43 § 8. The vehicle and traffic law is amended by adding a new section  
44 1180-d to read as follows:

45 § 1180-d. Owner liability for failure of operator to comply with  
46 certain posted maximum speed limits. (a) 1. Notwithstanding any other  
47 provision of law, the city of Buffalo is hereby authorized to establish  
48 a demonstration program imposing monetary liability on the owner of a  
49 vehicle for failure of an operator thereof to comply with posted maximum  
50 speed limits in a school speed zone within the city (i) when a school  
51 speed limit is in effect as provided in paragraphs one and two of subdi-  
52 vision (c) of section eleven hundred eighty of this article or (ii) when  
53 other speed limits are in effect as provided in subdivision (b), (d),  
54 (f) or (g) of section eleven hundred eighty of this article during the  
55 following times: (A) on school days during school hours and one hour  
56 before and one hour after the school day, and (B) a period during

1 student activities at the school and up to thirty minutes immediately  
2 before and up to thirty minutes immediately after such student activ-  
3 ities. Such demonstration program shall empower the city to install  
4 photo speed violation monitoring systems within no more than twenty  
5 school speed zones within the city at any one time and to operate such  
6 systems within such zones (iii) when a school speed limit is in effect  
7 as provided in paragraphs one and two of subdivision (c) of section  
8 eleven hundred eighty of this article or (iv) when other speed limits  
9 are in effect as provided in subdivision (b), (d), (f) or (g) of section  
10 eleven hundred eighty of this article during the following times: (A) on  
11 school days during school hours and one hour before and one hour after  
12 the school day, and (B) a period during student activities at the school  
13 and up to thirty minutes immediately before and up to thirty minutes  
14 immediately after such student activities. In selecting a school speed  
15 zone in which to install and operate a photo speed violation monitoring  
16 system, the city shall consider criteria including, but not limited to  
17 the speed data, crash history, and the roadway geometry applicable to  
18 such school speed zone.

19 2. No photo speed violation monitoring system shall be used in a  
20 school speed zone unless (i) on the day it is to be used it has success-  
21 fully passed a self-test of its functions; and (ii) it has undergone an  
22 annual calibration check performed pursuant to paragraph four of this  
23 subdivision. The city shall install signs giving notice that a photo  
24 speed violation monitoring system is in use to be mounted on advance  
25 warning signs notifying motor vehicle operators of such upcoming school  
26 speed zone and/or on speed limit signs applicable within such school  
27 speed zone, in conformance with standards established in the MUTCD.

28 3. Operators of photo speed violation monitoring systems shall have  
29 completed training in the procedures for setting up, testing, and oper-  
30 ating such systems. Each such operator shall complete and sign a daily  
31 set-up log for each such system that he or she operates that (i) states  
32 the date and time when, and the location where, the system was set up  
33 that day, and (ii) states that such operator successfully performed, and  
34 the system passed, the self-tests of such system before producing a  
35 recorded image that day. The city shall retain each such daily log  
36 until the later of the date on which the photo speed violation monitor-  
37 ing system to which it applies has been permanently removed from use or  
38 the final resolution of all cases involving notices of liability issued  
39 based on photographs, microphotographs, video or other recorded images  
40 produced by such system.

41 4. Each photo speed violation monitoring system shall undergo an annu-  
42 al calibration check performed by an independent calibration laboratory  
43 which shall issue a signed certificate of calibration. The city shall  
44 keep each such annual certificate of calibration on file until the final  
45 resolution of all cases involving a notice of liability issued during  
46 such year which were based on photographs, microphotographs, videotape  
47 or other recorded images produced by such photo speed violation monitor-  
48 ing system.

49 5. (i) Such demonstration program shall utilize necessary technologies  
50 to ensure, to the extent practicable, that photographs, microphoto-  
51 graphs, videotape or other recorded images produced by such photo speed  
52 violation monitoring systems shall not include images that identify the  
53 driver, the passengers, or the contents of the vehicle. Provided, howev-  
54 er, that no notice of liability issued pursuant to this section shall be  
55 dismissed solely because such a photograph, microphotograph, videotape  
56 or other recorded image allows for the identification of the driver, the

1 passengers, or the contents of vehicles where the city shows that it  
2 made reasonable efforts to comply with the provisions of this paragraph  
3 in such case.

4 (ii) Photographs, microphotographs, videotape or any other recorded  
5 image from a photo speed violation monitoring system shall be for the  
6 exclusive use of the city for the purpose of the adjudication of liabil-  
7 ity imposed pursuant to this section and of the owner receiving a notice  
8 of liability pursuant to this section, and shall be destroyed by the  
9 city upon the final resolution of the notice of liability to which such  
10 photographs, microphotographs, videotape or other recorded images  
11 relate, or one year following the date of issuance of such notice of  
12 liability, whichever is later. Notwithstanding the provisions of any  
13 other law, rule or regulation to the contrary, photographs, microphoto-  
14 graphs, videotape or any other recorded image from a photo speed  
15 violation monitoring system shall not be open to the public, nor subject  
16 to civil or criminal process or discovery, nor used by any court or  
17 administrative or adjudicatory body in any action or proceeding therein  
18 except that which is necessary for the adjudication of a notice of  
19 liability issued pursuant to this section, and no public entity or  
20 employee, officer or agent thereof shall disclose such information,  
21 except that such photographs, microphotographs, videotape or any other  
22 recorded images from such systems:

23 (A) shall be available for inspection and copying and use by the motor  
24 vehicle owner and operator for so long as such photographs, microphoto-  
25 graphs, videotape or other recorded images are required to be maintained  
26 or are maintained by such public entity, employee, officer or agent; and

27 (B) (1) shall be furnished when described in a search warrant issued  
28 by a court authorized to issue such a search warrant pursuant to article  
29 six hundred ninety of the criminal procedure law or a federal court  
30 authorized to issue such a search warrant under federal law, where such  
31 search warrant states that there is reasonable cause to believe such  
32 information constitutes evidence of, or tends to demonstrate that, a  
33 misdemeanor or felony offense was committed in this state or another  
34 state, or that a particular person participated in the commission of a  
35 misdemeanor or felony offense in this state or another state, provided,  
36 however, that if such offense was against the laws of another state, the  
37 court shall only issue a warrant if the conduct comprising such offense  
38 would, if occurring in this state, constitute a misdemeanor or felony  
39 against the laws of this state; and

40 (2) shall be furnished in response to a subpoena duces tecum signed by  
41 a judge of competent jurisdiction and issued pursuant to article six  
42 hundred ten of the criminal procedure law or a judge or magistrate of a  
43 federal court authorized to issue such a subpoena duces tecum under  
44 federal law, where the judge finds and the subpoena states that there is  
45 reasonable cause to believe such information is relevant and material to  
46 the prosecution, or the defense, or the investigation by an authorized  
47 law enforcement official, of the alleged commission of a misdemeanor or  
48 felony in this state or another state, provided, however, that if such  
49 offense was against the laws of another state, such judge or magistrate  
50 shall only issue such subpoena if the conduct comprising such offense  
51 would, if occurring in this state, constitute a misdemeanor or felony in  
52 this state; and

53 (3) may, if lawfully obtained pursuant to this clause and clause (A)  
54 of this subparagraph and otherwise admissible, be used in such criminal  
55 action or proceeding.

11 mation obtained from a photo speed violation monitoring system; provided  
12 however that no owner of a vehicle shall be liable for a penalty imposed

(h) Adjudication of the liability imposed upon owners of this section shall be by the city of Buffalo parking violations bureau.

For purposes of asserting the defense provided by this subdivision, it shall be sufficient that a certified copy of the police report on the stolen vehicle or number plate or plates of such vehicle be sent by first class mail to the city of Buffalo parking violations bureau or by any other entity authorized by the city to prepare and mail such notice of liability.
