27 § 7. The vehicle and traffic law is amended by adding a new section
28 2292 to read as follows:

29 § 2292. ATV trail development and maintenance. 1. Every county engag-
30 ing and assisting in the development and maintenance of a system of ATV
31 trails and a program with relation thereto within its boundaries in
32 order to encourage safety, tourism and utilization and, in the event a
33 county does not undertake such a program, or system of trails, any city,
34 town or village within such county which undertakes the same, shall be
35 entitled to receive, in accordance with rules and regulations to be
36 promulgated by the commissioner, state aid as hereinafter provided.

37 2. Notwithstanding any other provision of law to the contrary, the
38 commissioner shall establish a plan for the development and maintenance
39 of ATV trails and facilities in the various counties or where applica-
40 ble, cities, towns or villages of the state as may be appropriate and
41 shall take whatever action he or she deems necessary to foster and
42 promote the safe utilization of such trails and facilities; for these
43 purposes, he or she may draw upon the moneys deposited in the ATV trail
44 development and maintenance fund pursuant to section ninety-two-gg of
45 the state finance law for expenses, including personal services, as
46 approved by the comptroller and is hereby authorized to assign three
47 employees of his or her office to carry out such responsibilities and to
48 pay their salaries, benefits and expenses out of such fund.

49 3. Every county or, where applicable, any city, town or village within
50 such county, shall be eligible for a grant for the development and main-
51 tenance of a system of ATV trails and a program with relation thereto
52 within its boundaries. Such grants shall be made by the commissioner and
53 may constitute up to one hundred percent of the cost of such program
54 including expenditures incurred for signs and markers of ATV trails. Any
55 county or, where applicable, any city, town or village within such coun-
56 ty, applying for such grant shall submit to the commissioner by April

1 first of each year an estimate of such expenditures for the current
2 fiscal year, in such form and containing such information as the commis-
3 sioner may require. No city, town or village may apply for such grant
4 where the county within which it is contained has submitted an applica-
5 tion for the same fiscal year. For the purpose of this section, "fiscal
6 year" shall mean the period from April first through March thirty-first.
7 The commissioner shall review all such applications and shall determine
8 the amount of state aid to be allocated to each county or, where appli-
9 cable, any city, town or village within such county in accordance with
10 the provisions of subdivision five of this section. Of the amount the

12 or village within such county is eligible to receive, seventy percent
13 shall be made available for distribution by June first and thirty
14 percent for distribution upon demonstration of completion, submitted by

24 city, town or village within such county shall bear to the total author-
25 ized expenditures of all the counties, cities, towns or villages for ATV
26 trail development and maintenance pursuant to this section during the
27 fiscal year. Such percentage proportion shall then be applied against
28 the amount received in additional fees imposed by section two thousand
29 two hundred eighty-two of this article for registration of ATVs during
30 such fiscal year, to the extent only and not exceeding the balance of
31 such fund remaining after the payment of expenses as set forth in this
32 section. The amount thus determined shall constitute the maximum amount
33 of state aid to which each county or, where applicable, any city, town
34 or village within such county, shall be entitled. The commissioner shall
35 certify to the comptroller the amount thus determined for each county
36 or, where applicable, any city, town or village within such county, as
37 the amount of state aid to be apportioned to such county or, where
38 applicable, any city, town or village within such county.

46 this article, the payment of which fee hereby imposed shall be a condi-
47 tion precedent to such individual resident, individual nonresident or
48 dealer registration.

49 2. Notwithstanding the fee as established in subdivision one of this
50 section, an individual registering an ATV who provides proof at the time

55 New York state off-highway recreational vehicle association, shall pay
56 thirty dollars for each ATV for the ATV trail development and mainte-

22 The commissioner may suspend or revoke the ATV safety certificate of the
23 person committing such violation or the certificate of registration of

28 requirements of subdivision seven of this section. The report shall be
29 presented to the court upon the arraignment of the arrested person. The
30 privilege to operate an ATV shall, upon the basis of such written
31 report, be temporarily suspended by the court without notice pending the
32 determination of a hearing as provided herein. Copies of such report
33 must be transmitted by the court to the commissioner and such transmit-

40 motor vehicles shall immediately suspend the privilege to operate an
41 ATV, as of the date of receipt of such waiver in accordance with the
42 provisions of paragraph (d) of this subdivision.

43 (c) Any person whose privilege to operate an ATV has been suspended
44 pursuant to paragraph (b) of this subdivision is entitled to a hearing
45 in accordance with a hearing schedule to be promulgated by the commis-
46 sioner. If the department fails to provide for such hearing fifteen days
47 after the date of the arraignment of the arrested person, the privilege
48 to operate an ATV of such person shall be reinstated pending a hearing
49 pursuant to this section. The hearing shall be limited to the following
50 issues: (1) did the police officer have reasonable cause to believe that
51 such person had been operating an ATV in violation of any paragraph of
52 subdivision one of this section; (2) did the police officer make a
53 lawful arrest of such person; (3) was such person given sufficient warn-
54 ing, in clear and unequivocal language, prior to such refusal that such
55 refusal to submit to such chemical test or any portion thereof, would
56 result in the immediate suspension of such person's privilege to operate

1 an ATV whether or not such person is found guilty of the charge for
2 which the arrest was made; and (4) did such person refuse to submit to
3 such chemical test or any portion thereof. If, after such hearing, the
4 hearing officer, acting on behalf of the commissioner, finds on any one
5 of said issues in the negative, the hearing officer shall immediately
6 terminate any suspension arising from such refusal. If, after such hear-
7 ing, the hearing officer, acting on behalf of the commissioner finds all
8 of the issues in the affirmative, such officer shall immediately suspend
9 the privilege to operate an ATV in accordance with the provisions of
10 paragraph (d) of this subdivision. A person who has had the privilege to
11 operate an ATV suspended pursuant to this subdivision may appeal the
12 findings of the hearing officer in accordance with the provisions of
13 article three-A of this chapter. Any person may waive the right to a
14 hearing under this section. Failure by such person to appear for the
15 scheduled hearing shall constitute a waiver of such hearing, provided,
16 however, that such person may petition the commissioner for a new hear-
17 ing which shall be held as soon as practicable.

18 (d) (1) Any privilege to operate an ATV which has been suspended
19 pursuant to paragraph (c) of this subdivision shall not be restored for
20 six months after such suspension. However, no such privilege shall be
21 restored for at least one year after such suspension in any case where
22 the person has had a prior suspension resulting from refusal to submit
23 to a chemical test pursuant to this subdivision, or has been convicted
24 of a violation of any paragraph of subdivision one of this section not
25 arising out of the same incident, within the five years immediately
26 preceding the date of such suspension.

27 (2) Any person whose privilege to operate an ATV is suspended pursuant
28 to the provisions of this subdivision shall also be liable for a civil
29 penalty in the amount of two hundred dollars except that if such suspen-
30 sion is a second or subsequent suspension pursuant to this subdivision
31 issued within a five year period, or such person has been convicted of a
32 violation of any paragraph of subdivision one of this section within the
33 past five years not arising out of the same incident, the civil penalty
34 shall be in the amount of five hundred dollars. The privilege to operate
35 an ATV shall not be restored to such person unless such penalty has been
36 paid. The first one hundred dollars of each penalty collected by the
37 department pursuant to the provisions of this subdivision shall be paid
38 to the commissioner for deposit to the general fund and the remainder of
39 all such penalties shall be paid to the commissioner for deposit in the
40 ATV environmental restoration fund established pursuant to section nine-
41 ty-two-hh of the state finance law.

42 (e) The commissioner shall promulgate such rules and regulations as
43 may be necessary to effectuate the provisions of this subdivision.

44 (f) Evidence of a refusal to submit to such chemical test shall be
45 admissible in any trial, proceeding or hearing based upon a violation of
46 the provisions of this section, but only upon a showing that the person
47 was given sufficient warning, in clear and unequivocal language, of the
48 effect of such refusal and that the person persisted in his or her
49 refusal.

50 (g) Upon the request of the person tested, the results of such test
51 shall be made available to him or her.

52 7. Compulsory chemical tests. (a) Notwithstanding the provisions of
53 subdivision six of this section, no person who operates an ATV upon a
54 street, highway, public trails, lands, bodies of water, or private prop-
55 erty of another may refuse to submit to a chemical test of one or more
56 of the following: breath, blood, urine or saliva, for the purpose of

1 determining the alcoholic and/or drug content of the blood when a court
2 order for such chemical test has been issued in accordance with the
3 provisions of this subdivision.

4 (b) Upon refusal by any person to submit to a chemical test or any
5 portion thereof as described in paragraph (a) of this subdivision, the
6 test shall not be given unless a police officer or a district attorney,
7 as defined in subdivision thirty-two of section 1.20 of the criminal
8 procedure law, requests and obtains a court order to compel a person to
9 submit to a chemical test to determine the alcoholic or drug content of
10 the person's blood upon a finding of reasonable cause to believe that:

11 (1) such person was the operator of an ATV and in the course of such
12 operation a person other than the operator was killed or suffered seri-
13 ous physical injury as defined in section 10.00 of the penal law; and

14 (2) (i) either such person operated the ATV in violation of any para-
15 graph of subdivision one of this section, or

16 (ii) a breath test administered by a police officer in accordance with
17 subdivision five of this section indicates that alcohol has been
18 consumed by such person; and

19 (3) such person has been placed under lawful arrest; and

20 (4) such person has refused to submit to a chemical test or any
21 portion thereof, requested in accordance with the provisions of subdivi-
22 sion six of this section or is unable to give consent to such a test.

23 (c) For the purpose of this subdivision "reasonable cause" shall be
24 determined by viewing the totality of circumstances surrounding the
25 incident which, when taken together, indicate that the operator was
26 operating an ATV in violation of any paragraph of subdivision one of
27 this section. Such circumstances may include, but are not limited to:
28 evidence that the operator was operating an ATV in violation of any
29 provision of this chapter which regulates the manner in which an ATV is
30 to be properly operated at the time of the incident; any visible indi-
31 cation of alcohol or drug consumption or impairment by the operator; any
32 other evidence surrounding the circumstances of the incident which indi-
33 cates that the operator has been operating an ATV while impaired by the
34 consumption of alcohol or drugs or was intoxicated at the time of the
35 incident.

36 (d) (1) An application for a court order to compel submission to a
37 chemical test or any portion thereof, may be made to any supreme court
38 justice, county court judge or district court judge in the judicial
39 district in which the incident occurred, or if the incident occurred in
40 the city of New York before any supreme court justice or judge of the
41 criminal court of the city of New York. Such application may be communi-
42 cated by telephone, radio or other means of electronic communication, or
43 in person.

44 (2) The applicant must provide identification by name and title and
45 must state the purpose of the communication. Upon being advised that an
46 application for a court order to compel submission to a chemical test is
47 being made, the court shall place under oath the applicant and any other
48 person providing information in support of the application as provided
49 in subparagraph three of this paragraph. After being sworn the applicant
50 must state that the person from whom the chemical test was requested was
51 the operator of an ATV and in the course of such operation a person,
52 other than the operator, has been killed or seriously injured and, based
53 upon the totality of circumstances, there is reasonable cause to believe
54 that such person was operating an ATV in violation of any paragraph of
55 subdivision one of this section and, after being placed under lawful
56 arrest such person refused to submit to a chemical test or any portion

1 thereof, in accordance with the provisions of this section or is unable
2 to give consent to such a test or any portion thereof. The applicant
3 must make specific allegations of fact to support such statement. Any
4 other person properly identified may present sworn allegations of fact
5 in support of the applicant's statement.

6 (3) Upon being advised that an oral application for a court order to
7 compel a person to submit to a chemical test is being made, a judge or
8 justice shall place under oath the applicant and any other person
9 providing information in support of the application. Such oath or oaths
10 and all of the remaining communication must be recorded, either by means
11 of a voice recording device or verbatim stenographic or verbatim long-
12 hand notes. If a voice recording device is used or a stenographic record
13 made, the judge must have the record transcribed, certify to the accura-
14 cy of the transcription and file the original record and transcription
15 with the court within seventy-two hours of the issuance of the court
16 order. If the longhand notes are taken, the judge shall subscribe a copy
17 and file it with the court within twenty-four hours of the issuance of
18 the order.

19 (4) If the court is satisfied that the requirements for the issuance
20 of a court order pursuant to the provisions of paragraph (b) of this
21 subdivision have been met, it may grant the application and issue an
22 order requiring the accused to submit to a chemical test to determine
23 the alcoholic and/or drug content of his or her blood and ordering the
24 withdrawal of a blood sample in accordance with the provisions of subdi-
25 vision eight of this section. When a judge or justice determines to
26 issue an order to compel submission to a chemical test based on an oral
27 application, the applicant therefor shall prepare the order in accord-
28 ance with the instructions of the judge or justice. In all cases the
29 order shall include the name of the issuing judge or justice, the name
30 of the applicant, and the date and time it was issued. It must be signed
31 by the judge or justice if issued in person, or by the applicant if
32 issued orally.

33 (5) Any false statement by an applicant or any other person in support
34 of an application for a court order shall subject such person to the
35 offenses for perjury set forth in article two hundred ten of the penal
36 law.

37 (e) An order issued pursuant to the provisions of this subdivision
38 shall require that a chemical test to determine the alcoholic and/or
39 drug content of the operator's blood must be administered. The
40 provisions of paragraphs (a), (b) and (c) of subdivision eight of this
41 section shall be applicable to any chemical test administered pursuant
42 to this section.

43 (f) A defendant who has been compelled to submit to a chemical test
44 pursuant to the provisions of this subdivision may move for the
45 suppression of such evidence in accordance with article seven hundred
46 ten of the criminal procedure law on the grounds that the order was
47 obtained and the test administered in violation of the provisions of
48 this subdivision or any other applicable law.

49 8. Testing procedures. (a) At the request of a police officer, the
50 following persons may withdraw blood for the purpose of determining the
51 alcohol or drug content therein: (1) a physician, a registered profes-
52 sional nurse or a registered physician's assistant; or (2) under the
53 supervision and at the direction of a physician: a medical laboratory
54 technician or medical technologist as classified by civil service; a
55 phlebotomist; an advanced emergency medical technician as certified by
56 the department of health, or a medical laboratory technician or medical

1 technologist employed by a clinical laboratory approved under title five
2 of article five of the public health law. This limitation shall not
3 apply to the taking of a urine, saliva or breath specimen.

4 (b) No person entitled to withdraw blood pursuant to paragraph (a) of
5 this subdivision or hospital employing such person and no other employer
6 of such person shall be sued or held liable for any act done or omitted
7 in the course of withdrawing blood at the request of a police officer or
8 peace officer acting pursuant to his or her special duties pursuant to
9 this subdivision.

10 (c) Any person who may have a cause of action arising from the with-
11 drawal of blood as aforesaid, for which no personal liability exists
12 under paragraph (b) of this subdivision, may maintain such action
13 against the state if the person entitled to withdraw blood pursuant to
14 paragraph (a) of this subdivision acted at the request of a police offi-
15 cer or peace officer acting pursuant to his or her special duties,
16 employed by the state, or against the appropriate political subdivision
17 of the state if the person acted at the request of a police officer or
18 peace officer acting pursuant to his or her special duties, employed by
19 a political subdivision of the state. No action shall be maintained
20 pursuant to this paragraph unless notice of claim is duly filed or
21 served in compliance with law.

22 (d) Notwithstanding the foregoing provisions of this subdivision, an
23 action may be maintained by the state or a political subdivision thereof
24 against a person entitled to withdraw blood pursuant to paragraph (a) of
25 this subdivision or hospital employing such person for whose act or
26 omission the state or the political subdivision has been held liable
27 under this subdivision to recover damages, not exceeding the amount
28 awarded to the claimant, that may have been sustained by the state or
29 the political subdivision by reason of gross negligence on the part of
30 such person entitled to withdraw blood.

31 (e) The testimony of any person, other than a physician, entitled to
32 draw blood pursuant to paragraph (a) of this subdivision in respect to
33 any such withdrawal of blood made by him or her may be received in
34 evidence with the same weight, force and effect as if such withdrawal of
35 blood were made by a physician.

36 (f) The provisions of paragraphs (b), (c) and (d) of this subdivision
37 shall also apply with regard to any person employed by a hospital as
38 security personnel for any act done or omitted in the course of with-
39 drawing blood at the request of a police officer pursuant to a court
40 order in accordance with this subdivision.

41 (g) The person tested shall be permitted to choose a physician to
42 administer a chemical test in addition to the one administered at the
43 direction of the police officer.

44 9. Chemical test evidence. (a) Upon the trial of any such action or
45 proceeding arising out of actions alleged to have been committed by any
46 person arrested for a violation of any paragraph of subdivision one of
47 this section, the court shall admit evidence of the amount of alcohol or
48 drugs in the defendant's blood as shown by a test administered pursuant
49 to the provisions of subdivision six or seven of this section.

50 (b) The following effect shall be given to evidence of blood alcohol
51 content, as determined by such tests, of a person arrested for a
52 violation of any paragraph of subdivision one of this section and who
53 was operating an ATV:

54 (1) evidence that there was .05 of one per centum or less by weight of
55 alcohol in such person's blood shall be prima facie evidence that the
56 ability of such person to operate an ATV was not impaired by the

1 consumption of alcohol, and that such person was not in an intoxicated
2 condition.

3 (2) evidence that there was more than .05 of one per centum but less
4 than .07 of one per centum of weight in such person's blood shall be
5 prima facie evidence that such person was not in an intoxicated condi-
6 tion, but such evidence shall be relevant evidence but not be given
7 prima facie effect, in determining whether the ability of such person to
8 operate an ATV was impaired by the consumption of alcohol.

9 (3) evidence that there was .07 of one per centum or more but less
10 than .08 of one per centum by weight of alcohol in such person's blood
11 shall be prima facie evidence that such person was not in an intoxicated
12 condition, but such evidence shall be given prima facie effect in deter-
13 mining whether the ability of such person to operate an ATV was impaired
14 by the consumption of alcohol.

15 (c) Evidence of a refusal to submit to a chemical test or any portion
16 thereof shall be admissible in any trial or hearing provided the request
17 to submit to such a test was made in accordance with the provisions of
18 subdivision six of this section.

19 10. Limitations. (a) An ATV operator may be convicted of a violation
20 of paragraph (a), (b), (c), or (d) of subdivision one of this section,
21 notwithstanding that the charge laid before the court alleged a
22 violation of paragraph (b), (c), or (d) of subdivision one of this
23 section, and regardless of whether or not such conviction is based on a
24 plea of guilty.

25 (b) In any case wherein the charge laid before the court alleges a
26 violation of paragraph (b), (c), or (d) of subdivision one of this
27 section, any plea of guilty thereafter entered in satisfaction of such
28 charge must include at least a plea of guilty to the violation of the
29 provisions of one of the paragraphs of such subdivision one and no other
30 disposition by plea of guilty to any other charge in satisfaction of
31 such charge shall be authorized; provided, however, if the district
32 attorney upon reviewing the available evidence determines that the
33 charge of a violation of subdivision one of this section is not
34 warranted, he or she may consent, and the court may allow a disposition
35 by plea of guilty to another charge in satisfaction of such charge.

36 11. Suspension pending prosecution. (a) Without notice, pending any
37 prosecution, the court may suspend the right to operate an ATV where the
38 ATV operator has been charged with vehicular assault in the second
39 degree or vehicular manslaughter in the second degree as defined,
40 respectively, in sections 120.03 and 125.12 of the penal law.

41 (b) A suspension under this subdivision shall occur no later than
42 twenty days after the ATV operator's first appearance before the court
43 on the charges or at the conclusion of all proceedings required for the
44 arraignment, whichever comes first. In order for the court to impose
45 such suspension it must find that the accusatory instrument conforms to
46 the requirements of section 100.40 of the criminal procedure law and
47 there exists reasonable cause to believe that the accused operated an
48 ATV in violation of section 120.03 or 125.12 of the penal law. At such
49 time the operator shall be entitled to an opportunity to make a state-
50 ment regarding the enumerated issues and to present evidence tending to
51 rebut the court's findings. Where such suspension is imposed upon such
52 pending charge and the operator has requested a hearing pursuant to
53 article one hundred eighty of the criminal procedure law, the court
54 shall conduct such hearing. If upon completion of the hearing, the court
55 fails to find that there is reasonable cause to believe that the opera-
56 tor committed a felony under section 120.03 or 125.12 of the penal law

1 the court shall promptly direct restoration of such operating privileges
2 to the operator unless such operating privileges are suspended or
3 revoked pursuant to any other provision of this chapter.

4 12. ATV safety course. Upon the conviction of any subdivision of this
5 section, the court shall, in addition to any other penalties invoked
6 under this section, require the convicted person, as a condition of the
7 sentence, to complete an ATV safety course approved by the commissioner
8 and show proof of successful completion of such course to the court or
9 its designee.

10 § 13. Section 606 of the tax law is amended by adding a new subsection
11 (n-3) to read as follows:

12 (n-3) Credit for certain landowners who allow all terrain vehicle
13 access. (1) An individual taxpayer who meets the eligibility standards
14 in paragraph two of this subsection shall be allowed a credit against
15 the taxes imposed by this article in the amount specified in paragraph
16 three of this subsection.

17 (2) To be eligible for the credit, the taxpayer (or taxpayers filing
18 joint returns) on the personal income tax return must allow all terrain
19 vehicle access in the form of a state-funded all terrain vehicle trail
20 or portion thereof on property owned by the taxpayer that either
21 receives an agricultural assessment under section three hundred five or
22 three hundred six of the agriculture and markets law or is eligible
23 forest land under section four hundred eighty-a of the real property tax
24 law.

25 (3) A taxpayer shall be allowed a credit equal to ten cents per linear
26 foot of state-funded all terrain vehicle trail on eligible property
27 pursuant to paragraph two of this subsection.

28 § 14. Paragraph (d) of subdivision 6 of section 92-s of the state
29 finance law, as amended by section 13 of part E of chapter 61 of the
30 laws of 2000, is amended to read as follows:

31 (d) Moneys from the open space account shall be available, pursuant to
32 appropriation, for any open space land conservation project, bio-diver-
33 sity stewardship and research pursuant to chapter five hundred fifty-
34 four of the laws of nineteen hundred ninety-three, for the purposes of
35 agricultural and farmland protection activities as authorized by article
36 twenty-five-AAA of the agriculture and markets law, for support of the
37 landowner all terrain vehicle access tax credit pursuant to subsection
38 (n-3) of section six hundred six of the tax law, non-point source abate-
39 ment and control projects pursuant to section 17-1409 of the environ-
40 mental conservation law and section eleven-b of the soil and water
41 conservation districts law, for Long Island Central Pine Barrens area
42 planning or Long Island south shore estuary reserve planning pursuant to
43 title thirteen of article fifty-four of the environmental conservation
44 law, and for operation and management of the Albany Pine Bush preserve
45 commission pursuant to subdivision two of section 54-0303 of the envi-
46 ronmental conservation law.

47 § 15. Nothing in this act shall be deemed to limit the authority of
48 any county, city, town or village to adopt or amend any local law or
49 ordinance which imposes stricter restrictions and conditions on the
50 operation of all terrain vehicles than are provided or authorized by
51 this act, so long as such local law or ordinance is consistent with the
52 authority to protect the order, conduct, health, safety and general
53 welfare of persons or property. Nothing in this act shall be deemed to
54 alter or invalidate any local law or ordinance in effect on the effec-
55 tive date of this act.

1 § 16. This act shall take effect on the thirtieth day after it shall
2 have become a law; provided, however that sections thirteen and fourteen
3 of this act shall take effect on the first of January next succeeding
4 the date on which it shall have become a law and shall apply to taxable
5 years beginning on or after such date; provided, however, that the
6 department of taxation and finance is authorized and directed to promul-
7 gate rules and regulations necessary for the timely implementation of
8 sections thirteen and fourteen of this act on or before such effective
9 date.
