IN SENATE

June 7, 2018

Introduced by Sen. HANNON -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the public health law and the education law, in relation to exceptions to requirements for electronic prescriptions; and providing for the repeal of such provisions upon the expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraphs (d) and (e) of subdivision 3 of section 281 of
2 the public health law, as amended by chapter 13 of the laws of 2015, are
3 amended and a new paragraph (f) is added to read as follows:

4 (d) issued by a practitioner under circumstances where, notwithstand-
5 ing the practitioner's present ability to make an electronic
6 prescription as required by this subdivision, such practitioner reason-
7 ably determines that it would be impractical for the patient to obtain
8 substances prescribed by electronic prescription in a timely manner, and
9 such delay would adversely impact the patient's medical condition,
10 provided that if such prescription is for a controlled substance, the
11 quantity of controlled substances does not exceed a five day supply if
12 the controlled substance were used in accordance with the directions for
13 use; ~~(e)~~ (e) issued by a practitioner to be dispensed by a pharmacy
14 located outside the state, as set forth in regulation~~[-]~~; or (f) issued
15 as an oral prescription under paragraph (b) of subdivision four of
16 section sixty-eight hundred ten of the education law.

17 § 2. Paragraphs (d) and (e) of subdivision 10 of section 6810 of the
18 education law, as amended by chapter 13 of the laws of 2015, are amended
19 and a new paragraph (f) is added to read as follows:

20 (d) issued by a practitioner under circumstances where, notwithstand-
21 ing the practitioner's present ability to make an electronic
22 prescription as required by this subdivision, such practitioner reason-
23 ably determines that it would be impractical for the patient to obtain
24 substances prescribed by electronic prescription in a timely manner, and
25 such delay would adversely impact the patient's medical condition,
26 provided that if such prescription is for a controlled substance, the
