April 25, 2018

Introduced by Sen. PHILLIPS -- read twice and ordered printed, and when printed to be committed to the Committee on Civil Service and Pensions

AN ACT in relation to authorizing the son of Barry M. Dennis to be designated the beneficiary of his retirement benefits

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law to the contrary,
2 Gregory Dennis, who had been named as the survivor beneficiary of his
3 father Barry M. Dennis, a former employee of the Nassau County district
4 attorney's office, on June 7, 2017 by Bruce M. Dennis acting in his
5 capacity as power of attorney for his brother Barry and who had been
6 confirmed as the beneficiary in a letter from the New York state and
7 local employees' retirement system dated June 19, 2017 and who was later
8 informed in a letter dated July 14, 2017 which was received by Bruce M.
9 Dennis on July 19, 2017 that as a result of a statutory gifts rider
10 pursuant to section 5-1514 of the general obligations law not adjoining
11 the statutory short form power of attorney that the paper work naming
12 Gregory Dennis as the beneficiary was not properly submitted and as a
13 result the only option that was legally available to Barry M. Dennis was
14 "Option 0" wherein no beneficiary is selected and the pension benefit
15 cease upon the death of the member, shall be deemed the beneficiary of
16 the retirement benefits of Barry M. Dennis as if such required statutory
17 gifts rider had been present, and shall receive the option that was
18 selected on the option election form that was rejected due to the unac-
19 ceptable power of attorney, if on or before December 31, 2018 Bruce M.
20 Dennis shall submit a request therefor to the state comptroller.

21 § 2. Any amounts paid by the New York state and local employees'
22 retirement system to Barry M. Dennis, his estate or to his benefici-
23 aries, which exceed those amounts that would have been payable if such
24 required statutory gift rider had been present, will be deducted on an
25 actuarially equivalent basis over the expected future lifetime of Grego-
26 ry Dennis from the benefits payable to him pursuant to this act.

27 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD13797-04-8

Barry M. Dennis was retired under an option 0, affording no continuance upon his death, following a failure of his agent to provide the necessary and requested documentation to properly execute an election of a Joint Survivor 100%, under which payments would continue to his son Gregory Dennis upon his death. This bill would deem Gregory Dennis the beneficiary of a Joint Survivor 100% continuance, upon the written request of the member's agent Bruce M Dennis. Any overpayments by the New York State and Local Employees' Retirement System on behalf of Barry M. Dennis will offset the future benefit payable via actuarial reduction.

If this bill is enacted, there will be a one-time cost to New York State of approximately \$699,000. This estimate is based on the assumption that payment will be made on March 1, 2019.
