57. a. The commissioner shall submit to the governor, the temporary 4 president of the senate and the speaker of the assembly, a report 5 regarding school counselors, school social workers and school psychologists for the current school year. Such report shall include, but not 7 be limited to: (i) the number of full and part-time school counselors, school social workers and school psychologists in each school, (ii) the ratio of students to the number of school counselors, the ratio of 10 students to the number of school social workers, and the ratio of students to the number of school psychologists in each school, and (iii) 11 12 whether the school counselor, school social worker or school psychologist is providing counseling assistance to more than one school. 13

b. After such report is issued, the commissioner shall prepare 15 proposal on how to increase the number of school counselors, school social workers and school psychologists to meet the nationally accepted ratio of students to the number of school counselors, ratio of students to the number of school social workers, and ratio of students to the number of school psychologists within New York state such as those recommended by the school social work association of America, the American school counselors association and the national association of school psychologists. When preparing such proposal, the commissioner shall take into consideration the specific needs of individual school districts and the region in which such school district is located. 24 c. For purposes of this subdivision, the following terms shall have 26 the following meanings:
