AN ACT creating the radon task force; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. The legislature recognizes the dangers  
2 to human health which exposure to radon causes. Radon is a naturally  
3 occurring, odorless radioactive gas that is one of the leading causes of  
4 lung cancer. The New York state department of health has identified over  
5 twenty-five counties as "high risk counties" for exposure to radon. It  
6 is critically important for New York state to develop a comprehensive  
7 approach to protecting New York residents from this potential health  
8 hazard.

9 § 2. There is hereby created the "radon task force" to conduct a  
10 comprehensive study on the prevention of human exposure to radon and  
11 make recommendations to reduce and minimize exposure to New York state  
12 residents. The scope of such study shall include:

13 1. Examine the need for interagency coordination of public education  
14 and outreach and prevention programs;

15 2. Examine the need for training, education and possible licensing of  
16 radon services providers; and

17 3. Review of any other related information that the commissioner of  
18 health may deem necessary or relevant in carrying out such study of  
19 radon in indoor settings.

20 § 3. 1. The task force shall consist of seven members as follows:
