable to obtain requisite records for the fiscal
41 years nineteen hundred sixty-eight through nineteen hundred seventy
42 despite diligent efforts to obtain same from predecessors in title and
43 further provided that the new owner can provide financial data covering
44 a minimum of six years under his or her continuous and uninterrupted
45 operation of the building to meet the three year to three year compar-
46 ative test periods herein provided~~[, and (b) as to completed building-~~
47 ~~wide major capital improvements, for a finding that such improvements~~
48 ~~are deemed depreciable under the Internal Revenue Code and that the cost~~
49 ~~is to be amortized over an eight-year period for a building with thir-~~
50 ~~ty-five or fewer housing accommodations, or a nine-year period for a~~
51 ~~building with more than thirty-five housing accommodations, for any~~
52 ~~determination issued by the division of housing and community renewal~~
53 ~~after the effective date of the rent act of 2015, based upon cash~~
54 ~~purchase price exclusive of interest or service charges]~~. Notwithstand-
55 ing anything to the contrary contained herein, no hardship increase
56 granted pursuant to this paragraph shall, when added to the annual gross

rents, as determined by the commissioner, exceed the sum of, (i) the annual operating expenses, (ii) an allowance for management services as determined by the commissioner, (iii) actual annual mortgage debt service (interest and amortization) on its indebtedness to a lending institution, an insurance company, a retirement fund or welfare fund which is operated under the supervision of the banking or insurance laws of the state of New York or the United States, and (iv) eight and one-half percent of that portion of the fair market value of the property which exceeds the unpaid principal amount of the mortgage indebtedness referred to in subparagraph (iii) of this paragraph. Fair market value for the purposes of this paragraph shall be six times the annual gross rent. The collection of any increase in the stabilized rent for any apartment pursuant to this paragraph shall not exceed six percent in any year from the effective date of the order granting the increase over the rent set forth in the schedule of gross rents, with collectability of any dollar excess above said sum to be spread forward in similar increments and added to the stabilized rent as established or set in future years;

§ 6. Subdivision c of section 26-511 of the administrative code of the city of New York is amended by adding three new paragraphs 6-b, 6-c and 6-d to read as follows:

(6-b) provides criteria whereby the commissioner may act upon application by owners for increases in excess of the level of fair rent increase established under this law provided however, that such criteria shall provide that:

(1) no major capital improvement rent increase will be approved by the division of housing and community renewal unless the work performed is an enhancement or upgrade to a housing accommodation or service therein; or is an addition to such housing accommodation and otherwise eligible according to the prerequisites for major capital improvement rent increases. Any repair or replacement intended to maintain an existing service shall not be eligible for a major capital improvement rent increase.

(2) no application for a major capital improvement rent increase may be approved if there exist any outstanding hazardous violations at the time of the consideration of such application, as determined pursuant to regulations of the division of housing and community renewal or any agency administering and enforcing a building code in the jurisdiction in which the property is located, unless it is determined by the division of housing and community renewal that such work is essential to the alleviation of the violations and such approval is consistent with the provisions of this section. Except in the case of emergency or good cause, the owner of the property shall file, not less than thirty days before the commencement of the improvement, with the division of housing and community renewal a statement containing information outlining the scope of work, expected date of completion for such work and an affidavit setting forth the following information:

(a) every owner of record and owner of a substantial interest in the property or entity owning the property or sponsoring the improvement; and

(b) a statement that none of such persons had, within the five years prior to the improvement, been found to have harassed or unlawfully evicted tenants by judgment or determination of a court or agency under the penal law, any state or local law regulating rents or any state or local law relating to harassment of tenants or unlawful eviction.

1 Upon receipt of the scope of work and affidavit provided for herein,
2 the division of housing and community renewal shall provide the tenants
3 in occupancy in such buildings with such information. The division of
4 housing and community renewal shall, in addition, implement procedures
5 including, but not limited to, eliciting tenant comments to determine
6 whether major capital improvement rehabilitation work has been satisfac-
7 torily completed. No major capital improvement rent increase shall
8 become effective until any defective or deficient rehabilitation work
9 has been cured.

10 (6-c) the increase permitted for such capital improvement shall be
11 collected as a monthly surcharge to the legal regulated rent. It shall
12 be separately designated and billed as such and shall not be compounded
13 by any annual adjustment of the level of fair rent provided for under
14 subdivision b of section 26-510 of this law. The surcharge allocable to
15 each apartment shall be an amount equal to the cost of the improvement
16 divided by eighty-four, divided by the number of rooms in the building,
17 and then multiplied by the number of rooms in such apartment; provided
18 that the surcharge allocable to any apartment, in any one year may not
19 exceed an amount equal to six percent of the monthly rent collected by
20 the owner for such apartment as set forth in the schedule of gross
21 rents. Any excess above said six percent shall be carried forward and
22 collected in future years as a further surcharge not to exceed an addi-
23 tional six percent in any one year period until the total surcharge
24 equals the amount it would have been if the aforementioned six percent
25 limitation did not apply.

26 (6-d) collection of surcharges in excess of the level of fair rent
27 authorized pursuant to paragraph six-b of this subdivision shall cease
28 when the owner has recovered the cost of the major capital improvement.

29 § 7. Paragraph 3 of subdivision d of section 6 of section 4 of chapter

37 (ii) there has been since January first, nineteen hundred seventy-four
38 a major capital improvement [~~required for the operation, preservation or~~
39 ~~maintenance of the structure. An adjustment under this paragraph shall~~
40 ~~be in an amount sufficient to amortize the cost of the improvements~~
41 ~~pursuant to this paragraph over an eight-year period for a building with~~
42 ~~thirty-five or fewer housing accommodations, or a nine-year period for a~~
43 ~~building with more than thirty-five housing accommodations, for any~~
44 ~~determination issued by the division of housing and community renewal~~
45 ~~after the effective date of the rent act of 2015]; provided that the~~
46 commissioner finds that such improvements are deemed depreciable under
47 the internal revenue code and such improvements are required for the
48 operation, preservation or maintenance of the structure. The increase
49 permitted for such capital improvement shall be collected as a monthly
50 surcharge to the legal regulated rent. It shall be separately designated
51 and billed as such and shall not be compounded by any annual rent
52 adjustment authorized by the rent guidelines board under this act. The
53 surcharge allocable to each apartment shall be an amount equal to the
54 cost of the improvement divided by eighty-four, divided by the number of
55 rooms in the building, and then multiplied by the number of rooms in
56 such apartment; provided that the surcharge allocable to any apartment

1 in any one year may not exceed an amount equal to six percent of the
2 monthly rent collected by the owner for such apartment as set forth in
3 the schedule of gross rents. Any excess above said six percent shall be
4 carried forward and collected in future years as a further surcharge not
5 to exceed an additional six percent in any one year period until the
6 total surcharge equals the amount it would have been if the aforemen-
7 tioned six percent limitation did not apply, or

8 § 8. Section 6 of section 4 of chapter 576 of the laws of 1974,
9 constituting the emergency tenant protection act of nineteen seventy-
10 four, is amended by adding a new subdivision d-1 to read as follows:

11 d-1. (1) No major capital improvement rent increase will be approved
12 by the division of housing and community renewal unless the work
13 performed is an enhancement or upgrade to a housing accommodation or
14 service therein; or is an addition to such housing accommodation and
15 otherwise eligible according to the prerequisites for major capital
16 improvement rent increases. Any repair or replacement intended to main-
17 tain an existing service shall not be eligible for a major capital
18 improvement rent increase.

19 (2) No application for a major capital improvement rent increase may
20 be approved if there exist any outstanding hazardous violations at the

22 regulations of the division of housing and community renewal or any
23 agency administering and enforcing a building code in the jurisdiction
24 in which the property is located, unless it is determined by the divi-
25 sion of housing and community renewal that such work is essential to the
26 alleviation of the violations and such approval is consistent with the
27 provisions of this section. Except in the case of emergency or good
28 cause, the owner of the property shall file, not less than thirty days
29 before the commencement of the improvement, with the division of housing
30 and community renewal a statement containing information outlining the
31 scope of work, expected date of completion for such work and an affida-

34 property or entity owning the property or sponsoring the improvement;
35 and

36 (b) a statement that none of such persons had, within the five years
37 prior to the improvement, been found to have harassed or unlawfully
38 evicted tenants by judgment or determination of a court or agency under
39 the penal law, any state or local law regulating rents or any state or
40 local law relating to harassment of tenants or unlawful eviction.

41 Upon receipt of the scope of work and affidavit provided for herein,
42 the division of housing and community renewal shall provide the tenants
43 in occupancy in such buildings with such information. The division of
44 housing and community renewal shall, in addition, implement procedures
45 including, but not limited to, eliciting tenant comments to determine
46 whether major capital improvement rehabilitation work has been satisfac-
47 torily completed. No major capital improvement rent increase shall
48 become effective until any defective or deficient rehabilitation work
49 has been cured.

50 § 9. Subdivision d of section 6 of section 4 of chapter 576 of the

8 follows:

9 No application for adjustment of maximum rent based upon a sales price
10 valuation shall be filed by the landlord under this subparagraph prior
11 to six months from the date of such sale of the property. In addition,
12 no adjustment ordered by the commission based upon such sales price
13 valuation shall be effective prior to one year from the date of such
14 sale. Where, however, the assessed valuation of the land exceeds four
15 times the assessed valuation of the buildings thereon, the commission
16 may determine a valuation of the property equal to five times the equal-
17 ized assessed valuation of the buildings, for the purposes of this
18 subparagraph. The commission may make a determination that the valuation
19 of the property is an amount different from such equalized assessed
20 valuation where there is a request for a reduction in such assessed
21 valuation currently pending; or where there has been a reduction in the
22 assessed valuation for the year next preceding the effective date of the
23 current assessed valuation in effect at the time of the filing of the
24 application. Net annual return shall be the amount by which the earned
25 income exceeds the operating expenses of the property, excluding mort-
26 gage interest and amortization, and excluding allowances for obsoles-
27 cence and reserves, but including an allowance for depreciation of two
28 per centum of the value of the buildings exclusive of the land, or the
29 amount shown for depreciation of the buildings in the latest required
30 federal income tax return, whichever is lower; provided, however, that
31 (1) no allowance for depreciation of the buildings shall be included
32 where the buildings have been fully depreciated for federal income tax
33 purposes or on the books of the owner; or (2) the landlord who owns no
34 more than four rental units within the state has not been fully compen-
35 sated by increases in rental income sufficient to offset unavoidable
36 increases in property taxes, fuel, utilities, insurance and repairs and
37 maintenance, excluding mortgage interest and amortization, and excluding
38 allowances for depreciation, obsolescence and reserves, which have
39 occurred since the federal date determining the maximum rent or the date
40 the property was acquired by the present owner, whichever is later; or
41 (3) the landlord operates a hotel or rooming house or owns a cooperative
42 apartment and has not been fully compensated by increases in rental
43 income from the controlled housing accommodations sufficient to offset
44 unavoidable increases in property taxes and other costs as are allocable
45 to such controlled housing accommodations, including costs of operation
46 of such hotel or rooming house, but excluding mortgage interest and
47 amortization, and excluding allowances for depreciation, obsolescence
48 and reserves, which have occurred since the federal date determining the
49 maximum rent or the date the landlord commenced the operation of the
50 property, whichever is later; or (4) the landlord and tenant voluntarily
51 enter into a valid written lease in good faith with respect to any hous-
52 ing accommodation, which lease provides for an increase in the maximum
53 rent not in excess of fifteen per centum and for a term of not less than
54 two years, except that where such lease provides for an increase in
55 excess of fifteen per centum, the increase shall be automatically
56 reduced to fifteen per centum; or (5) the landlord and tenant by mutual

1 voluntary written agreement agree to a substantial increase or decrease
2 in dwelling space or a change in the services, furniture, furnishings or
3 equipment provided in the housing accommodations; provided that an owner
4 shall be entitled to a rent increase where there has been a substantial
5 modification or increase of dwelling space or an increase in the
6 services, or installation of new equipment or improvements or new furni-
7 ture or furnishings provided in or to a tenant's housing accommodation.
8 The permanent increase in the maximum rent for the affected housing
9 accommodation shall be one-fortieth, in the case of a building with
10 thirty-five or fewer housing accommodations, or one-sixtieth, in the
11 case of a building with more than thirty-five housing accommodations
12 where such permanent increase takes effect on or after September twen-
13 ty-fourth, two thousand eleven, of the total cost incurred by the land-
14 lord in providing such modification or increase in dwelling space,
15 services, furniture, furnishings or equipment, including the cost of
16 installation, but excluding finance charges provided further that an
17 owner who is entitled to a rent increase pursuant to this clause shall
18 not be entitled to a further rent increase based upon the installation
19 of similar equipment, or new furniture or furnishings within the useful
20 life of such new equipment, or new furniture or furnishings. The owner
21 shall give written notice to the commission of any such adjustment
22 pursuant to this clause; or (6) there has been, since March first, nine-
23 teen hundred fifty, an increase in the rental value of the housing
24 accommodations as a result of a substantial rehabilitation of the build-
25 ing or housing accommodation therein which materially adds to the value
26 of the property or appreciably prolongs its life, excluding ordinary
27 repairs, maintenance and replacements; or (7) (i) collection of
28 surcharges to the maximum rent authorized pursuant to item (ii) of this
29 clause shall cease when the owner has recovered the cost of the major
30 capital improvement; (ii) there has been since March first, nineteen
31 hundred fifty, a major capital improvement [~~required for the operation,~~
32 ~~preservation or maintenance of the structure, which for any order of the~~
33 ~~commissioner issued after the effective date of the rent act of 2015 the~~
34 ~~cost of such improvement shall be amortized over an eight-year period~~
35 ~~for buildings with thirty-five or fewer units or a nine year period for~~
36 ~~buildings with more than thirty-five units]~~, or provided that the commis-
37 sioner finds that such improvements are deemed depreciable under the
38 internal revenue code and such improvements are required for the opera-
39 tion, preservation or maintenance of the structure. The increase permit-
40 ted for such capital improvement shall be collected as a monthly
41 surcharge to the maximum rent. It shall be separately designated and
42 billed as such and shall not be compounded by any other adjustment to
43 the maximum rent. The surcharge allocable to each apartment shall be an
44 amount equal to the cost of the improvement divided by eighty-four,
45 divided by the number of rooms in the building, and then multiplied by
46 the number of rooms in such apartment; provided that the surcharge allo-
47 cable to any apartment in any one year may not exceed an amount equal to
48 six percent of the monthly rent collected by the owner for such apart-
49 ment as set forth in the schedule of gross rents. Any excess above said
50 six percent shall be carried forward and collected in future years as a
51 further surcharge not to exceed an additional six percent in any one
52 year period until the total surcharge equals the amount it would have
53 been if the aforementioned six percent limitation did not apply; or (8)
54 there has been since March first, nineteen hundred fifty, in structures
55 containing more than four housing accommodations, other improvements
56 made with the express consent of the tenants in occupancy of at least

seventy-five per centum of the housing accommodations, provided, however, that no adjustment granted hereunder shall exceed fifteen per centum unless the tenants have agreed to a higher percentage of increase, as herein provided; or (9) there has been, since March first, nineteen hundred fifty, a subletting without written consent from the landlord or an increase in the number of adult occupants who are not members of the immediate family of the tenant, and the landlord has not been compensated therefor by adjustment of the maximum rent by lease or order of the commission or pursuant to the federal act; or (10) the presence of unique or peculiar circumstances materially affecting the maximum rent has resulted in a maximum rent which is substantially lower than the rents generally prevailing in the same area for substantially similar housing accommodations.

§ 11. This act shall take effect immediately; provided that:

a. the amendments to section 26-405 of the city rent and rehabilitation law made by sections one, two, three and four of this act shall remain in full force and effect only so long as the public emergency requiring the regulation and control of residential rents and evictions continues, as provided in subdivision 3 of section 1 of the local emergency housing rent control act;
