3 § 1111-f. Owner liability for failure of operator to comply with
4 traffic-control indications. (a) 1. Notwithstanding any other provision
5 of law, the county of Westchester is hereby authorized and empowered to
6 adopt and amend a local law or ordinance establishing a demonstration
7 program imposing monetary liability on the owner of a vehicle for fail-
8 ure of an operator thereof to comply with traffic-control indications in
9 such county in accordance with the provisions of this section. Such
10 demonstration program shall empower such county to install and operate
11 traffic-control signal photo violation-monitoring devices at no more
12 than one hundred intersections within and under the jurisdiction of such
13 county at any one time.

14 2. Such demonstration program shall utilize necessary technologies to
15 ensure, to the extent practicable, that photographs produced by such
16 traffic-control signal photo violation-monitoring systems shall not
17 include images that identify the driver, the passengers, or the contents
18 of the vehicle. Provided, however, that no notice of liability issued
19 pursuant to this section shall be dismissed solely because a photograph
20 or photographs allow for the identification of the contents of a vehi-
21 cle, provided that such county has made a reasonable effort to comply
22 with the provisions of this paragraph.

23 (b) In any such county which has adopted a local law or ordinance
24 pursuant to subdivision (a) of this section, the owner of a vehicle
25 shall be liable for a penalty imposed pursuant to this section if such
26 vehicle was used or operated with the permission of the owner, express
27 or implied, in violation of subdivision (d) of section eleven hundred
28 eleven of this article, and such violation is evidenced by information
29 obtained from a traffic-control signal photo violation-monitoring
30 system; provided however that no owner of a vehicle shall be liable for
31 a penalty imposed pursuant to this section where the operator of such
32 vehicle has been convicted of the underlying violation of subdivision
33 (d) of section eleven hundred eleven of this article.

34 (c) For purposes of this section, "owner" shall have the meaning
35 provided in article two-B of this chapter. For purposes of this section,
36 "traffic-control signal photo violation-monitoring system" shall mean a
37 vehicle sensor installed to work in conjunction with a traffic-control
38 signal which automatically produces two or more photographs, two or more
39 microphotographs, a videotape or other recorded images of each vehicle
40 at the time it is used or operated in violation of subdivision (d) of
41 section eleven hundred eleven of this article.

42 (d) A certificate, sworn to or affirmed by a technician employed by
43 Westchester county in which the charged violation occurred, or a facsim-
44 ile thereof, based upon inspection of photographs, microphotographs,
45 videotape or other recorded images produced by a traffic-control signal
46 photo violation-monitoring system, shall be prima facie evidence of the
47 facts contained therein. Any photographs, microphotographs, videotape or
48 other recorded images evidencing such a violation shall be available for
49 inspection in any proceeding to adjudicate the liability for such
50 violation pursuant to a local law or ordinance adopted pursuant to this
51 section.

52 (e) An owner liable for a violation of subdivision (d) of section
53 eleven hundred eleven of this article pursuant to a local law or ordi-
54 nance adopted pursuant to this section shall be liable for monetary
55 penalties in accordance with a schedule of fines and penalties to be set
56 forth in such local law or ordinance. The liability of the owner pursu-

ant to this section shall not exceed fifty dollars for each violation; provided, however, that such local law or ordinance may provide for an additional penalty not in excess of twenty-five dollars for each violation for the failure to respond to a notice of liability within the prescribed time period.

(f) An imposition of liability under a local law or ordinance adopted pursuant to this section shall not be deemed a conviction as an operator and shall not be made part of the operating record of the person upon whom such liability is imposed nor shall it be used for insurance purposes in the provision of motor vehicle insurance coverage.

(g) 1. A notice of liability shall be sent by first class mail to each person alleged to be liable as an owner for a violation of subdivision (d) of section eleven hundred eleven of this article pursuant to this section. Personal delivery on the owner shall not be required. A manual or automatic record of mailing prepared in the ordinary course of business shall be prima facie evidence of the facts contained therein.

2. A notice of liability shall contain the name and address of the person alleged to be liable as an owner for a violation of subdivision (d) of section eleven hundred eleven of this article pursuant to this section, the registration number of the vehicle involved in such violation, the location where such violation took place, the date and time of such violation and the identification number of the camera which recorded the violation or other document locator number.

3. The notice of liability shall contain information advising the person charged of the manner and the time in which he or she may contest the liability alleged in the notice. Such notice of liability shall also contain a warning to advise the persons charged that failure to contest in the manner and time provided shall be deemed an admission of liability and that a default judgment may be entered thereon.

4. The notice of liability shall be prepared and mailed by Westchester county or by any other entity authorized by such county to prepare and mail such notification of violation.

(h) Adjudication of the liability imposed upon owners by this section shall be by the court having jurisdiction over traffic infractions.

(i) If an owner receives a notice of liability pursuant to this section for any time period during which the vehicle was reported to the police department as having been stolen, it shall be a valid defense to an allegation of liability for a violation of subdivision (d) of section eleven hundred eleven of this article pursuant to this section that the vehicle had been reported to the police as stolen prior to the time the violation occurred and had not been recovered by such time. For purposes of asserting the defense provided by this subdivision it shall be sufficient that a certified copy of the police report on the stolen vehicle be sent by first class mail to the court having jurisdiction.
