AN ACT to amend the tax law, in relation to phasing out the franchise tax on business corporations that are manufacturers

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 208 of the tax law is amended by adding two new subdivisions 13 and 14 to read as follows:

13. Moreover, for purposes of computing the capital base in a combined report, the group shall be considered a "manufacturer" for purposes of this article only if the combined group during the taxable year is principally engaged in the activities set forth in this subdivision, or any combination thereof.

14. The term "principally engaged" shall include a taxpayer or a combined group if, during the taxable year, more than fifty percent of the gross receipts of the taxpayer or combined group, respectively, are derived from receipts from the sale of goods produced by manufacturing. In computing a combined group's gross receipts, intercorporate receipts shall be eliminated.

13. (a) For any taxable year beginning on or after January first, two thousand eighteen, a taxpayer who is a manufacturer shall be exempt from fifty percent of all taxes imposed by this article.
