AN ACT to amend the tax law, in relation to granting a tax credit for the purchase of materials aiding the ventilation and illumination in factory work rooms during the manufacturing process

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The tax law is amended by adding a new section 187-t to  
2 read as follows:

3 § 187-t. Credit for materials aiding the ventilation and illumination  
4 in factory work rooms. 1. General. A taxpayer shall be allowed a credit,  
5 to be computed as hereinafter provided, against the taxes imposed by  
6 this article, other than the taxes imposed by sections one hundred  
7 eighty-six-a and one hundred eighty-six-e of this article. Such credit,  
8 to be computed as hereinafter provided, shall be allowed for materials,  
9 purchased and used by a factory for use or consumption directly and  
10 exclusively to facilitate ventilation and illumination in factory work  
11 rooms, pursuant to sections two hundred fifty-seven and two hundred  
12 ninety-nine of the labor law, placed in service during the taxable year;  
13 provided, however, that the commissioner shall require such documentary  
14 proof to qualify for any exemption provided herein as the commissioner  
15 deems appropriate and that the amount of credit allowed by this section  
16 against the tax imposed by section one hundred eighty-four of this arti-  
17 cle shall be the excess of the credit computed under this section over  
18 the amount of credit allowed by this section against the tax imposed by  
19 section one hundred eighty-three of this article.

20 2. Definition. As used in this section "materials" shall mean appli-  
21 ances and energy using products by or for ventilation and illumination,  
22 such as but not limited to, lamps and luminaries, fluorescent lamps,

1 central air conditioners, room air conditioners, package terminal air  
2 conditioners and heat pumps, and furnaces.

3 3. Amount of credit. The amount of credit under this section shall be  
4 thirty-five percent of the cost of any such materials placed in service  
5 during the taxable year.

6 4. Carryover. In no event shall the credit under this section be  
7 allowed in an amount which will reduce the tax payable to less than the  
8 applicable minimum tax fixed by section one hundred eighty-three or one  
9 hundred eighty-five of this article. If, however, the amount of credit  
10 allowable under this section for any taxable year reduces the tax to  
11 such amount, any amount of credit not deductible in such taxable year  
12 may be carried over to the following year or years and may be deducted  
13 from the taxpayer's tax for such year or years.

14 § 2. This act shall take effect immediately; provided, however, that  
15 the exemption provided applies to property placed in service in taxable  
16 years beginning on or after January 1, 2017 and that the commissioner of  
17 taxation and finance may take any action with respect to the adoption,  
18 amendment, suspension or repeal of any rule or regulation relating to  
19 this act, and may establish any procedure necessary for the timely  
20 implementation thereof.
