2 entitled to a license. The commissioner may also provide that the appli-  
3 cation procedure shall include the taking of a photo image or images of  
4 the applicant in accordance with rules and regulations prescribed by the  
5 commissioner. In addition, the commissioner also shall require that the  
6 applicant provide [~~his or her~~] such applicant's social security number,  
7 shall provide space so that the applicant may request a notation upon  
8 such license that the applicant is a veteran of the United States armed  
9 forces, and shall provide space on the application so that the applicant  
10 may register in the New York state organ and tissue donor registry under  
11 section forty-three hundred ten of the public health law with the  
12 following stated on the application in clear and conspicuous type:

13 "You must fill out the following section: Would you like to be added  
14 to the Donate Life Registry? Check box for 'yes' or 'skip this ques-  
15 tion'."

16 The commissioner of health shall not maintain records of any person  
17 who checks "skip this question". Except where the application is made in  
18 person or electronically, failure to check a box shall not impair the  
19 validity of an application, and failure to check "yes" or checking "skip  
20 this question" shall not be construed to imply a wish not to donate. In  
21 the case of an applicant under eighteen years of age, checking "yes"  
22 shall not constitute consent to make an anatomical gift or registration  
23 in the donate life registry, except as otherwise provided pursuant to  
24 the provisions of paragraph (b) of subdivision one of section forty-  
25 three hundred one of the public health law. Where an applicant has  
26 previously consented to make an anatomical gift or registered in the  
27 donate life registry, checking "skip this question" or failing to check  
28 a box shall not impair that consent or registration. In addition, an  
29 applicant for a commercial driver's license who will operate a commer-  
30 cial motor vehicle in interstate commerce shall certify that such appli-  
31 cant meets the requirements to operate a commercial motor vehicle, as  
32 set forth in public law 99-570, title XII, and title 49 of the code of  
33 federal regulations, and all regulations promulgated by the United  
34 States secretary of transportation under the hazardous materials trans-  
35 portation act. In addition, an applicant for a commercial driver's  
36 license shall submit a medical certificate at such intervals as required  
37 by the federal motor carrier safety improvement act of 1999 and Part  
38 383.71(h) of title 49 of the code of federal regulations relating to  
39 medical certification and in a manner prescribed by the commissioner.  
40 For purposes of this section and sections five hundred three, five  
41 hundred ten-a, and five hundred ten-aa of this title, the terms "medical  
42 certificate" and "medical certification" shall mean a form substantially  
43 in compliance with the form set forth in Part 391.43(h) of title 49 of  
44 the code of federal regulations. Upon a determination that the holder of  
45 a commercial driver's license has made any false statement, with respect  
46 to the application for such license, the commissioner shall revoke such  
47 license.

11 of a court of a competent jurisdiction to reflect a change of gender to  
12 female, male, or nonbinary pursuant to subdivision eight of this  
13 section.

14 8. The commissioner shall require that a petition pursuant to para-  
15 graph (f) of subdivision one of this section be accompanied by an affi-  
16 davit attesting under penalty of perjury that the request for a change  
17 of gender to female, male, or nonbinary is to conform the person's legal  
18 gender to the person's gender identity and is not made for any fraudu-  
19 lent purpose. In addition, if applicable, the petition shall be accompa-  
20 nied by a certified copy of the court order from a competent jurisdic-  
21 tion changing the applicant's name pursuant to section sixty-six of the
