8 (a) Applications shall be made and renewed, in the case of a license
9 to carry or possess a pistol or revolver, to the licensing officer in
10 the city or county, as the case may be, where the applicant resides, is
11 principally employed or has his or her principal place of business as
12 merchant or storekeeper; and, in the case of a license as gunsmith or
13 dealer in firearms, to the licensing officer where such place of busi-
14 ness is located. Blank applications shall, except in the city of New
15 York, be approved as to form by the [~~superintendent of state police~~]
16 division of criminal justice services. An application shall state the
17 full name, date of birth, residence, present occupation of each person

24 individual signing an application shall submit one photograph of himself
25 or herself and a duplicate for each required copy of the application.

1 application shall also state the previous occupation of each individual
2 signing the same and the location of the place of such business, or of
3 the bureau, agency, subagency, office or branch office for which the
4 license is sought, specifying the name of the city, town or village,
5 indicating the street and number and otherwise giving such apt
6 description as to point out reasonably the location thereof. In such
7 case, if the applicant is a firm, partnership or corporation, its name,
8 date and place of formation, and principal place of business shall be
9 stated. For such firm or partnership, the application shall be signed
10 and verified by each individual composing or intending to compose the
11 same, and for such corporation, by each officer thereof.

12 4. Investigation. Before a license is issued or renewed, there shall
13 be an investigation of all statements required in the application by the
14 duly constituted police authorities of the locality where such applica-
15 tion is made, including but not limited to such records as may be acces-
16 sible to the [~~division of state police or~~] division of criminal justice

18 the records of the appropriate office of the department of mental
19 hygiene concerning previous or present mental illness of the applicant
20 shall be available for inspection by the investigating officer of the
21 police authority. In order to ascertain any previous criminal record,
22 the investigating officer shall take the fingerprints and physical
23 descriptive data in quadruplicate of each individual by whom the appli-
24 cation is signed and verified. Two copies of such fingerprints shall be
25 taken on standard fingerprint cards eight inches square, and one copy
26 may be taken on a card supplied for that purpose by the federal bureau
27 of investigation; provided, however, that in the case of a corporate
28 applicant that has already been issued a dealer in firearms license and
29 seeks to operate a firearm dealership at a second or subsequent
30 location, the original fingerprints on file may be used to ascertain any
31 criminal record in the second or subsequent application unless any of
32 the corporate officers have changed since the prior application, in
33 which case the new corporate officer shall comply with procedures
34 governing an initial application for such license. When completed, one
35 standard card shall be forwarded to and retained by the division of
36 criminal justice services in the executive department, at Albany. A
37 search of the files of such division and written notification of the
38 results of the search to the investigating officer shall be made without
39 unnecessary delay. Thereafter, such division shall notify the licensing
40 officer and the executive department, division of state police, Albany,
41 of any criminal record of the applicant filed therein subsequent to the
42 search of its files. A second standard card, or the one supplied by the
43 federal bureau of investigation, as the case may be, shall be forwarded
44 to that bureau at Washington with a request that the files of the bureau
45 be searched and notification of the results of the search be made to the
46 investigating police authority. Of the remaining two fingerprint cards,
47 one shall be filed with the executive department, division of [~~state~~
48 ~~police~~] criminal justice services, Albany, within ten days after issu-
49 ance of the license, and the other remain on file with the investigating
50 police authority. No such fingerprints may be inspected by any person
51 other than a peace officer, who is acting pursuant to his special
52 duties, or a police officer, except on order of a judge or justice of a
53 court of record either upon notice to the licensee or without notice, as
54 the judge or justice may deem appropriate. Upon completion of the inves-
55 tigation, the police authority shall report the results to the licensing
56 officer without unnecessary delay.

Except as provided in paragraphs (b) through (f) of this subdivision, the name and address of any person to whom an application for any license has been granted shall be a public record. Upon application by a licensee who has changed his place of residence such records or applications shall be transferred to the appropriate officer at the licensee's new place of residence. A duplicate copy of such application shall be filed by the licensing officer in the executive department, division of ~~[state police]~~ criminal justice services, Albany, within ten days after issuance of the license. The ~~[superintendent of state police]~~ division of criminal justice services may designate that such application shall be transmitted to the division of ~~[state police]~~ criminal justice services electronically. In the event the ~~[superintendent of the division of state police]~~ division of criminal justice services determines that it lacks any of the records required to be filed with the division, it may request that such records be provided to it by the appropriate clerk, department or authority and such clerk, department or authority shall provide the division with such records. In the event such clerk, department or authority lacks such records, the division of criminal justice services may request the license holder provide information sufficient to constitute such record and such license holder shall provide the division with such information. Such information shall be limited to the license holder's name, date of birth, gender, race, residential address, social security number and firearms possessed by said license holder. Nothing in this subdivision shall be construed to change the expiration date or term of such licenses if otherwise provided for in law. Such license shall specify the weapon covered by calibre, make, model, manufacturer's name and serial number, or if none, by any other distinguishing number or identification mark, and shall indicate whether issued to carry on the person or possess on the premises, and if on the premises shall also specify the place where the licensee shall possess the same. The ~~[superintendent of state-police]~~ division of criminal justice services may authorize that such amendment be completed and transmitted to the ~~[state-police]~~ division in electronic form.
