STATE OF NEW YORK

1333

2017-2018 Regular Sessions

IN ASSEMBLY

January 11, 2017

Introduced by M. of A. SIMANOWITZ -- read once and referred to the Committee on Environmental Conservation

AN ACT to amend the environmental conservation law, in relation to electronic equipment disposal in a city having a population of one million or more

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The environmental conservation law is amended by adding a new section 27-2623 to read as follows:

§ 27-2623. Electronic waste collection; removal in a city having a population of one million or more.

Notwithstanding any law, ordinance or code to the contrary any person in a city having a population of one million or more residing in a building with less than eleven residences that does not have a pick-up designation shall be able to contact the department of sanitation of such city and schedule an appointment for removal of electronic equipment for recycling.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
