The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public health law is amended by adding a new section
2 2509 to read as follows:

3 § 2509. Crisis pregnancy center; disclosure. 1. Any crisis pregnancy
4 center shall be required to disclose to a client that when inquiring
5 about pregnancy termination, abortion or birth control, such center will
6 not provide such services or make a referral for such services.

7 2. For purposes of this section "crisis pregnancy center" means an
8 organization whose primary purpose is to provide pregnancy counseling,

13 contraception, or family planning clinics that receive federal Title X
14 funds.

15 3. The disclosure required by subdivision one of this section shall be
16 conducted upon first communication or first contact with the client or
17 potential client and shall be either in a written statement or oral
18 communication by staff assisting the potential client. Such disclosure
19 shall further be reasonably understandable to the client.

20 4. Any person who believes that a violation of this section has
21 occurred may file a complaint with the department. Within thirty days of
22 receiving such complaint, the department must investigate the complaint
23 and determine whether a violation has occurred.

24 5. Any crisis pregnancy center violating the provisions of this
25 section shall be subject to a civil fine of not more than one hundred
26 dollars on the first violation and not more than two hundred fifty
27 dollars on the second and all subsequent violations.
