AN ACT to amend the penal law, the general business law and the education law, in relation to criminally negligent storage of a weapon and weapons safety programs for children

7 tragically large number of children have been accidentally killed or  
8 seriously injured by negligently stored weapons; that placing weapons  
9 within reach or easy access of children is irresponsible, encourages

11 necessary to protect the safety of our children.

12 § 3. Section 265.00 of the penal law is amended by adding five new

19 ammunition contained therein. The division of state police shall develop  
20 and promulgate rules and regulations setting forth the specific devices  
21 or the minimum standards and criteria therefor which constitute an  
22 effective locked box.

23 28. "Gun locking device" means an integrated design feature or an
