For that purpose, the records of the appropriate office of the department of mental hygiene concerning previous or present mental illness of the applicant shall be available for inspection by the investigating officer of the police authority. In order to ascertain any previous criminal

3 application is signed and verified. Two copies of such fingerprints
4 shall be taken on standard fingerprint cards eight inches square, and
5 one copy may be taken on a card supplied for that purpose by the federal
6 bureau of investigation; provided, however, that in the case of a corpo-

8 and seeks to operate a firearm dealership at a second or subsequent
9 location, the original fingerprints on file may be used to ascertain any
10 criminal record in the second or subsequent application unless any of
11 the corporate officers have changed since the prior application, in
12 which case the new corporate officer shall comply with procedures
13 governing an initial application for such license. When completed, one

16 search of the files of such division and written notification of the
17 results of the search to the investigating officer shall be made without
18 unnecessary delay. Thereafter, such division shall notify the licensing
19 officer and the executive department, division of state police, Albany,
20 of any criminal record of the applicant filed therein subsequent to the
21 search of its files. A second standard card, or the one supplied by the
22 federal bureau of investigation, as the case may be, shall be forwarded
23 to that bureau at Washington with a request that the files of the bureau
24 be searched and notification of the results of the search be made to the
25 investigating police authority. Of the remaining two fingerprint cards,
26 one shall be filed with the executive department, division of state
27 police, Albany, within ten days after issuance of the license, and the
28 other remain on file with the investigating police authority. No such
29 fingerprints may be inspected by any person other than a peace officer,
30 who is acting pursuant to his special duties, or a police officer,
31 except on order of a judge or justice of a court of record either upon
32 notice to the licensee or without notice, as the judge or justice may
33 deem appropriate. Upon completion of the investigation, the police
34 authority shall report the results to the licensing officer without
35 unnecessary delay.

36 5. Filing of approved applications. (a) The application for any
37 license, if granted, shall be filed by the licensing officer with the
38 clerk of the county of issuance, except that in the city of New York
39 and, in the counties of Nassau and Suffolk, the licensing officer shall
40 designate the place of filing in the appropriate division, bureau or
41 unit of the police department thereof, and in the county of Suffolk the
42 county clerk is hereby authorized to transfer all records or applica-

44 Except as provided in paragraphs (b) through (f) of this subdivision,
45 the name and address of any person to whom an application for any
46 license has been granted shall be a public record. Upon application by a
47 licensee who has changed his place of residence such records or applica-

49 new place of residence. A duplicate copy of such application shall be
50 filed by the licensing officer in the executive department, division of
51 state police, Albany, within ten days after issuance of the license. The
52 superintendent of state police may designate that such application shall
53 be transmitted to the division of state police electronically. In the
54 event the superintendent of the division of state police determines that
55 it lacks any of the records required to be filed with the division, it
56 may request that such records be provided to it by the appropriate

1 clerk, department or authority and such clerk, department or authority
2 shall provide the division with such records. In the event such clerk,
3 department or authority lacks such records, the division may request the
4 license holder provide information sufficient to constitute such record
5 and such license holder shall provide the division with such informa-
6 tion. Such information shall be limited to the license holder's name,
7 date of birth, gender, race, residential address, social security number
8 and firearms possessed by said license holder. Nothing in this subdivi-
9 sion shall be construed to change the expiration date or term of such
10 licenses if otherwise provided for in law. ~~[Records assembled or
11 collected for purposes of inclusion in the database established by this
12 section shall be released pursuant to a court order. Records assembled
13 or collected for purposes of inclusion in the database created pursuant
14 to section 400.02 of this chapter shall not be subject to disclosure

21 same manner as the application for a license, an opportunity for the
22 applicant to request an exception from his or her application informa-
23 tion becoming public record pursuant to paragraph (a) of this subdivi-
24 sion. Such forms, which shall also be made available to individuals who
25 had applied for or been granted a license prior to the effective date of
26 ~~[the]~~ chapter one of the laws of two thousand thirteen which amended
27 this section, shall notify applicants that, upon discovery that an
28 applicant knowingly provided false information, such applicant may be
29 subject to penalties pursuant to section 175.30 of this chapter, and
30 further, that his or her request for an exception shall be null and
31 void, provided that written notice containing such determination is
32 provided to the applicant. Further, such forms shall provide each appli-
33 cant an opportunity to specify the grounds on which he or she believes
34 his or her application information should not be publicly disclosed.
35 These grounds, which shall be identified on the application with a box
36 beside each for checking, as applicable, by the applicant, shall be as
