8843

IN SENATE

May 24, 2018

- Introduced by Sen. KENNEDY -- read twice and ordered printed, and when printed to be committed to the Committee on Finance
- AN ACT to amend the state finance law, the highway law and the public authorities law, in relation to certain contracts involving industrial painting and industrial coatings

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The state finance law is amended by adding a new section 136-d to read as follows:

§ 136-d. Contracts involving industrial painting and industrial coat-3 4 ings. 1. Any contract receiving state financial assistance that includes 5 industrial painting or industrial coating shall include provisions regarding contractor, subcontractor and worker certification as follows: 6 7 a. Contractors and subcontractors doing work involving industrial painting and industrial coatings shall be certified by the society for 8 9 protective coatings' painting contractor certification program to a QP-1 10 certification entitled "Standard Procedure for Evaluating Qualifications 11 of Painting Contractors: Field Application to Complex Structures," or an 12 equivalent certification, including but not limited to a certification 13 provided by the NACE international institute contractor accreditation 14 program. 15 b. Contractors and subcontractors doing work involving industrial 16 painting and industrial coatings that requires the disturbance of lead based paint or other hazardous materials shall be certified to society 17 for protective coatings' QP-2 certification "Standard Procedure for 18 Evaluating the Qualifications of Painting Contractors to Remove Hazard-19 20 ous Paint," or an equivalent certification, including but not limited to 21 a certification provided by the NACE international institute contractor 22 accreditation program. 23 c. Contractors and subcontractors shall be required to have at least 24 two coatings application specialist level II SSPC ACS-1/NACE 13 certified craft workers. One such certified craft worker shall be required to 25

26 be present for all crews up to four crew members. For each crew larger

27 than four members, an additional coatings application specialist level

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

S. 8843

1	II SSPC ACS-1/NACE 13 certified craft worker shall be present on each
2	painting or blasting crew during blast cleaning and spray application
3	operations.
4	2. For the purposes of this section, a crew member is a person who is
5	on the job performing handheld nozzle blast cleaning or spray applica-
6	tion of protective coatings on a steel structure.
7	3. Any certifications required by this section shall be kept current
8	for the duration of the contract.
9	4. Any violation of this section shall be grounds for cancellation of
10	the contract.
11	§ 2. Section 38 of the highway law is amended by adding a new subdivi-
12	sion 2-b to read as follows:
13	2-b. Contracts; industrial painting and industrial coatings. In
14	regards to contracts for construction or improvement of highways that
15	utilize industrial painting or industrial coatings, the commissioner
