

STATE OF NEW YORK

11069

IN ASSEMBLY

June 4, 2018

Introduced by COMMITTEE ON RULES -- (at request of M. of A. Paulin) --
read once and referred to the Committee on Insurance

AN ACT to amend the insurance law, in relation to providing reimbursement for certain corrective lenses used to correct color vision deficiency

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 3221 of the insurance law is amended by adding a
2 new subsection (t) to read as follows:

3 (t) (1) Every group health insurance policy offered in the large group
4 market that is issued, amended, or renewed in this state shall provide
5 coverage for corrective lenses used to correct the sight of individuals
6 medically diagnosed with color vision deficiency.

7 (2) An insured person shall be entitled to reimbursement of up to four
8 hundred dollars every thirty-six months for expenses related to the
9 purchase of up to one pair of corrective lenses.

10 (3) The insured person may choose corrective lenses exceeding the
11 amount of coverage required by this section and shall be liable for the
12 difference in cost. Reimbursement shall be provided according to the
13 respective principles and policies of the health insurance plan and may
14 include such policy provisions as deductibles, coinsurance, allowable
15 charge limitations, and coordination of benefits.

16 (4) For the purposes of this subsection, "corrective lenses" shall
17 mean any lens, including contact lenses, glasses or spectacles, worn in
18 front of the eye to correct the sight of individuals medically diagnosed
19 with color vision deficiency.

20 § 2. Section 4303 of the insurance law is amended by adding a new
21 subsection (ss) to read as follows:

22 (ss) (1) A group contract issued, amended, or renewed pursuant to this
23 section offered in the large group market shall provide coverage for
24 corrective lenses used to correct the sight of individuals medically
25 diagnosed with color vision deficiency.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD16144-02-8

1 (2) An insured person shall be entitled to reimbursement of up to four
2 hundred dollars every thirty-six months for expenses related to the
3 purchase of up to one pair of corrective lenses.

4 (3) The insured person may choose corrective lenses exceeding the
5 amount of coverage required by this section and shall be liable for the
6 difference in cost. Reimbursement shall be provided according to the
7 respective principles and policies of the health insurance plan and may
8 include such policy provisions as deductibles, coinsurance, allowable
9 charge limitations, and coordination of benefits.

10 (4) For the purposes of this subsection, "corrective lenses" shall
11 mean any lens, including contact lenses, glasses or spectacles, worn in
12 front of the eye to correct the sight of individuals medically diagnosed
13 with color vision deficiency.

14 § 3. This act shall take effect on the ninetieth day after it shall
15 have become a law.
