CONCURRENT RESOLUTION OF THE SENATE AND ASSEMBLY

proposing an amendment to section 7 of article 5 of the constitution, in relation to the public pension of a public officer

Section 1. Resolved (if the Senate concur), That section 7 of article 5 of the constitution be amended to read as follows:

§ 7. (a) After July first, nineteen hundred forty, membership in any pension or retirement system of the state or of a civil division thereof shall be a contractual relationship, the benefits of which shall not be diminished or impaired.

(b) Notwithstanding subdivision (a) of this section, the public pension of a public officer, as defined in paragraph (c) of this section, who stands convicted of a felony for which such felony has a direct and actual relationship to the performance of the public officer's existing duties, may be reduced or revoked, following notice and a hearing by an appropriate court, as provided by law. The court determination whether to reduce or revoke such pension shall be based on the consideration of factors including the severity of the crime and the proportionality of a reduction or revocation of such pension to such crime. When a court issues an order to reduce or revoke such pension, the court shall consider and determine specific findings as to the amount of such forfeiture, if any, and whether forfeiture, in whole or in part, would result in undue hardship or other inequity upon any dependent children, spouse or other dependents; and other factors as provided by law. The legislature shall enact legislation to implement this amendment taking into account interests of justice.
