53 vation law, including the remedies provided, and implementing guidelines
54 and rules. The provisions of such law are incorporated herein by refer-
55 ence and made a part of this agreement as though fully set forth. This
56 provision is a material term of this agreement. By entering into this

1 agreement, contractor agrees that if it breaches this provision, munici-
2 pality will suffer actual damages that will be impractical or extremely
3 difficult to determine; further, contractor agrees that the sum of one
4 hundred dollars (\$100.00) liquidated damages for the first breach, two
5 hundred dollars (\$200.00) liquidated damages for the second breach in
6 the same year, and five hundred dollars (\$500.00) liquidated damages for
7 subsequent breaches in the same year is a reasonable estimate of the
8 damage that municipality will incur based on the violation, established

18 chapter. If after issuing a written warning of violation from the muni-
19 cipality, the municipality finds that person continues to violate the
20 provisions of section 27-2203 or 27-2205 of this chapter, the munici-
21 pality may impose the various sanctions provided in this section.

22 2. Any person who violates the provisions of section 27-2203 or
23 27-2205 of this chapter shall be guilty of a violation. If charged as a

32 second violation, and not more than two hundred fifty dollars for each
33 subsequent violation against the same person.

34 § 4. This act shall take effect on the three hundred sixty-fifth day
35 after it shall have become a law.
