The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Notwithstanding any other provision of law, Scott Goodfellow, a member of the New York state and local employees' retirement system, who was employed on December 28, 2009, by the county of St. Lawrence department of corrections, and who filed membership application in such system on December 28, 2009, which should have given him Tier IV status but for reasons not ascribable to his own negligence and due to an administrative error, the application was not processed in the usual manner and therefore not processed until January 4, 2010, may be deemed to have become a member of the New York state and local employees' retirement system on December 28, 2009, if within one year from the date this act shall have become a law he shall file an application therefor with the state comptroller. Upon the receipt of such application, Scott Goodfellow shall be granted Tier IV status in the New York state and local employees' retirement system and be eligible for all the rights and benefits thereof. No contributions made to the New York state and local employees' retirement system by Scott Goodfellow shall be returned to him pursuant to this act.

This bill will grant retroactive Tier 4 status in the New York State and Local Employees' Retirement System to Scott R. Goodfellow, a current Tier 5 member employed by the NYS Power Authority, by changing his date of membership to December 28, 2009, his first date of employment with the county of St. Lawrence department of corrections. LBD02564-03-8

If this bill is enacted during the 2018 legislative session, there will be an increase of approximately $2,300 in the annual contributions of the NYS Power Authority for the fiscal year ending March 31, 2019. In future years, this cost will vary as the billing rates and salaries of Scott R. Goodfellow change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately $2,850 which will be borne by the county of St. Lawrence as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2019.
