## IN ASSEMBLY

June 17, 2018

Introduced by COMMITTEE ON RULES -- (at request of M. of A. Thiele) --  
read once and referred to the Committee on Higher Education

AN ACT authorizing the lease of certain lands located at the State  
University of New York at Stony Brook; and providing for the repeal of  
such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. Legislative findings. The legislature finds that as part of  
2 the Amended and Restated Integration and Affiliation Agreement, dated as  
3 of April 7, 2017 (the "IAA"), between The Southampton Hospital Associ-  
4 ation ("SHA") and the state university of New York acting through its  
5 Stony Brook University Hospital ("SBUH"), the parties committed to work  
6 together to construct, if feasible, a new hospital facility on Stony  
7 Brook University's (the "University") Southampton campus ("New SH") to  
8 replace the current SHA facilities, which are currently leased to SBUH  
9 which uses them to operate a hospital in Southampton, New York. New SH  
10 is a key part of the strategy for the growth of Stony Brook Medicine and  
11 University as a regional center of health care and a national leader in  
12 innovation and discovery. It will be a state of the art facility located  
13 on the Southampton campus that replaces an aging plant located in the  
14 midst of Southampton village. New SH will serve as the focus of innova-  
15 tive hospital, community, and population based health care for the East  
16 End and beyond. It will also be an anchor for the development of the  
17 Southampton campus as a site of advanced technology, clinical research,  
18 and education for the health sciences and the general health care commu-  
19 nity. In addition to its proximity to other health science programs, the  
20 new location will enhance access to care for the community and broaden  
21 the reach of Stony Brook Medicine well beyond its current area.

22 The legislature further finds that granting the trustees of the state  
23 university of New York the authority and power to lease and otherwise  
24 contract to make available grounds and facilities of the campus of the  
25 State University of New York at Stony Brook will enable SBUH to fulfill  
26 its obligations, further its legislatively mandated mission of research,  
27 education and provision of health services, enhance access to care for

1 the community and broaden the reach of SBUH and the University well  
2 beyond its current area.

3 § 2. Notwithstanding any other law to the contrary, the state univer-  
4 sity trustees are hereby authorized and empowered, without any public  
5 bidding, to lease and otherwise contract to make available to The South-  
6 ampton Hospital Association, a not-for-profit corporation (the "Ground  
7 Lessee"), a portion of the lands of the University on its Southampton  
8 campus, being one of two separate parcels of land, one approximately 15  
9 acres and the other approximately 8.9 acres, for an aggregate total of  
10 approximately 23.9 acres generally described in this act for the purpose  
11 of constructing and operating New SH. Such lease or contract shall be  
12 for a period not exceeding 100 years without any fee simple conveyance  
13 and otherwise upon terms and conditions determined by such trustees,  
14 subject to the approval of the director of the division of the budget,  
15 the attorney general and the state comptroller. In the event that the  
16 real property that is the subject of such lease or contract shall cease  
17 to be used for the purpose described in this act, such lease or contract  
18 shall immediately terminate and the real property and any improvements  
19 thereon shall revert to the state university of New York. Any lease or  
20 contract entered into pursuant to this act shall provide that the real  
21 property that is the subject of such lease or contract and any improve-  
22 ments thereon shall revert to the state university of New York on the  
23 expiration of such contract or lease.

24 § 3. Any contract or lease entered into pursuant to this act shall be  
25 deemed to be a state contract for purposes of article 15-A of the execu-  
26 tive law, and any contractor, subcontractor, lessee or sublessee enter-  
27 ing into such contract or lease for the construction, demolition, recon-  
28 struction, excavation, rehabilitation, repair, renovation, alteration or  
29 improvement authorized pursuant to this act shall be deemed a state  
30 agency for the purposes of article 15-A of the executive law and subject  
31 to the provisions of such article.

32 § 4. Notwithstanding any general, special or local law or judicial  
33 decision to the contrary, all work performed on a project authorized by  
34 this act where all or any portion thereof involves a lease or agreement  
35 for construction, demolition, reconstruction, excavation, rehabili-  
36 tation, repair, renovation, alteration or improvement shall be deemed  
37 public work and shall be subject to and performed in accordance with the  
38 provisions of article 8 of the labor law to the same extent and in the  
39 same manner as a contract of the state, and compliance with all the  
40 provisions of article 8 of the labor law shall be required of any  
41 lessee, sublessee, contractor or subcontractor on the project, including  
42 the enforcement of prevailing wage requirements by the fiscal officer as  
43 defined in paragraph e of subdivision 5 of section 220 of the labor law  
44 to the same extent as a contract of the state.

45 § 5. Notwithstanding any law, rule or regulation to the contrary, the  
46 state university of New York on the site of Stony Brook University  
47 Hospital in Stony Brook, New York, shall not contract out to the South-  
48 ampton Hospital Association or any subsidiary for the instruction or any  
49 pedagogical functions or services, maintenance, operation or any admin-  
50 istrative services, or similar professional services currently being  
51 performed by state employees at Stony Brook Hospital. All such functions  
52 and services shall be performed by state employees pursuant to the civil  
53 service law. Nothing in this act shall result in the permanent displace-  
54 ment of any currently employed state worker or the loss of position  
55 (including partial displacement such as the permanent reduction in the  
56 hours of non-overtime, wages or employment benefits), or result in the

1 impairment of existing contracts for services or collective bargaining  
2 rights pursuant to existing agreements. All positions currently at Stony  
3 Brook University Hospital in the unclassified or classified service of  
4 the civil service law shall remain in the classified or unclassified  
5 service. Except in cases of medical exigency or for training purposes,  
6 the Stony Brook University Hospital shall not have any employees working  
7 in the hospital facility based in Stony Brook, New York as employees of  
8 Staffco of Brooklyn, LLC. No functions, services or work currently  
9 performed by classified employees of Stony Brook University Hospital at  
10 the site of Stony Brook University Hospital in Stony Brook, New York  
11 shall be transferred to Staffco of Brooklyn, LLC or the Research Founda-  
12 tion of SUNY during the term of the IAA as defined in section one of  
13 this act.

14 Except as otherwise contemplated by the IAA as defined in section one  
15 of this act, or as permitted by relevant collective bargaining agree-  
16 ments no services or work on the property described in this act which is  
17 subject to the ground lease authorized hereby currently performed by  
18 public employees or future work that is the same in scope and nature to  
19 the work being currently performed by public employees shall be  
20 contracted out or privatized by the Stony Brook University Hospital.

21 Except as otherwise contemplated by the IAA as defined in section one  
22 of this act, all siting of health services at Stony Brook Southampton  
23 Hospital shall be consistent with the certificate of need process estab-  
24 lished by the department of health.

25 Unless permitted by the IAA and section 99-y of the state finance law,  
26 there shall be no commingling of any revenue or expenses associated with  
27 a new hospital facility on Stony Brook University's Southampton Campus,  
28 or Staffco of Brooklyn, LLC with expenses and revenue of the state  
29 university of New York or the State University of New York at Stony  
30 Brook or Stony Brook University Hospital.

31 Nothing in this act shall be deemed to waive or impair any rights or  
32 benefits of employees of the state university of New York that otherwise  
33 would be available to them pursuant to the terms of agreements between  
34 the certified representatives of such employees and the state of New  
35 York pursuant to article 14 of the civil service law.

36 § 6. On or before November fifteenth of each year and subject to the  
37 New York state freedom of information law, Stony Brook University Hospi-  
38 tal shall provide a list indicating bargaining unit titles, positions  
39 and salaries of employees of Staffco of Brooklyn, LLC who are working at  
40 Stony Brook by Southampton Hospital, to the chairs of the higher educa-  
41 tion committees in both the senate and assembly. Such list shall not  
42 disclose names or other personal identifying information which shall be  
43 redacted, if necessary.

44 § 7. 1. For the purposes of this act: (a) "project" shall mean work at  
45 the property authorized by this act to be leased to The Southampton  
46 Hospital Association as described in section twelve of this act that  
47 involves the design, construction, reconstruction, demolition, excavat-  
48 ing, rehabilitation, repair, renovation, alteration or improvement of  
49 New SH.

50 (b) "project labor agreement" shall mean a pre-hire collective  
51 bargaining agreement between a contractor and a labor organization,  
52 establishing the labor organization as the collective bargaining repre-  
53 sentative for all persons who will perform work on the project, and  
54 which provides that only contractors and subcontractors who sign a pre-  
55 negotiated agreement with the labor organization can perform project  
56 work.

2. Notwithstanding the provisions of any general, special, or local law or judicial decision to the contrary: (a) The Southampton Hospital Association may require a contractor awarded a contract, subcontract, lease, grant, bond, covenant or other agreement for a project to enter into a project labor agreement during and for the work involved with such project when such requirement is part of Ground Lessee's request for proposals for the project and when the State University of New York at Stony Brook determines that the record supporting the decision to enter into such an agreement establishes that the interests underlying the competitive bidding laws are best met by requiring a project labor agreement including obtaining the best work at the lowest possible price; preventing favoritism, fraud and corruption; the impact of delay; the possibility of cost savings; and any local history of labor unrest.

(b) If the State University of New York at Stony Brook does not require a project labor agreement, then any contractor, subcontractor, lease, grant, bond, covenant or other agreements for a project shall be awarded pursuant to section 135 of the state finance law.

§ 8. Without limiting the determination of the terms and conditions of such contracts or leases, such terms and conditions may provide for leasing, subleasing, construction, reconstruction, rehabilitation, improvement, operation and management of and provision of services and assistance and the granting of licenses, easements and other arrangements with regard to such grounds and facilities by the Ground Lessee, and parties contracting with the Ground Lessee, and, in connection with such activities, the obtaining of funding or financing, whether public or private, unsecured or secured (including, but not limited to, secured by leasehold mortgages and assignments of rents and leases), by the Ground Lessee and parties contracting with the Ground Lessee for the purposes of completing the project described in this act.

§ 9. Such lease shall include an indemnity provision whereby the lessee or sublessee promises to indemnify, hold harmless and defend the lessor against all claims, suits, actions, and liability to all persons on the leased premises, including tenant, tenant's agents, contractors, subcontractors, employees, customers, guests, licensees, invitees and members of the public, for damage to any such person's property, whether real or personal, or for personal injuries arising out of tenant's use or occupation of the demised premises.

§ 10. Any contracts entered into pursuant to this act between the Ground Lessee and parties contracting with the Ground Lessee shall be awarded by a competitive process.

§ 11. The state university of New York shall not lease lands described in this act unless any such lease shall be executed within ten years of the effective date of this act.

§ 12. The property authorized by this act to be leased to The Southampton Hospital Association is generally described as one of two parcels of real property with improvements thereon consisting of a total of approximately 23.9 acres situated on the campus of the State University of New York at Stony Brook. The description in this section of the parcels to be made available pursuant to this act is not meant to be a legal description, but is intended only to identify the parcels:

30 existing easements and restrictions of record.

31 § 13. Insofar as the provisions of this act are inconsistent with the  
32 provisions of any law, general, special or local, the provisions of this  
33 act shall be controlling.

34 § 14. This act shall take effect immediately; provided, however, the  
35 report required pursuant to section six of this act shall take effect on  
36 November fifteenth next succeeding the opening of the new hospital  
37 facility on the land that is the subject of the ground lease authorized  
38 by this act; and provided further that, if the lease authorized by this  
39 act has not been yet executed, this act shall expire and be deemed  
40 repealed either:

41 (a) ten years after the effective date of this act; or

42 (b) the date by which Stony Brook University, in its sole discretion,  
43 determines that such lease is no longer viable and notifies the legisla-  
44 tive bill drafting commission upon the occurrence of such determination  
45 in order that the commission may maintain an accurate and timely effec-  
46 tive data base of the official text of the laws of the state of New York  
47 in furtherance of effectuating the provisions of section 44 of the  
48 legislative law and section 70-b of the public officers law.
