The provisions of this subdivision shall only apply to any recip-17 ient who receives his or her first award payment prior to the two thousand seventeen--two thousand eighteen academic year. 18 19 a. In selecting and certifying scholarship recipients under this 20 section, priority shall be accorded to applicants in the following 21 order: (i) first, to any applicant who: 22 23 (1) has a family income of six thousand dollars or less; and (2) resides in an area designated as having a shortage of nurses 24 25 pursuant to paragraph c of this subdivision; 26 (ii) second, to any applicant who has a family income of six thousand 27 dollars or less; (iii) third, to any applicant who: 28 29 (1) has a family income of ten thousand dollars or less; and 30 (2) resides in an area designated as having a shortage of nurses 31 pursuant to paragraph c of this subdivision; 32 (iv) fourth, to any applicant who has a family income of ten thousand 33 dollars or less; 34 (v) fifth, to any other applicant. 35 b. If a recipient fails to comply fully 42 with such condition, the president shall be entitled to recover from 43 such recipient an amount which bears the same ratio to (i) the aggregate 44 of the amount of the awards received as (ii) the number of months the 45 recipient failed to comply with this condition bears to the number of 46 months he or she was obligated to comply with this condition, together with interest at seven percent per annum computed from the date on which 47 he or she completed his or her professional training and/or active mili-48 tary service. A recipient shall not be required to comply with the 49 provisions of this paragraph unless he or she shall have received a 50 51 nursing degree and any obligation to comply with such provisions shall be cancelled upon his or her death. 6	this subdivision for that number of months calculated by multiplying by
7	nine the number of annual awards received by the recipient. If a recipi-

9	entitled to recover from such recipient an amount determined by the
10	formula:
11	A = 2B (t-s)
12	
13	
14	in which "A" is the amount the president is entitled to recover; "B" is
15	the sum of all awards paid to the recipient and the interest on such
16	amount which would be payable if at the times such awards were paid they
17	were loans bearing interest at the maximum prevailing rate; "t" is the
	total number of months in the recipient's period of obligated services;
18	
19	and "s" is the number of months of service actually rendered by the
20	recipient. Any amount which the president is entitled to recover under
21	this paragraph shall be paid within the one year period beginning on the
22	date that the recipient failed to comply with this condition. A recipi-
23	ent shall not be required to comply with the provisions of this para-
24	graph unless he or she shall have received a nursing degree and until he
25	or she shall have completed his or her professional training, or active
26	military service, or both. Any obligation to comply with such provisions
27	shall be cancelled upon the death of the recipient. The commissioner
28	shall make regulations to provide for the waiver or suspension of any
29	financial obligation where compliance would involve extreme hardship.
30	d. The regents, after consultation with the commissioner of health,
31	shall designate those areas of New York state which have a shortage of
32	nurses for the purposes of this subdivision and, should it be necessary
33	in selecting among the applicants, may establish relative rankings of
34	those areas.
35	e. A recipient of an award shall report annually to the New York state
36	higher education services corporation, on forms prescribed by it, as to
37	the performance of the required services or the recipient's current
38	status, commencing the calendar year following graduation from nursing
39	school and continuing until the recipient shall have completed, or it is
40	determined he or she shall not be obligated to complete, the required
41	services. The corporation may also require the recipient to file a
42	report on his or her current status prior to graduation during any
43	calendar year in which an application for an additional award is not
44	filed. If the recipient shall fail to file any report required in this
45	subdivision within thirty days of written notice to the recipient,
46	mailed to the address shown on the last application for an award or last
47	report filed, whichever is later, the president may impose a fine of up
48	to one thousand dollars. The president shall have the discretion to
49	waive the filing of a report, excuse a delay in filing, or a failure to
50	file a report, or waive or reduce any fine imposed for good cause shown.
