An inspector shall, under the scrutiny of an inspector of a different political party, either post the results tape or read and announce in the order of the offices as their titles are arranged on the tabulated results tape, in distinct tones the public office or party position, candidate name, political party and the results as shown on the tabulated results tape and then shall announce the number of write-in votes recorded for each office. 3 above, shall mean the space occupied by the title of an office or party
4 position, names of candidates therefor and the voting squares therewith.
