4 The department shall select language developmental milestones from  
5 existing standardized norms, pursuant to the process specified in subdivi-  
6 vision four of this section, for purposes of developing a resource for  
7 use by parents to monitor and track deaf and hard of hearing children's  
8 expressive and receptive language acquisition and developmental stages  
9 toward English literacy. For the purposes of this section, the term  
10 "language developmental milestones" means milestones of development

15 the process specified in subdivision four of this section;

16 b. Be appropriate for use, in both content and administration, with  
17 deaf children from birth to five years of age, inclusive, who use one or  
18 both of the languages of American sign language and English. For the  
19 purposes of this section, "English" includes spoken English, written  
20 English, or English with the use of visual supplements;

21 c. Present the developmental milestones in terms of typical develop-  
22 ment of all children, by age range;

23 d. Be written for clarity and ease of use by parents;

1 f. Make clear that the parent resource is not a formal assessment of

5 meeting; and
