STATE OF NEW YORK

10198

IN ASSEMBLY

March 22, 2018

Introduced by M. of A. PELLEGRINO -- read once and referred to the Committee on Transportation

AN ACT directing the department of transportation to study the weight limitations for fire vehicles with pneumatic tires

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The department of transportation shall conduct a study within three months of the effective date of this act, to evaluate weight limitations for fire vehicles with pneumatic tires as set forth in subdivision 17-b of section 385 of the vehicle and traffic law, to determine whether such weight limitations should be increased to permit use on the state's highways and roads.

§ 2. No later than one year after the effective date of this act, the department of transportation shall submit to the governor and the legislature a report on the weight limitations of fire vehicles operating on the state's highways and roads, as described in section one of this act.

§ 3. The department shall evaluate such data with the assistance of experts in:

a. highway and road weight limitations;

b. fire vehicles; and

c. traffic safety.

§ 4. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
