AN ACT to amend the New York state urban development corporation act, in relation to providing science, technology, engineering and mathematics grants for the encouragement of women and minorities to pursue careers in technology

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 1 of section 16-m of section 1 of chapter 174
2 of the laws of 1968, constituting the New York state urban development
3 corporation act, is amended by adding a new paragraph (o) to read as
4 follows:

5 (o) Assistance to encourage women and minorities to pursue technology
6 careers by providing science, technology, engineering and mathematics
7 (STEM) grants, on a competitive basis, to school districts, charter
8 schools, or boards of cooperative educational services for use in public
9 and private schools, to develop new and enhance current STEM programs in
10 grades six through twelve, including career exploration activities,
11 opportunities for technical skills attainment and partnerships with
12 postsecondary education and training programs.

13 (i) Development of proposals and selection of recipients of such STEM
14 grants shall be carried out in cooperation with the commissioner of the
15 state education department.

16 (ii) Grants shall be made for a recurrent period of five years at
17 which time the chairperson shall evaluate the effectiveness of the STEM
18 grants based on criteria developed in cooperation with the commissioner
19 of the state education department.

20 (1) Such criteria shall provide disadvantaged school districts or
21 boards of cooperative educational services priority when allocating the
22 grants authorized by this paragraph;

23 (2) Such criteria shall include, but not be limited to, the number of
24 women and minority students in STEM programs before and after the grant
25 period; and
