AN ACT directing the department of transportation to study the weight limitations for fire vehicles with pneumatic tires

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. The department of transportation, in consultation with the  
2 thruway authority, the metropolitan transportation authority, the divi-  
3 sion of state police, local police agencies, local governments includ-  
4 ing, but not limited to, the city of New York, and any other department,  
5 division, board, bureau, commission, agency or public authority of the  
6 state or any political subdivision thereof deemed necessary by the  
7 commissioner of transportation, shall conduct a study to evaluate weight  
8 limitations for fire vehicles with pneumatic tires as set forth in  
9 subdivision 17-b of section 385 of the vehicle and traffic law, and make  
10 recommendations regarding increasing or eliminating such weight limita-  
11 tions. Such study shall include, but not be limited to, consideration of  
12 applicable federal laws and regulations, and the effect, if any, of a  
13 change in fire vehicle weights on state and local roads and bridges.  
14 § 2. No later than one year after the effective date of this act, the  
15 department of transportation shall submit to the governor and the legis-  
16 lature a report on the weight limitations of fire vehicles operating on  
17 state and local roads and bridges, as described in section one of this  
18 act.  
19 § 3. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
