STATE OF NEW YORK

10643

IN ASSEMBLY

May 10, 2018

Introduced by M. of A. RA -- read once and referred to the Committee on Higher Education

AN ACT to require the commissioner of education to create a state-wide competition among SUNY and CUNY schools with prizes going to the schools that produce the most cost-efficient method of reducing CO2 emissions

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The commissioner of education shall create and sponsor a state-wide competition among teams of students who attend the state university of New York or the city university of New York designed to challenge and inspire the states' brightest and most inventive college students to produce the most cost-efficient method of reducing CO2 emissions. The awards for the teams competing in the competition:

First Place: $100,000 to the winning university with an agreement that the award be used to improve environmental programs at the university.

Second Place: $50,000 for the university with an agreement that the award be used to improve environmental programs at the university.

Third Place: $10,000 for the university with an agreement that the award be used to improve environmental programs at the university.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
