AN ACT to amend the general obligations law, in relation to the duty to  
keep premises safe for certain uses and enacting the "equine activity  
safety code act"

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. Section 9-103 of the general obligations law, as amended by  
2 chapter 408 of the laws of 1979, paragraph a of subdivision 1 as sepa-  
3 rately amended by chapters 141 and 286 of the laws of 1984 and paragraph  
4 c of subdivision 1 as added by chapter 174 of the laws of 1980, is  
5 amended to read as follows:

6 § 9-103. No duty to keep premises safe for certain uses; responsibil-  
7 ity for acts of such users. 1. The legislature reaffirms the purpose of  
8 this section which is to encourage property owners to make land and  
9 water areas available to the public for recreational or conservation  
10 purposes by limiting their potential liability exposure toward persons  
11 entering thereon for such purposes. Its provisions should be construed  
12 to accomplish those objectives.

13 1-a. Definitions. As used in this section:

14 a. "Lands used in agricultural production" means land as defined in  
15 subdivision four of section three hundred one of the agriculture and  
16 markets law, except that the parcel of land may be less than ten acres  
17 and still qualify.

18 b. "Owner, lessee, or occupant" means any person entitled to the  
19 exclusive or non-exclusive use or possession of the premises, including  
20 holders of conservation and trail easements.

21 c. "Undeveloped premises" means property existing in its naturally  
22 occurring state, without structures, improvements or manmade objects  
23 constructed, situated or placed on the property by the owner, lessee,

1 occupant or other persons. If property contains both undeveloped and  
2 developed areas, the owner, lessee or occupant owes no duty to keep the  
3 undeveloped portion of the premises safe for entry or use by others for  
4 recreational purposes, but nothing in this section affects or alters the  
5 liability of such owner, lessee or occupant to others who enter upon the  
6 developed portion of the premises. Undeveloped land may include a  
7 cleared path if it is not paved and the path shall not cease to be  
8 "undeveloped" because its creation or maintenance requires minor alter-  
9 ation of landscape. Land does not cease to be "undeveloped" if the only  
10 manmade alteration is the planting and maintenance of flora, including  
11 trees, shrubs, flowers, or grass.

12 2. Except as provided in subdivision [~~two~~] three of this section,  
13 a. an owner, lessee or occupant of undeveloped premises or of land  
14 used in agricultural production, whether or not posted as provided in  
15 section 11-2111 of the environmental conservation law, and whether or  
16 not a farm, owes no duty to keep the premises safe for entry or use by  
17 others for any recreational use, including but not limited to hunting,  
18 fishing, organized gleaning as defined in section seventy-one-y of the  
19 agriculture and markets law, canoeing, boating, trapping, hiking, cross-  
20 country skiing, tobogganing, sledding, speleological activities, horse-  
21 back riding, bicycle riding, hang gliding, motorized vehicle operation  
22 for recreational purposes, snowmobile operation, cutting or gathering of  
23 wood for non-commercial purposes or training of dogs, or to give warning  
24 of any hazardous condition or use of or structure or activity on such  
25 premises to persons entering for such purposes;

26 b. an owner, lessee or occupant of premises who gives permission to  
27 another to pursue any such activities upon such premises does not there-  
28 by (1) extend any assurance that the premises are safe for such purpose,  
29 or (2) constitute the person to whom permission is granted an invitee to  
30 whom a duty of care is owed, or (3) assume responsibility for or incur  
31 liability for any injury to person or property caused by any act of  
32 persons to whom the permission is granted.

33 c. an owner, lessee or occupant of a farm, as defined in section six  
34 hundred seventy-one of the labor law, whether or not posted as provided  
35 in section 11-2111 of the environmental conservation law, owes no duty  
36 to keep such farm safe for entry or use by a person who enters or  
37 remains in or upon such farm without consent or privilege, or to give  
38 warning of any hazardous condition or use of or structure or activity on  
39 such farm to persons so entering or remaining. This shall not be inter-  
40 preted, or construed, as a limit on liability for acts of gross negli-  
41 gence in addition to those other acts referred to in subdivision [~~two~~]  
42 three of this section.

43 [~~2-~~] 3. This section does not limit the liability which would other-  
44 wise exist:

45 a. for willful or malicious failure to guard, or to warn against, a  
46 dangerous condition, use, structure or activity; or

47 b. for injury suffered in any case where permission to pursue any of  
48 the activities enumerated in this section was granted for a consider-  
49 ation other than the consideration, if any, paid to said landowner by  
50 the state or federal government, or permission to train dogs was granted  
51 for a consideration other than that provided for in section 11-0925 of  
52 the environmental conservation law; or

53 c. for injury caused, by acts of persons to whom permission to pursue  
54 any of the activities enumerated in this section was granted, to other  
55 persons as to whom the person granting permission, or the owner, lessee

1 or occupant of the premises, owed a duty to keep the premises safe or to  
2 warn of danger.

3 ~~[3-]~~ 4. Nothing in this section creates a duty of care or ground of  
4 liability for injury to person or property.

5 5. No cause of action shall arise against the owner, tenant or lessee  
6 of land or premises for injuries to any person, other than an employee  
7 or contractor of the owner, tenant or lessee, who is on the land or  
8 premises for the purpose of picking and purchasing agricultural or farm  
9 products at a farm or "u-pick" operation, unless the person's injuries  
10 were caused by a condition which involved an unreasonable risk of harm  
11 and all of the following apply:

12 a. The owner, tenant or lessee knew, had reason to know of, or reason-  
13 ably should have known of the condition or risk.

14 b. The owner, tenant or lessee failed to exercise reasonable care to  
15 make the condition safe, or to warn the person of the condition or risk.
