SEPULVEDA -- read once and referred to the Committee on Governmental  
Operations

AN ACT relating to the distribution of potassium iodide in a radiologi-  
cal emergency

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. The disaster preparedness commission shall revise the New  
2 York state radiological emergency preparedness plan to mandate the pre-  
3 distribution of potassium iodide to personnel monitoring centers, prima-  
4 ry MS-1 hospital facilities, and state emergency management facilities  
5 located within a fifty mile radius of nuclear power sites for distrib-  
6 ution to populations in the event of a radiological emergency. Outside  
7 of the current 10 mile radius, the state shall reimburse counties for  
8 the purchase of potassium iodide. The commission, in consultation with  
9 the department of health, shall develop a set of standards and protocols  
10 for pre-distribution of potassium iodide as provided in this act. The  
11 provision of this act shall be implemented within amounts made available  
12 by appropriation therefor.  
13 § 2. This act shall take effect April 1, 2018.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
