The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 1 of section 420-a of the real property tax law
2 is amended by adding a new paragraph (c) to read as follows:

3 (c) When used in this section:

4 (i) "organized or conducted exclusively" shall require that a corpo-
5 ration's or association's organizational documents limit the purposes of
6 such corporation or association to one or more exempt purposes, as set
7 out in paragraph (a) of this subdivision;

8 (ii) "used exclusively" shall require that a corporation or associ-
9 ation use its property only for exempt purposes. Uses which may be help-
10 ful to the exempt organization but would not, if done on land owned by
11 an otherwise taxable entity, qualify for tax exemption shall subject the
12 portion of the property so used to real property taxation. Such phrase
13 shall be strictly construed and shall be intended to limit exemptions to
14 property and improvements utilized solely for exempt purposes. Where an
15 exempt organization utilizes its land for other purposes, including but
16 not limited to, the sale of products made on the land commercially or
17 the sale of timber, or otherwise leases the land for commercial
18 purposes, or allows the placement or construction of improvements on the
19 land for commercial purposes, that portion of such property and any
20 improvements thereon if such improvements are not utilized for wholly
21 exempt purposes shall be subject to real property taxation;

22 (iii) "religious purposes" shall mean an activity that is fundamental,

6 buildings which are on a parcel where persons live if such persons work
7 in income producing ventures where the income either goes to the indi-
8 vidual or to another claiming the exemption or to an organization which
9 is legally associated or affiliated with the income producing venture,
10 unless such goods or services are exclusively and without exception sold
11 to or provided to individuals of the same religion. For the purposes of
12 this paragraph, the term "income" need not include payment of money but
13 may include the receipt by an individual who has provided work or his or
14 her family of food, or clothing or shelter. The fact that individuals
15 live in a classless society shall not be a factor in granting or denying
16 an exemption based on religious purposes. The provisions of this subpar-

19 (iv) "educational purpose" shall mean either:

25 and also holds a certificate of registration issued by the board of
26 regents. Such term shall also mean purposes which are exclusively used

39 a certificate of registration issued by the board of regents or who
40 holds a charter granted by the New York state education department. An
41 entity claiming exemption for educational purposes shall utilize each

Such application shall be on a form developed by the commissioner.
